*Abstract:* The Early Childhood Longitudinal Study, Birth Cohort (ECLS-B) is a nationally representative longitudinal study of children born in the year 2001. The preschool year followup represents the third round of data collection for members of this cohort. Children are assessed using state of the art assessment tools, parents are interviewed as well as child care providers and school personnel. Together with the Kindergarten component of this early childhood studies program, the survey informs the research and general community about children's health, early learning, development and education experiences. The focus of this survey is on characteristics of children and their families that influence children's first experiences with the demands of formal schools as well as early health care and in- and out-of-home experiences.

**ACTION:** Notice of interpretation.

**SUMMARY:** Section 1303(a) and (b) of the Elementary and Secondary Education Act of 1965 (ESEA), as amended by the No Child Left Behind Act of 2001 (NCLB), provides for the allocation of Migrant Education Program (MEP) funds to States, the District of Columbia, and the Commonwealth of Puerto Rico (Puerto Rico). The Department announces that the interpretations of these provisions for Fiscal Year (FY) 2003, published in the **Federal Register** on June 11, 2003 (68 FR 34911), shall continue to apply for FY 2004 and those subsequent fiscal years in which the amount of funds appropriated for the MEP does not exceed the amount appropriated in FY 2002.

**DATES:** Effective date: April 2, 2004.

**FOR FURTHER INFORMATION CONTACT:** James English, Office of Migrant Education, U.S. Department of Education, 400 Maryland Avenue, SW., Room 3E315, Washington, DC 20202-6135. Telephone: (202) 260-1394, or via Internet: [james.english@ed.gov](mailto:james.english@ed.gov).

If you use a telecommunications device for the deaf (TDD), you may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

#### SUPPLEMENTARY INFORMATION:

##### Background

The MEP, authorized in Title I, part C, of the ESEA, as amended by NCLB, is a State-operated and State-administered formula grant program. It provides assistance to State educational agencies (SEAs) to support high-quality and comprehensive educational programs that provide migratory children appropriate educational and supportive services that address their

special needs in a coordinated and efficient manner, and give migratory children the opportunity to meet the same challenging State academic content and student academic achievement standards that all children are expected to meet. Funds are allocated to SEAs under a formula authorized under section 1303 of the ESEA, as amended by NCLB.

Through this notice, the Department announces that its interpretations of the formula for awarding FY 2003 MEP funds to States, including the District of Columbia and Puerto Rico, as published in the **Federal Register** on June 11, 2003 (68 FR 34911), shall apply to the Department's allocation of MEP funds in FY 2004 and those succeeding fiscal years in which the amount of funds appropriated for the MEP does not exceed the amount appropriated in FY 2002. The Department continues to apply these interpretations for the reasons identified in the June 11, 2003, notice.

#### Waiver of Proposed Rulemaking

Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, under 5 U.S.C. 553(b)(A) the Secretary is generally not required to offer the public an opportunity to comment on an interpretative rule. These rules advise the public of our interpretation of sections 1303(a) and (b) of the ESEA, as amended by NCLB. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required. For the same reason, a delayed effective date is not required under 5 U.S.C. 553(d)(2).

#### Intergovernmental Review

This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. One of the objectives of the Executive order is to foster an intergovernmental partnership and a strengthened federalism. The Executive order relies on processes developed by State and local governments for coordination and review of proposed federal financial assistance.

This document is intended to provide early notification of our specific plans and actions for this program.
