#### Notice of Extension of Time Limit of Final Results of New Shipper Review: Honey From the People's Republic of China

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit of final results of antidumping duty new shipper review.

**SUMMARY:** The Department of Commerce is extending the time limit of the final results of the new shipper review of the antidumping duty order on honey from the People's Republic of China until no later than April 8, 2004. The period of review is February 10, 2001, through November 30, 2002. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended.

**EFFECTIVE DATE:** March 31, 2004.

**FOR FURTHER INFORMATION CONTACT:** Brandon Farlander at (202) 482-0182 or Dena Aliadinov at (202) 482-3362; Antidumping and Countervailing Duty Enforcement Group III, Office Eight, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

### Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act requires the Department to issue the final results of a new shipper review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act allows the Department to extend the deadline for the final results to up to 150 days after the date on which the preliminary results were issued.

### Background

On December 31, 2002, the Department received properly filed requests from Shanghai Xiuwei International Trading Co., Ltd. ("Shanghai Xiuwei") and Sichuan-Dujiangyan Dubao Bee Industrial Co., Ltd. ("Sichuan Dubao"), in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the Department's regulations, for a new shipper review of the antidumping duty order on honey from the People's Republic of China (PRC), which has a December anniversary date, and a June semiannual anniversary date. Shanghai Xiuwei identified itself as an exporter of processed honey produced by its supplier, Henan Oriental Bee Products Co., Ltd. ("Henan Oriental"). Sichuan Dubao identified itself as the producer of the processed honey that it exports.

On February 5, 2003, the Department initiated this new shipper review for the period February 10, 2001 through November 30, 2002. *See Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Reviews* (68 FR 5868, February 5, 2003). On July 21, 2003, the Department extended the preliminary results of this new shipper review 300 days until November 26, 2003. *See Honey from the People's Republic of China: Extension of Time Limits for Preliminary Results of New Shipper Antidumping Duty Review*, 68 FR 43086 (July 21, 2003). On December 4, 2003, the Department published its preliminary results of this review. *See Notice of Preliminary Results of Antidumping Duty New Shipper Review: Honey from the People's Republic of China*, 68 FR 67832 (December 4, 2003) (*Preliminary Results*). In the preliminary results of this review, we indicated that we were unable to complete our analysis of all factors relevant to the *bona fides* of Shanghai Xiuwei's and Sichuan Dubao's U.S. sales. We described our research and contact efforts in the memorandum from Brandon Farlander and Dena Aliadinov to the file, dated November 26, 2003. We also indicated that

additional time was needed to research the appropriate surrogate values to value raw honey. On February 25, 2004, the Department extended the final results of this new shipper review 30 days until March 25, 2004. *See Notice of Extension of Time Limit of Final Results of New Shipper Review: Honey from the People's Republic of China*, 69 FR 8625 (February 25, 2004).

### Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the final results of a new shipper review by 60 days if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated because of the issues pertaining to the *bona fides* of Shanghai Xiuwei's and Sichuan Dubao's U.S. sales. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of the final results by an additional 14 days. The final results will now be due no later than April 8, 2004.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: March 25, 2004.

**Joseph A. Spetrini,**

*Deputy Assistant Secretary for Import Administration, Group III.*

#### Low Enriched Uranium From France: Notice of Extension of Time Limit for the Final Results of Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of extension of time limit for the final results of antidumping duty administrative review.

**EFFECTIVE DATE:** March 31, 2004.

**FOR FURTHER INFORMATION CONTACT:**

Vicki Schepker or Carol Henninger at (202) 482-1756 or (202) 482-3003, respectively; Office of AD/CVD Enforcement 5, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th

Street and Constitution Avenue, NW, Washington, DC 20230.

