

DEPARTMENT OF TRANSPORTATION**Federal Railroad Administration****Proposed Agency Information Collection Activities; Comment Request**

AGENCY: Federal Railroad Administration, DOT.

ACTION: Notice and request for comments.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Requirements (ICRs) abstracted below have been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICRs describes the nature of the information collections and their expected burdens. The **Federal Register** notice with a 60-day comment period soliciting comments on the following collections of information was published on February 17, 2004 (69 FR 7535).

DATES: Comments must be submitted on or before May 19, 2004.

FOR FURTHER INFORMATION CONTACT: Mr. Robert Brogan, Office of Planning and Evaluation Division, RRS-21, Federal Railroad Administration, 1120 Vermont Ave., NW., Mail Stop 25, Washington, DC 20590 (telephone: (202) 493-6292), or Debra Steward, Office of Information Technology and Productivity Improvement, RAD-20, Federal Railroad Administration, 1120 Vermont Ave., NW., Mail Stop 35, Washington, DC 20590 (telephone: (202) 493-6139). (These telephone numbers are not toll-free.)

SUPPLEMENTARY INFORMATION: The Paperwork Reduction Act of 1995 (PRA), Pub. L. 104-13, section 2, 109 Stat. 163 (1995) (codified as revised at 44 U.S.C. 3501-3520), and its implementing regulations, 5 CFR Part 1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. 44 U.S.C. 3506, 3507; 5 CFR 1320.5, 1320.8(d)(1), 1320.12. On February 17, 2004, FRA published a 60-day notice in the **Federal Register** soliciting comment on ICRs that the agency was seeking OMB approval. 69 FR 7535. FRA received no comments after issuing this notice. Accordingly, DOT announces that these information collection activities have been re-evaluated and certified under 5 CFR 1320.5(a) and forwarded to OMB for review and approval pursuant to 5 CFR 1320.12(c).

Before OMB decides whether to approve these proposed collections of information, it must provide 30 days for public comment. 44 U.S.C. 3507(b); 5 CFR 1320.12(d). Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30 day notice is published. 44 U.S.C. 3507 (b)-(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. OMB believes that the 30 day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect. 5 CFR 1320.12(c); *see also* 60 FR 44983, Aug. 29, 1995.

The summaries below describe the nature of the information collection requirements (ICRs) and the expected burden. The revised requirements are being submitted for clearance by OMB as required by the PRA.

Title: Passenger Train Emergency Preparedness.

OMB Control Number: 2130-0545.

Type of Request: Extension of a currently approved collection.

Affected Public: Railroads.

Form(s): None.

Abstract: The collection of information is due to the passenger train emergency regulations set forth in 49 CFR Parts 223 and 239 which require railroads to meet minimum Federal standards for the preparation, adoption, and implementation of emergency preparedness plans connected with the operation of passenger trains, including freight railroads hosting operations of rail passenger service. The regulations require luminescent or lighted emergency markings so that passengers and emergency responders can readily determine where the closest and most accessible exit routes are located and how the emergency exit mechanisms are operated. Windows and doors intended for emergency access by responders for extrication of passengers must be marked with retro-reflective material so that emergency responders, particularly in conditions of poor visibility, can easily distinguish them from the less accessible doors and windows. Records of the inspection, maintenance, and repair of emergency windows and door exits, as well as records of operational efficiency tests, will be used to ensure compliance with the regulations.

Annual Estimated Burden: 4,595 hours.

Addressee: Send comments regarding these information collections to the

Office of Information and Regulatory Affairs, Office of Management and Budget, 725 Seventeenth Street, NW., Washington, DC, 20503, Attention: FRA Desk Officer.

Comments are invited on the following: Whether the proposed collections of information are necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimates of the burden of the proposed information collections; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the collections of information on respondents, including the use of automated collection techniques or other forms of information technology.

A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication of this notice in the **Federal Register**.

Authority: 44 U.S.C. 3501-3520.

Issued in Washington, DC, on April 13, 2004.

Kathy A. Weiner,

Director, Office of Information Technology and Support Systems, Federal Railroad Administration.

BILLING CODE 4910-06-P

DEPARTMENT OF THE TREASURY**Departmental Offices; Debt Management Advisory Committee Meeting**

Notice is hereby given, pursuant to 5 U.S.C. App. 2, 10(a)(2), that a meeting will be held at the Hay-Adams Hotel, 16th and Pennsylvania Avenue, NW., Washington, DC, on May 4, 2004 at 10 a.m. of the following debt management advisory committee: Treasury Borrowing Advisory Committee of The Bond Market Association ("Committee").

