DEPARTMENT OF THE INTERIOR

National Park Service

Notice of Inventory Completion: The University Museum, University of Arkansas, Fayetteville, AR

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession of The University Museum, University of Arkansas, Fayetteville, AR. The human remains were removed from an unknown site presumed to be in Alaska.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National

Park Service is not responsible for the determinations in this notice.

A detailed assessment of the human remains was made by University of Arkansas professional staff in consultation with representatives of the Bering Straits Foundation, a nonprofit organization representing the interests of the Bering Straits Native Corporation. Representatives of the Bristol Bay Native Corporation; Calista Corporation; Koniag, Inc.; NANA Regional Corporation; and North Slope Borough, a governmental organization that represents the interests of Arctic Slope Regional Corporation, were also invited to consult but did not participate.

At an unknown date, human remains representing one individual were recovered from an unknown site presumed to be in Alaska. The human remains had become part of the University of Arkansas collection by 1960. The human remains consist of a skull and lower jaw of an approximately 20- to 34-year-old male. A catalog card identifies the human remains as an "skimo skull."

Eskimo, a term of uncertain derivation, was widely used to refer to Inupiaq- and Yup'ik-speaking Alaska Native populations of northern and western Alaska. Today, Alaska Natives are represented at the local level by village councils and corporations and at the regional level by regional corporations. The regional corporations with sizeable Inupiaq and Yup'ik populations are the Arctic Slope Regional Corporation; Bering Straits Native Corporation; Bristol Bay Native Corporation; Calista Corporation; Koniag, Inc.; and NANA Regional Corporation.

Officials of the University of Arkansas have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of one individual of Native American ancestry. Officials of the University of Arkansas also have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Arctic Slope Regional Corporation; Bering Straits Native Corporation; Bristol Bay Native Corporation; Calista Corporation; Koniag, Inc.; and NANA Regional Corporation.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains should contact Mary Suter, Curator of Collections, The University Museum, University of Arkansas, Museum Building, Fayetteville, AR 72701, telephone (479) 575-3456, before July

21, 2004. Repatriation of the human remains to the Arctic Slope Regional Corporation; Bering Straits Native Corporation; Bristol Bay Native Corporation; Calista Corporation; Koniag, Inc.; and NANA Regional Corporation may proceed after that date if no additional claimants come forward.

The University of Arkansas is responsible for notifying the Arctic Slope Regional Corporation; Bering Straits Foundation; Bering Straits Native Corporation; Bristol Bay Native Corporation; Calista Corporation; Koniag, Inc.; NANA Regional Corporation; and North Slope Borough that this notice has been published.

SUPPLEMENTARY INFORMATION:

Background

On June 4, 2004, the Commission determined that the domestic interested party group response to its notice of institution (69 FR 9638, March 1, 2004) of the subject five-year review was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.

Staff Report

A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on July 1, 2004, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written Submissions

As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before July 7, 2004 and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information)

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

² The Commission has found the responses submitted by Arvesta Corp.; Ashta Chemicals, Inc.; Niklor Chemical Co., Inc.; and Trinity Manufacturing, Inc. to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

pertinent to the review by July 7, 2004. However, should the Department of Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 Fed. Reg. 68036 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination

The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).
