*B. How Can I Get Copies of This Document and Other Related Information?*

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPP-2004-0149. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. Once in the system, select "search," then key in the appropriate docket ID number.

## II. Contractor Requirements

Under Contract No. 4D-5094-NBSX, the contractor will perform the following: provide software development and related support services to the Office of Pesticide Programs in support of the redevelopment and enhancement of the OPP system known as the OPPIN Query Tool in order to make OPPIN information readily available to the general public, to comply with requirements of section 508 of the Americans with Disabilities Act, and enhance the software based on written specifications provided by the Office of Pesticide Programs.

This contract involves no subcontractors.

The OPP has determined that the contracts described in this document involve work that is being conducted in connection with FIFRA, in that pesticide chemicals will be the subject of certain evaluations to be made under this contract. These evaluations may be used in subsequent regulatory decisions under FIFRA.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(3), the contracts with Systalex Corporation, prohibits use of the information for any purpose not specified in these contracts; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the *FIFRA Information Security Manual*. In addition, Systalex Corporation is required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Systalex Corporation until the requirements in this document have been fully satisfied. Records of information provided to Systalex Corporation will be maintained by EPA Project Officers for these contracts. All information supplied to Systalex Corporation by EPA for use in connection with these contracts will be returned to EPA when Systalex Corporation has completed its work.

## List of Subjects

Environmental protection, Business and industry, Government contracts, Government property, Security measures.

Dated: May 25, 2004.

**Robert Forrest,**

### Science Advisory Board Staff Office Clean Air Scientific Advisory Committee (CASAC) Notification of Advisory Committee Meeting of the CASAC Particulate Matter Review Panel

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** The Environmental Protection Agency (EPA) Science Advisory Board (SAB) Staff Office announces a public meeting of the Clean Air Scientific Advisory Committee's (CASAC) Particulate Matter (PM) Review Panel to discuss follow-on matters related to its ongoing peer review of the *EPA Air Quality Criteria Document for Particulate Matter (Fourth External Review Draft)*.

**DATES:** The meeting will be held July 20, 2004, from 8:30 a.m. to 5:30 p.m. (eastern time), and July 21, 2004, from 8:30 a.m. to 12 p.m. (eastern time).

**Location:** The meeting will take place at the Embassy Suites Hotel, Raleigh-Durham-Research Triangle East, 201 Harrison Oaks Boulevard, Cary, North Carolina. A publicly-accessible teleconference line will be available for the entire meeting.

**FOR FURTHER INFORMATION CONTACT:** Any member of the public who wishes to obtain the teleconference call-in numbers and access codes; would like to submit written or brief oral comments (5 minutes or less); or wants further information concerning this meeting, must contact Mr. Fred Butterfield, Designated Federal Officer (DFO), EPA Science Advisory Board (1400F), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue, NW., Washington, DC 20460; via telephone/voice mail: (202) 343-9994; fax: (202) 233-0643; or e-mail at: [butterfield.fred@epa.gov](mailto:butterfield.fred@epa.gov). General information concerning the CASAC or the EPA Science Advisory Board can be found on the EPA Web site at: <http://www.epa.gov/sab>.

## SUPPLEMENTARY INFORMATION:

**Summary:** The CASAC, which comprises seven members appointed by the EPA Administrator, was established under section 109(d)(2) of the Clean Air Act (42 U.S.C. 7409) as an independent scientific advisory committee, in part to provide advice, information and recommendations on the scientific and technical aspects of issues related to air quality criteria and national ambient air

quality standards (NAAQS) under sections 108 and 109 of the Act. The CASAC is a Federal advisory committee chartered under the Federal Advisory Committee Act (FACA), as amended, 5 U.S.C., App. The CASAC PM Review Panel will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

The meeting is a continuation of the PM Review Panel's peer review of the *EPA Air Quality Criteria for Particulate Matter (Fourth External Review Draft)*. The CASAC PM Review Panel's reports, comments and recommendations from its last two reviews concerning this draft document can be found on the SAB Web site, as follows: (1) August 25–26, 2003 meeting, <http://www.epa.gov/sab/pdf/casac104002.pdf>; and (2) February 3, 2004 teleconference, [http://www.epa.gov/sab/pdf/casac\\_04005.pdf](http://www.epa.gov/sab/pdf/casac_04005.pdf). Specifically, this meeting will be held to discuss the revisions to Chapter 7 (Toxicology of Particulate Matter in Humans and Laboratory Animals); Chapter 8 (Epidemiology of Human Health Effects Associated with Ambient Particulate Matter); and Chapter 9 (Integrative Synthesis) of the Fourth External Review Draft of the Air Quality Criteria Document (AQCD) for PM.

