This \$1.5 million award will be for a 36-month period of performance. In addition, this initiative may be funded for up to two (2) additional option years at approximately \$500,000 per year, depending on performance, identified need and the availability of future funding.

I. Funding Opportunity Description and Authority

The overall purpose of CHETA is to create a technical assistance capability designed to assist DOL's currently

funded "Ending Chronic Homelessness through Employment and Housing" awardees, an initiative cooperatively sponsored by ODEP and the Veterans Employment and Training Service (VETS), meet customized employment-related program goals and to collect and disseminate information on how best to meet the customized employment needs of persons who are chronically homeless. (See the full definition for persons who are chronic homeless and customized employment at the end of this section).

Authority: Consolidated Appropriations Resolution, 2004, Pub. L. 108-7, 117 Stat. 11 (2003).

The ODEP anticipates awarding one cooperative agreement for \$1.5 million, for a 36-month period of performance. In addition this initiative may be funded for up to two (2) additional option years at approximately \$500,000 per year, depending on performance, identified need, and the availability of future funding. CHETA will primarily support the delivery of intensive employment-related technical assistance services to DOL's five (5) "Ending Chronic Homelessness" awardees identified in this solicitation, and, in turn share what is learned through these grants with other interested entities, especially the workforce development system. In addition, CHETA's technical assistance efforts will help to inform policy efforts in this area of concern.

This ODEP Cooperative Agreement anticipates substantial involvement between ODEP and the awardee during the performance of this project. Involvement will include collaboration or participation by ODEP in the overall direction of the project throughout the period of the award. The ODEP will provide expertise and guidance in decisions involving strategic planning (including development of a proactive plan to deliver technical assistance to the "Ending Chronic Homelessness" awardees), allocation of resources, key personnel decisions, development of public information materials, and analysis and implementation of evaluation findings.

Recently, the DOL (ODEP and VETS), in cooperation with the Department of Housing and Urban Development (HUD), issued a solicitation for cooperative agreement applications, "Ending Chronic Homelessness Through Employment and Housing." See 68 FR 42818 (July 18, 2003) or visit <http://www2.dol.gov/odep/archives/archive.htm>.
