Each year during the anniversary month of the publication of an antidumping or countervailing duty order, finding, or suspension of investigation, an interested party, as defined in section 771(9) of the Tariff Act of 1930, as amended (the Act), may request, in accordance with section 351.213(2003) of the Department of Commerce (the Department) Regulations, that the Department conduct an administrative review of that

antidumping or countervailing duty order, finding, or suspended investigation.

None.

In accordance with section 351.213 (b) of the regulations, an interested party as defined by section 771(9) of the Act may request in writing that the Secretary conduct an administrative review. For both antidumping and countervailing duty reviews, the interested party must specify the individual producers or exporters covered by an antidumping finding or an antidumping or countervailing duty order or suspension agreement for which it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or exporters. If the interested party intends for the Secretary to review sales of merchandise by an exporter (or a producer if that producer also exports merchandise from other suppliers) which were produced in more than one country of origin and each country of origin is subject to a separate order, then the interested party must state specifically, on an order-by-order basis, which exporter(s) the request is intended to cover.

As explained in *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 69 FR 23954 (May 6, 2003), the Department has clarified its practice with respect to the collection of final antidumping

duties on imports of merchandise where intermediate firms are involved. The public should be aware of this clarification in determining whether to request an administrative review of merchandise subject to antidumping findings and orders. See also the Import Administration Web site at <http://www.ia.ita.doc.gov>.

Six copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping/Countervailing Enforcement, Attention: Sheila Forbes, in room 3065 of the main Commerce Building. Further, in accordance with section 351.303(f)(1)(i) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Administrative Review of Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation" for requests received by the last day of April 2004. If the Department does not receive, by the last day of April 2004, a request for review of entries covered by an order, finding,

or suspended investigation listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse, for consumption and to continue to collect the cash deposit previously ordered.

This notice is not required by statute but is published as a service to the international trading community.

Dated: March 25, 2004.

Filing Information

As a courtesy, we are making information related to sunset proceedings, including copies of the Department’s regulations regarding sunset reviews (19 CFR 351.218) and *Sunset Policy Bulletin*, the Department’s schedule of sunset reviews, case history information (*i.e.*, previous margins, duty absorption determinations, scope language, import volumes), and service lists, available to the public on the Department’s sunset Internet Web site at the following address: “<http://ia.ita.doc.gov/sunset/>”.

All submissions in these sunset reviews must be filed in accordance with the Department’s regulations regarding format, translation, service, and certification of documents. These rules can be found at 19 CFR 351.303. Also, we suggest that parties check the Department’s sunset website for any updates to the service list before filing any submissions. The Department will make additions to and/or deletions from the service list provided on the sunset Web site based on notifications from parties and participation in these reviews. Specifically, the Department will delete from the service list all parties that do not submit a substantive response to the notice of initiation.

Because deadlines in a sunset review are, in many instances, very short, we urge interested parties to apply for

access to proprietary information under administrative protective order (“APO”) immediately following publication in the **Federal Register** of the notice of initiation of the sunset review. The Department’s regulations on submission of proprietary information and eligibility to receive access to business proprietary information under APO can be found at 19 CFR 351.304-306.

Information Required From Interested Parties

Domestic interested parties (defined in 19 CFR 351.102(b) and section 771 (9)(C), (D), (E), (F), and (G) of the Act) wishing to participate in these sunset reviews must respond not later than 15 days after the date of publication in the **Federal Register** of the notice of initiation by filing a notice of intent to participate. The required contents of the notice of intent to participate are set forth at 19 CFR 351.218(d)(1)(ii). In accordance with the Department’s regulations, if we do not receive a notice of intent to participate from at least one domestic interested party by the 15-day deadline, the Department will automatically revoke the order without further review. See 19 CFR 351.218(d)(1)(iii).

If we receive an order-specific notice of intent to participate from a domestic interested party, the Department’s regulations provide that *all parties*

wishing to participate in the sunset review must file complete substantive responses not later than 30 days after the date of publication in the **Federal Register** of the notice of initiation. The required contents of a substantive response, on an order-specific basis, are set forth at 19 CFR 351.218(d)(3). Note that certain information requirements differ for respondent and domestic parties. Also, note that the Department’s information requirements are distinct from the International Trade Commission’s information requirements. Please consult the Department’s regulations for information regarding the Department’s conduct of sunset reviews.¹ Please consult the Department’s regulations at 19 CFR Part 351 for definitions of terms and for other general information concerning antidumping and countervailing duty proceedings at the Department.

This notice of initiation is being published in accordance with section 751(c) of the Act and 19 CFR 351.218(c).

¹ A number of parties commented that these interim-final regulations provided insufficient time for rebuttals to substantive responses to a notice of initiation, 19 CFR 351.218(d)(4). As provided in 19 CFR 351.302(b), the Department will consider individual requests for extension of that five-day deadline based upon a showing of good cause.

Dated: March 15, 2004.

James J. Jochum,

Assistant Secretary for Import Administration.

Certain Corrosion-Resistant Carbon Steel Flat Products and Cut-to-Length Carbon Steel Plate Products from Germany: Final Results of Countervailing Duty Changed Circumstances Reviews and Revocation of the Orders, in Whole

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of countervailing duty changed circumstances reviews and revocation of the orders, in whole.