#### Time Limits:

#### Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to complete the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

#### Background

Eurodif S.A. (Eurodif), a French producer of subject merchandise, and its affiliated parties Compagnie Générale Des Matières Nucléaires (COGEMA) and COGEMA, Inc. (collectively, COGEMA/Eurodif), requested an administrative review of the antidumping order on low enriched uranium from France on February 3, 2003. United States Enrichment Corporation and USEC, Inc. (the petitioner), a domestic producer of subject merchandise, requested a review on February 28, 2003. On March 25, 2003, the Department published a notice of initiation of the administrative review, covering the period July 13, 2001, through January 31, 2003 (*Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 68 FR 14394). On October 27, 2003, and December 16, 2003, the Department published notices extending the time limit for the preliminary results (*Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review*, 68 FR 61184 and 68 FR 69994, respectively). On January 27, 2004, the Department published the preliminary results of its review, (*Notice of Preliminary Results of Antidumping Duty Administrative Review: Low Enriched Uranium from France*, 69 FR 3883) The final results of this review are currently due no later than May 26, 2004.

#### Extension of Time Limit for the Final Results of Review

This review involves complex and novel issues, such as the proper treatment of commingled merchandise, the application of the major input rule, and the appropriateness of deducting from constructed export price (CEP) an amount for countervailing duty cash

deposits. In addition, the Department needs additional time to consider the arguments raised by the parties after the preliminary results of review. For these reasons, the Department has determined that it is not practicable to complete the final results within the original time limit. Therefore, the Department is extending the time limit for completion of the final results until no later than July 26, 2004.

This extension is in accordance with section 751(a)(3)(A) of the Act.

Dated: March 25, 2004.

#### **Certain Small Diameter Carbon and Alloy Seamless Standard, Line, and Pressure Pipe From Romania: Extension of the Time Limit for the Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** March 31, 2004.

**FOR FURTHER INFORMATION CONTACT:** Charles Riggall at (202) 482-0650 or Martin Claessens at (202) 482-5451, Office of AD/CVD Enforcement 5, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

#### Time Limits:

#### Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department of Commerce (the Department) to complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order/finding for which a review is requested and the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within these time periods, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of 365 days after the last day of the anniversary month of an order/finding for which a review is requested, and for

the final results to 180 days (or 300 days if the Department does not extend the time limit for the preliminary results) from the date of publication of the preliminary results.

#### Background

On August 1, 2003, the Department published a notice of opportunity to request an administrative review of this order. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 68 FR 45218 (August 1, 2003). On August 29, 2003, in accordance with 19 CFR 351.213(b)(2), S.C. Silcotub S.A. (Silcotub), a Romanian producer/exporter of subject merchandise, requested a review. In addition, in accordance with 19 CFR 351.222(e), Silcotub requested that the Department revoke the order with regard to Silcotub, pursuant to 19 CFR 351.222(b). On September 2, 2003, United States Steel Corporation, a domestic interested party, requested reviews of Silcotub and S.C. Petrotub S.A., producers/exporters of certain small diameter carbon and alloy seamless, standard line and pressure pipe from Romania.

On September 30, 2003, the Department published a notice of initiation of administrative review of the antidumping duty order on certain small diameter carbon and alloy seamless standard, line and pressure pipe from Romania, covering the period August 1, 2002 through July 31, 2003 (68 FR 56262). The preliminary results are currently due no later than May 3, 2004.

#### Extension of Time Limit for Preliminary Results of Review

We determine that it is not practicable to complete the preliminary results of this review within the original time limit due to the complex nature of this review. Specifically, on March 10, 2003, the Department reclassified Romania as a market economy effective January 1, 2003, for the purposes of antidumping and countervailing duty proceedings. Because this review covers the period August 1, 2002 through July 31, 2003, the Department has determined to conduct a simultaneous split review, applying its non-market economy methodology to the period August 1 through December 31, 2003, and its market economy methodology from January 1 through July 31, 2003. Accordingly, the Department is analyzing two separate sets of questionnaire responses and calculating dumping margins for two separate periods and expects to calculate a