The agenda for the meeting provides for a charge by the Secretary of the Treasury or his designate that the Committee discuss particular issues, and a working session. Following the working session, the Committee will present a written report of its recommendations. The meeting will be closed to the public, pursuant to 5 U.S.C. App. 2, 10(d) and Pub. L. 103-202, section 202(c)(1)(B)(31 U.S.C. 3121 note).

This notice shall constitute my determination, pursuant to the authority placed in heads of agencies by 5 U.S.C. App. 2, 10(d) and vested in me by

Treasury Department Order No. 101-05, that the meeting will consist of discussions and debates of the issues presented to the Committee by the Secretary of the Treasury and the making of recommendations of the Committee to the Secretary, pursuant to Pub. L. 103-202, section 202(c)(1)(B). Thus, this information is exempt from disclosure under that provision and 5 U.S.C. 552b(c)(3)(B). In addition, the meeting is concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decision on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, section 3.

Although the Treasury's final announcement of financial plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

Treasury staff will provide a technical briefing to the press on the day before the Committee meeting, following the release of a statement of economic conditions, financing estimates and technical charts. This briefing will give the press an opportunity to ask questions about financing projections and technical charts. The day after the Committee meeting, Treasury will release the minutes of the meeting, any charts that were discussed at the meeting, and the Committee's report to the Secretary.

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Tim Bitsberger, Deputy Assistant Secretary, Federal Finance, at (202) 622-2245.

Dated: April 14, 2004.

Brian C. Roseboro,

Assistant Secretary, Financial Markets.

BILLING CODE 4810-25-M

DEPARTMENT OF THE TREASURY

Office of the Comptroller of the Currency

Agency Information Collection Activities: Submission for OMB Review; Comment Request

AGENCY: Office of the Comptroller of the Currency (OCC), Treasury.

ACTION: Notice and request for comment.

SUMMARY: The OCC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a continuing information collection, as required by the Paperwork Reduction Act of 1995. An agency may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless the information collection displays a currently valid OMB control number. The OCC is soliciting comment concerning its renewal, without change, of an information collection titled "Disclosure of Financial and Other Information by National Banks—12 CFR 18." The OCC also gives notice that it has sent the information collection to OMB for review and approval.

DATES: You should submit your comments to the OCC and the OMB Desk Officer by May 19, 2004.

ADDRESSES: You should direct your comments to:

OCC: Communications Division, Office of the Comptroller of the Currency, Public Reference Room, Mailstop 1-5, Attention: 1557-0182, 250 E Street, SW., Washington, DC 20219. You are encouraged to submit your comments by facsimile transmission or electronic mail. Comments may be sent by facsimile transmission to (202) 874-4448, or by electronic mail to regs.comments@occ.treas.gov. You can inspect and photocopy the comments at the OCC's Public Reference Room, 250 E Street, SW., Washington, DC 20219. You can make an appointment to inspect the comments by calling (202) 874-5043. Additionally, you may request copies of comments via electronic mail or CD-ROM by contacting the OCC's Public Reference Room at <http://www.foia.pa@occ.treas.gov>.

OMB: Mark Menchik, OMB Desk Officer, Control Number 1557-0182, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503. Alternatively, you may send a comment by facsimile transmission to (202) 395-6974 or by electronic mail to mmenchik@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: You can request additional information or a copy of the information collection from John Ference, Acting Clearance Officer, or Camille Dixon, (202) 874-5090, Legislative and Regulatory Activities Division, Office of the Comptroller of the Currency, 250 E Street, SW., Washington, DC 20219.

SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Disclosure of Financial and Other Information by National Banks—12 CFR 18.

OMB Number: 1557-0182.

Form Number: None.

Abstract: This submission covers 12 CFR Part 18, an existing regulation, and involves no change to the regulation or to the information collections embodied in the regulation. The OCC requests only that OMB renew its approval of the information collections in the current regulation.

The information collections contained in part 18 are found in 12 CFR 18.4(c) and 18.8. Section 18.4(c) permits a national bank to prepare an optional narrative for inclusion in its annual disclosure statement. Section 18.8 requires that a national bank promptly furnish materials in response to a request.

This disclosure of information is needed to facilitate informed decision making by existing and potential customers and investors by improving public understanding of and confidence in, the financial condition of an individual national bank. Depositors, security holders, and the general public use the information in evaluating the condition of, and deciding whether to do business with, a particular national bank. Disclosure and increased public knowledge complements OCC's efforts to promote the safety and soundness of national banks and the national banking system.

Type of Review: Extension, without change, of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 2,150.

Estimated Total Annual Responses: 2,150.
