#### NUCLEAR REGULATORY COMMISSION

[Docket No. 50-293]

#### Entergy Nuclear Generation Company, Entergy Nuclear Operations, Inc.; Notice of Withdrawal of Application for Amendment to Facility Operating License

The U.S. Nuclear Regulatory Commission (the Commission or NRC) has granted the request of Entergy Nuclear Operations, Inc. (ENO or the licensee) to withdraw its January 16, 2004, application for a proposed amendment to Facility Operating License No. DPR-35 for the Pilgrim Nuclear Power Station, located in Plymouth County, Massachusetts. ENO supplemented its application by letter dated February 25, 2004.

The proposed amendment requested approval of an engineering evaluation performed in accordance with facility Technical Specification (TS) 3.6.D.3 to justify continued power operation with safety relief valve (SRV)—3A and SRV—3D discharge pipe temperatures exceeding 212 degrees Fahrenheit for greater than 24 hours as required by TS 3.6.D.4.

The Commission had previously issued a Notice of Consideration of Issuance of Amendment published in the **Federal Register** on February 17, 2004 (69 FR 7522). However, by letter

dated March 26, 2004, the licensee withdrew the request.

For further details with respect to this action, see the application for amendment dated January 16, 2004, as supplemented by letter dated February 25, 2004, and the licensee's letter dated March 26, 2004, which withdrew the application for license amendment. #### Radiac Research Corporation, Brooklyn, New York; Receipt of Request for Action Under 10 CFR 2.206

Notice is hereby given that by petition dated November 3, 2003, Mr. Michael B. Gerrard, representing Neighbors Against Garbage, *et al.* (petitioners), have requested that the Nuclear Regulatory Commission (NRC) take action with regard to Radiac Research Corporation Brooklyn, New York, a licensee with the New York State Department of Labor. By letter dated December 17, 2003, NRC staff informed Mr. Gerrard that his letter dated November 4, 2003, submitted on behalf of Neighbors Against Garbage, was being considered under 10 CFR Part 2.206 and that his request for emergency action had been denied.

The request meets the criteria for evaluation pursuant to 10 CFR 2.206 of the Commission's regulations and will be reviewed accordingly. The request has been referred to the Director of the Office of Nuclear Material Safety and Safeguards. As provided by Section 2.206, appropriate action will be taken on this petition within a reasonable time. A copy of the petition is available for inspection in the Agencywide Documents Access and Management System (ADAMS), which provides text and image files of NRC's public documents. **OFFICE OF MANAGEMENT AND BUDGET****Executive Office of the President; Draft Report of the Small Business Paperwork Relief Act Task Force**

**AGENCY:** Office of Management and Budget, Executive Office of the President.

**ACTION:** Notice and request for comments.

**Authority:** The Small Business Paperwork Relief Act (44 U.S.C. 3520).

**SUMMARY:** The Small Business Paperwork Relief Task Force requests comments on the attached Draft Report. In this Draft Report, the Small Business Paperwork Relief Task Force discusses and makes recommendations concerning the improvement of electronic dissemination of information collected under Federal requirements and a plan to develop an interactive Government-wide Internet program to identify applicable collections and facilitate compliance.

**DATES:** Submit comments on or before June 4, 2004.

**ADDRESSES:** Comments on this Draft Report should be addressed to Jonathan Koller, Office of E-Government and Information Technology. You are encouraged to submit these comments by facsimile to (202) 395-0342, or by electronic mail to [smallbiz@omb.eop.gov](mailto:smallbiz@omb.eop.gov).

**FOR FURTHER INFORMATION CONTACT:** Mr. Jack Koller, Office of Electronic Government and Information Technology, OMB Washington, DC 20503 (202) 395-4955. Inquiries may be submitted by facsimile to (202) 395-0342.

**SUPPLEMENTARY INFORMATION:** Under the SBPRA (44 U.S.C. 3520) Congress directed the Director of OMB to convene a Task Force to study the feasibility of streamlining requirements with respect to small business concerns regarding collection of information and strengthening dissemination of information (44 U.S.C. 3520, Pub. L. 107-198). More specifically, this Task Force is charged with examining five tasks designed to reduce the information collection burden placed by government on small businesses. These tasks are as follows:

1. Examine the feasibility and desirability of requiring the consolidation of information collection requirements within and across Federal agencies and programs, and identify ways of doing so.

2. Examine the feasibility and benefits to small businesses of having OMB publish a list of data collections organized in a manner by which they can more easily identify requirements with which they are expected to comply.

3. Examine the savings and develop recommendations for implementing electronic submissions of information to the Federal government with immediate feedback to the submitter.

4. Make recommendations to improve the electronic dissemination of information collected under Federal requirements.

5. Recommend a plan to develop an interactive Government-wide Internet program to identify applicable collections and facilitate compliance.

While carrying out its work, the Task Force is to consider opportunities for the coordination of Federal and State reporting requirements, and coordination among individuals who have been designated as the small business "point of contact" for their agencies.

On June 28, 2003, the Task Force submitted a report of its findings on the first three issues. This report, which addresses the final two issues, is required no later than two years after enactment, or June 28, 2004. Both reports must be submitted to the Director of OMB, the Small Business and Agriculture Regulatory Enforcement Ombudsman, and the Senate Committees on Governmental Affairs and Small Business and Entrepreneurship, and the House Committees on Government Reform and Small Business.

The Director of OMB appointed Dr. John D. Graham, Administrator of the Office of Information and Regulatory Affairs, and Ms. Karen S. Evans, Administrator for E-Government and Information Technology, to co-chair the Task Force.

The Act specifies the following agencies to be represented on the SBPRA Task Force: Department of Labor (including the Bureau of Labor Statistics, and the Occupational Safety and Health Administration); Environmental Protection Agency; Department of Transportation; Office of Advocacy of the Small Business Administration; Internal Revenue Service; Department of Health and Human Services (including the Centers for Medicare and Medicaid Services); Department of Agriculture; Department of the Interior; the General Services Administration; and two other participants to be selected by the Director of OMB (who are the Department of Commerce and additional representatives from the Small Business Administration).

The Task Force is now seeking input from all interested parties concerning the findings and recommendations contained in this draft report. All comments will be considered and may result in modifications to the final report. A summary of the public comments with responses of the Task
