(d) These actions are against propellers returned to service by Southern California Propeller Service. Southern California Propeller Service is not to be confused with propeller repair stations known as California Propeller or as Propeller Service of California. Southern California Propeller Service was issued Air Agency Certificate number of VXS617L in 1992, which was revoked in June of 1998.

(e) For Hartzell and McCauley propellers listed in Table 1 of this AD, any letter or number (or lack of a letter or number) could appear where open parentheses are shown in the model number. Model numbers could show any combination of letters or numbers where the model number shows parentheses with a series of numbers or letters.

(f) For propellers listed in Table 1 of this AD, that have been overhauled since being returned to service by Southern California Propeller Service by an authorized repair station other than Southern California Propeller Service, no further action is required.

Unsafe Condition

(g) This AD results from the investigation of a failed propeller blade and subsequent inspections of various propeller models returned to service by Southern California Propeller Service, of Inglewood, CA. We are issuing this AD to prevent blade failure that could result in separation of a propeller blade and loss of control of the airplane.

Uniform Capitalization of Interest Expense in Safe Harbor Sale and Leaseback Transactions

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Notice of proposed rulemaking by cross-reference to temporary regulations.

SUMMARY: In the Rules and Regulations section of this issue of the **Federal Register**, the IRS is issuing final and temporary regulations relating to the capitalization of interest expense in sale and leaseback transactions under the Economic Recovery Tax Act of 1981 (ERTA) safe harbor leasing provisions. The regulations affect taxpayers that provide purchase money obligations in connection with these transactions. The text of those regulations also serves as the text of these proposed regulations.

ADDRESSES: Send submissions to: CC:PA:LPD:RU (REG-148399-02), room 5203, Internal Revenue Service, POB 7604, Ben Franklin Station, Washington, DC 20044. SUPPLEMENTARY INFORMATION:

Background and Explanation of Provisions

Final and temporary regulations in the Rules and Regulations section of this issue of the **Federal Register** amend the Income Tax Regulations (26 CFR part 1) relating to section 263A(f) of the Internal Revenue Code (Code). The temporary regulations generally provide that a purchase money obligation given by the lessor to the lessee (or a party related to the lessee) in a safe harbor sale and leaseback transaction under former section 168(f)(8) is not "eligible debt" as defined in § 1.263A-9(a)(4). The text of those regulations also serves as the text of these proposed regulations. The preamble to the final and temporary regulations explains the amendments.

Special Analyses

It has been determined that this notice of proposed rulemaking is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. It also has been determined that section 553(b) of the Administrative Procedure Act (5 U.S.C. chapter 5) does not apply to these regulations, and, because the regulations do not impose a collection of information on small entities, the Regulatory Flexibility Act (5 U.S.C. chapter 6) does not apply. Pursuant to section 7805(f) of the Code, this notice of proposed rulemaking will be submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.

Comments and Requests for a Public Hearing

Before these proposed regulations are adopted as final regulations, consideration will be given to any written comments (a signed original and eight (8) copies) or electronic comments that are submitted timely to the IRS. The IRS and Treasury Department specifically request comments on the clarity of the proposed rule and how it may be made easier to understand. All comments will be available for public inspection and copying. A public hearing will be scheduled if requested

in writing by any person that timely submits written comments. If a public hearing is scheduled, notice of the date, time and place for the public hearing will be published in the **Federal Register**.

Drafting Information

The principal author of these regulations is Grant Anderson of the Office of Associate Chief Counsel (Income Tax & Accounting). However, other personnel from the IRS and Treasury Department participated in their development.
