ADDRESSES: Written comments and recommendations on the proposed information collection should be sent to Department of the Army, Military Traffic Management Command, 200 Stovall Street, Alexandria, VA 22332-5000, ATTN: MTPP-S (Ben Jozwiak). Consideration will be given to all comments received within 60 days of the date of publication of this notice.

Title, Associated Form, and OMB Number: Tender of Service and Letter of Intent for Personal Property Household Goods and Unaccompanied Baggage Shipments, DD Form 619, OMB Control Number 0702-0022.

Needs and Uses: Since household goods (HHG) move at Government expense, data is needed to choose the best service at lowest cost to the Government. The information provided by the carrier serves as a bid for contract to transport HHG, unaccompanied baggage, mobile homes, and boats. This information is collected on a regular basis, but is submitted intermittently throughout the year. Best-service-for-least-cost carrier receives the contract. DD Form 619 certifies that accessorial services were actually performed. The Government would not know which carriers to use for shipping personal property if they could not collect this information.

Affected Public: Business Or Other For-Profit.

Annual Burden Hours: 70,548.

Number of Respondents: 2,636.

Responses per Respondent: 441,677.

Average Burden per Response: 5 minutes.

Frequency: On occasion.

SUPPLEMENTARY INFORMATION: The Tender of Service is the contractual agreement between DOD and the carrier, under which the carrier agrees to provide service in accordance with the terms and conditions cited in the Tender of Service. In accordance with the provisions of DOD 4500.9-R, the DD Form 619 is used by the household goods carrier industry to itemize packing material and other charges for

billing purposes on household goods and unaccompanied baggage shipments.

Title, Associated Form, and OMB Number: Uniform Tender of Rates and/or Charges for Domestic Transportation Services (DoD/USCG Sponsored Household Goods, MT Form 43-R, OMB Control Number 0702-0018).

Needs and Uses: Department of Defense approved household goods

carriers files rate to engage in the movement of DoD and United States Coast Guard sponsored shipments within the continental United States. Headquarters, Military Traffic Management Command evaluates the rates and awards the traffic to low rate responsible carriers whose rates are responsive and most advantageous to the Government.

Affected Public: Business or other for-profit.

Annual Burden Hours: 3,160.

Number of Respondents: 1,580.

Responses per Respondent: 1.

Average Burden per Response: 30 minutes.

Frequency: Semi-annually.

SUPPLEMENTARY INFORMATION: The method MTMC uses to procure rates for domestic personal property shipments is the voluntary submission by carriers during two intrastate filing cycles each year, May 1 to October 31 and November 1 to April 30. Historically, carriers file higher rates in the winter cycle. By accepting rates in two cycles the Government experiences lower costs during the summer months for the same services. If rates were filed less frequently, shipments would move at higher costs.