SUMMARY: On January 28, 2004, the Department of Commerce (the Department) published a notice of preliminary results of changed circumstances reviews of the countervailing duty orders on certain corrosion-resistant carbon steel flat products and cut-to-length carbon steel plate products from Germany. *See* Certain Corrosion-Resistant Carbon Steel Flat Products and Cut-to-Length Carbon Steel Plate Products from Germany: Preliminary Results of Countervailing Duty Changed Circumstances Reviews, 69 FR 4114 (January 28, 2004) (Preliminary Results). In the Preliminary Results, we invited interested parties to comment on the Department's preliminary intent to revoke in whole the countervailing duty orders. We did not receive any comments. As a result, we conclude that producers accounting for substantially all of the production of the domestic like products to which these orders pertain lack interest in the relief provided by the orders. Therefore, we revoke these orders, in whole, with respect to products entered, or withdrawn from warehouse, for consumption on or after April 1, 2004.

EFFECTIVE DATE: (April 1, 2004.)

FOR FURTHER INFORMATION CONTACT: Robert Copyak, Office of AD/CVD Enforcement VI, Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482-2209.

SUPPLEMENTARY INFORMATION:

Background

On August 17, 1993, the Department published countervailing duty orders on certain corrosion-resistant carbon steel flat products and cut-to-length carbon steel plate products from Germany. *See* Countervailing Duty Orders and Amendment to Final Affirmative Countervailing Duty Determinations: Certain Steel Products From Germany, 58 FR 43756 (August 17, 1993). On October 22, 2003, International Steel Group, Inc. (purchaser of Bethlehem Steel Corporation) and United States Steel Corporation, requested that the Department revoke the countervailing duty orders, effective April 1, 2004, based on their lack of further interest in these proceedings. In response to this request, on December 3, 2003, the Department published a notice of initiation of changed circumstances reviews of the countervailing duty orders on certain corrosion-resistant carbon steel flat products and cut-to-length carbon steel plate products from Germany. *See* Certain Corrosion-Resistant Carbon Steel Flat Products and Cut-to-Length Carbon Steel Plate Products from Germany: Initiation of Countervailing Duty Changed Circumstances Reviews, 68 FR 67657 (December 3, 2003) (Initiation Notice).

On January 28, 2004, the Department published a notice of preliminary results of changed circumstances reviews of the countervailing duty orders on certain corrosion-resistant carbon steel flat products and cut-to-length carbon steel plate products from Germany. *See* Preliminary Results. We did not receive any comments on our preliminary results.

Scope of the Orders

The products covered by these reviews are certain corrosion-resistant carbon steel flat products and cut-to-length steel plate products from Germany.

(1) Certain corrosion-resistant carbon steel flat products: The scope of countervailing duty order on certain corrosion-resistant carbon steel flat products (corrosion-resistant) includes flat-rolled carbon steel products, of rectangular shape, either clad, plated, or coated with corrosion-resistant metals such as zinc, aluminum, or zinc-, aluminum-, nickel- or iron-based alloys, whether or not corrugated or painted, varnished or coated with plastics or other nonmetallic substances in addition to the metallic coating, in coils (whether or not in successively superimposed layers) and of a width of 0.5 inch or greater, or in straight lengths

which, if of a thickness less than 4.75 millimeters, are of a width of 0.5 inch or greater and which measures at least 10 times the thickness or if of a thickness of 4.75 millimeters or more are of a width which exceeds 150 millimeters and measures at least twice the thickness, as currently classifiable in the Harmonized Tariff Schedule (HTS) under item numbers 7210.31.0000, 7210.39.0000, 7210.41.0000, 7210.49.0030, 7210.49.0090, 7210.60.0000, 7210.70.6030, 7210.70.6060, 7210.70.6090, 7210.90.1000, 7210.90.6000, 7210.90.9000, 7212.21.0000, 7212.29.0000, 7212.30.1030, 7212.30.1090, 7212.30.3000, 7212.30.5000, 7212.40.1000, 7212.40.5000, 7212.50.0000, 7212.60.0000, 7215.90.1000, 7215.90.5000, 7217.12.1000, 7217.13.1000, 7217.19.1000, 7217.19.5000, 7217.22.5000, 7217.23.5000, 7217.29.1000, 7217.29.5000, 7217.32.5000, 7217.33.5000, 7217.39.1000, and 7217.39.5000. Included in this scope are flat-rolled products of non-rectangular cross-section where such cross-section is achieved subsequent to the rolling process (*i.e.*, products which have been worked after rolling)—for example, products which have been beveled or rounded at the edges. Excluded from this scope are flat-rolled steel products either plated or coated with tin, lead, chromium, chromium oxides, both tin and lead (terne plate), or both chromium and chromium oxides (tin-free steel), whether or not painted, varnished or coated with plastics or other nonmetallic substances in addition to the metallic coating. Also excluded from this scope are clad products in straight lengths of 0.1875 inch or more in composite thickness and of a width which exceeds 150 millimeters and measures at least twice the thickness. Also excluded from this scope are certain clad stainless flat-rolled products, which are three-layered corrosion-resistant carbon steel flat-rolled products less than 4.75 millimeters in composite thickness that consist of a carbon steel flat-rolled product clad on both sides with stainless steel in a “20 percent—60 percent—20 percent” ratio. On September 22, 1999, the Department issued the final results of a changed circumstances review and revoked the order with respect to certain corrosion-resistant steel. *See* Notice of Final Results of Changed Circumstances Antidumping Duty and Countervailing Duty Reviews and Revocation of Orders in Part: Certain Corrosion-Resistant