**Background:** EPA is in the process of updating, and revising where appropriate, the AQCD for PM as issued in 1996. Section 109(d)(1) of the Clean Air Act (CAA) requires that EPA carry out a periodic review and revision, where appropriate, of the air quality criteria and the National Ambient Air Quality Standards (NAAQS) for "criteria" air pollutants such as PM. On June 30, 2003, the National Center for Environmental Assessment (NCEA), within EPA's Office of Research and Development, made available for public review and comment a Fourth External Review Draft of a revised document, *EPA Air Quality Criteria for Particulate Matter*. Under CAA sections 108 and 109, the purpose of the revised document is to provide an assessment of the latest scientific information on the effects of airborne PM on the public health and welfare, for use in EPA's current review of the NAAQS for PM. Detailed summary information on the history of the current draft AQCD for PM is contained in a previous **Federal Register** notice (68 FR 36985, June 20, 2003). The *EPA Air Quality Criteria for Particulate Matter (Fourth External Review Draft)* and revised chapters of this draft document can be viewed and downloaded from the NCEA Web site at: <http://cfpub.epa.gov/ncea/cfm/partmatt.cfm>. Any questions concerning the draft document should be directed to Dr. Robert Elias, NCEA–RTP, via

telephone: (919) 541–1818; or e-mail at: [elias.robert@epa.gov](mailto:elias.robert@epa.gov).

**Availability of Additional Meeting Materials:** Copies of the draft agendas for the meetings that are described in this notice will be posted on the SAB Web site at: <http://www.epa.gov/sab> (under the "Agendas" subheading) in advance of the CASAC PM Review Panel meeting. Other materials that may be available will also be posted on the SAB Web site during this time-frame.

**Providing Oral or Written Comments at SAB Meetings:** It is the policy of the SAB Staff Office to accept written public comments of any length, and to accommodate oral public comments whenever possible. The SAB Staff Office expects that public statements presented at its meetings will not be repetitive of previously-submitted oral or written statements.

**Oral Comments:** In general, each individual or group requesting an oral presentation at a face-to-face meeting will be limited to a total time of five minutes (unless otherwise indicated). Requests to provide oral comments must be *in writing* (e-mail, fax or mail) and received by Mr. Butterfield no later than noon Eastern Time five business days prior to the meeting in order to reserve time on the meeting agenda. Speakers should bring at least 75 copies of their comments and presentation slides for distribution to the reviewers and public at the meeting.

**Written Comments:** Although the SAB Staff Office accepts written comments until the date of the meeting (unless otherwise stated), written comments should be received in the SAB Staff Office no later than noon Eastern Time five business days prior to the meeting so that the comments may be made available to the CASAC PM Review Panel for their consideration. Comments should be supplied to Mr. Butterfield (preferably via e-mail) at the address/contact information noted above, as follows: one hard copy with original signature, and one electronic copy via e-mail (acceptable file format: Adobe Acrobat PDF, WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 95/98 format)). Those providing written comments and who attend the meeting are also asked to bring 75 copies of their comments for public distribution.

**Meeting Access:** Individuals requiring special accommodation at this meeting, including wheelchair access to the conference room, should contact Mr. Butterfield at the phone number or e-mail address noted above at least five business days prior to the meeting so that appropriate arrangements can be made.

Dated: June 20, 2004.

**Vanessa T. Vu,**

*Director, EPA Science Advisory Board Staff Office.*

## ENVIRONMENTAL PROTECTION AGENCY

[OPP–2004–0131; FRL–7363–7]

### Notice of Receipt of Requests To Voluntarily Cancel Certain Pesticide Registrations; Extension of Comment Period

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice; extension of public comment period.

**SUMMARY:** EPA issued a notice in the **Federal Register** of May 7, 2004, concerning receipt of requests by a registrant to voluntarily cancel certain pesticide registrations. This document is extending the public time period during which the registrant may withdraw the requests for 14 days, from June 7, 2004, to June 21, 2004.

**DATES:** Unless the registrant withdraws by June 21, 2004, the request for voluntary cancellation for EPA Registration number(s): 264–577, 264–576, and 264–580, orders will be issued canceling these registrations.

**ADDRESSES:** Registrants should submit such withdrawal in writing to the person listed under **FOR FURTHER INFORMATION CONTACT**.

**FOR FURTHER INFORMATION CONTACT:** Ann Sibold, Registration Division (7505C), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460–0001; telephone number: (703) 305–6502; e-mail address: [sibold.ann@epa.gov](mailto:sibold.ann@epa.gov).

#### SUPPLEMENTARY INFORMATION:

##### I. General Information

###### A. Does This Action Apply to Me?

The Agency included in the notice a list of those who may be potentially affected by this action. If you have questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

###### B. How Can I Get Copies of This Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number
