## DEPARTMENT OF LABOR

### Employment and Training Administration

### Benefits, Timeliness, and Quality Data Collection System; Comment Request

**ACTION:** Notice; Request for comments.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with a provision of the Paperwork Reduction Act of 1995 at 44 U.S.C. 3506(c)(2)(A). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment and Training Administration is soliciting comments concerning the proposed extension of the Benefits Timeliness and Quality (BTQ) data collection system, which is part of the Unemployment Insurance (UI) performance measurement system.

The Department plans to issue a **Federal Register** notice (FRN) requesting comments on proposed changes to UI Performs. That FRN may overlap with this request for renewal of the data collection system. While the

proposed changes would shift emphasis of the Federal performance review, changes to the current BTQ data collection should be minimal and burden hours likely will not change.

**DATES:** Submit comments on or before August 2, 2004.

**ADDRESSES:** Send comments to Ms. Geri Oberloh, U.S. Department of Labor, 200 Constitution Avenue, NW., Room S-4522, Washington, DC 20210, (202) 693-3194. (This is not a toll-free number.) E-mail comments to [Oberloh.Geri@dol.gov](mailto:Oberloh.Geri@dol.gov); or fax to (202) 693-3975.

**FOR FURTHER INFORMATION CONTACT:** Ms. Geri Oberloh, U.S. Department of Labor, 200 Constitution Avenue, NW., Room S-4522, Washington, DC 20210, (202) 693-3194. (This is not a toll-free number.) E-mail [Oberloh.Geri@dol.gov](mailto:Oberloh.Geri@dol.gov); or fax to (202) 693-3975.

### SUPPLEMENTARY INFORMATION:

#### I. Background

The Secretary of Labor under the Social Security Act, title III, section 302 (42 U.S.C. 502), funds the necessary cost of proper and efficient administration of each state UI law. The BTQ program collects information and analyzes data to do this. The BTQ measures look at timeliness and quality of states' performance, various administrative actions and administrative decisions concerning UI benefit operations.

#### II. Desired Focus of Comments

Currently, the Department is soliciting comments concerning the proposed extension of the collection of benefits timeliness and quality reports which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed above in the addressee section of this notice.
