The purpose of the proposed action is to help provide for the economic development of the Tribe. This notice also announces a public scoping meeting to identify potential issues and content for inclusion in the EIS.

DATES: Written comments on the scope and implementation of this proposal must arrive by May 5, 2004. The public scoping meeting will be held April 21, 2004, from 6 to 9 p.m., or until the last public comment has been submitted.

The project site is located west of Interstate 15, south of Main Street, and immediately east of Mesa Linda Street inside the incorporated City of Hesperia, San Bernardino County. It is within 3 miles of Main Street and Interstate 15. The City of Victorville is located approximately 8 miles north of the project site, which is also accessible from Interstate 15.

Primary vehicle access to the hotel would be via the main casino and surface-parking driveway.

Areas of environmental concern to be addressed in the EIS include land use, geology and soils, water resources, agricultural resources, biological resources, cultural resources, mineral resources, paleontological resources, traffic and transportation, noise, air quality, public health/environmental hazards, public services and utilities, hazardous waste and materials, socio-economics, environmental justice, and visual resources/aesthetics.
