

§ 127.003 [Amended]

■ 18. In § 127.003(a), remove the words “on file”, and add, in their place, the words “available for inspection”.

PART 140—GENERAL

■ 19. The authority citation for part 140 is revised to read as follows:

Authority: 43 U.S.C. 1333, 1348, 1350, 1356; Department of Homeland Security Delegation No. 0170.1.

§ 140.7 [Amended]

■ 20. In § 140.7(a), remove the words “on file”, and add, in their place, the words “available for inspection”.

PART 154—FACILITIES TRANSFERRING OIL OR HAZARDOUS MATERIAL IN BULK

■ 21. The authority citation for part 154 is revised to read as follows:

Authority: 33 U.S.C. 1231, 1321(j)(1)(C), (j)(5), (j)(6), and (m)(2); sec. 2, E.O. 12777, 56 FR 54757; Department of Homeland Security Delegation No. 0170.1. Subpart F is also issued under 33 U.S.C. 2735.

§ 154.106 [Amended]

■ 22. In § 154.106(a), remove the words “on file”, and add, in their place, the words “available for inspection”.

PART 161—VESSEL TRAFFIC MANAGEMENT

■ 23. The authority citation for part 161 continues to read as follows:

Authority: 33 U.S.C. 1223, 1231; 46 U.S.C. 70114, 70117; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1.

§ 161.12 [Amended]

■ 24. In § 161.12(c), in Table 161.12(c), in the third column of the three “New York Traffic” rows, insert the degree symbol, “°”, immediately after, “40” and “74”, wherever those numbers appear.

PART 164—NAVIGATION SAFETY REGULATIONS

■ 25. The authority citation for part 164 is revised to read as follows:

Authority: 33 U.S.C. 1222(5), 1223, 1231; 46 U.S.C. 2103, 3703; Department of Homeland Security Delegation No. 0170.1. Sec. 164.13 also issued under 46 U.S.C. 8502. Sec. 164.61 also issued under 46 U.S.C. 6101.

§ 164.03 [Amended]

■ 26. In § 164.03(a), remove the words “on file”, and add, in their place, the words “available for inspection”.

PART 169—SHIP REPORTING SYSTEMS

■ 27. The authority citation for part 169 is revised to read as follows:

Authority: 33 U.S.C. 1230(d), Department of Homeland Security Delegation No. 0170.1.

PART 169—[AMENDED]

■ 28. In the Table of Contents for part 169, insert the words, “Subpart A—General” immediately after the title of the part and before the listing of sections.

PART 174—STATE NUMBERING AND CASUALTY REPORTING SYSTEMS

■ 29. The authority citation for part 174 is revised to read as follows:

Authority: 46 U.S.C. 6101, 12302; Department of Homeland Security Delegation No. 0170.1.

§ 174.121 [Amended]

■ 30. In § 174.121, remove the abbreviation “(G–OCC)”, and add, in its place, the abbreviation “(G–OPB)”.

PART 181—MANUFACTURER REQUIREMENTS

■ 31. The authority citation for part 181 is revised to read as follows:

Authority: 46 U.S.C. 4302 and 4310; Pub. L. 103–206, 107 Stat. 2439; Department of Homeland Security Delegation No. 0170.1.

§ 181.4 [Amended]

■ 32. In § 181.4(a), remove the words “on file”, and add, in their place, the words “available for inspection”.

PART 183—BOATS AND ASSOCIATED EQUIPMENT

■ 33. The authority citation for part 183 continues to read as follows:

Authority: 46 U.S.C. 4302; Pub. L. 103–206, 107 Stat. 2439; Department of Homeland Security Delegation No. 0170.1.

§ 183.5 [Amended]

■ 34. In § 183.5(a), remove the words “on file”, and add, in their place, the words “available for inspection”.

Dated: June 17, 2004.

Howard L. Hime,

Acting Director of Standards, Marine Safety, Security and Environmental Protection, U.S. Coast Guard.

BILLING CODE 4910–15–P

DEPARTMENT OF HOMELAND SECURITY**Coast Guard****33 CFR Part 165**

[CGD09–04–030]

RIN 1625–AA00

Safety Zone; Heart Island, Alexandria Bay, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone in the vicinity of Heart Island. This safety zone is necessary to ensure the safety of spectators and vessels from the hazards associated with fireworks displays. This safety zone is intended to restrict vessel traffic from a portion of the St. Lawrence River, Heart Island, Alexandria Bay, New York.

DATES: This rule is effective from 9:30 p.m. until 11:30 p.m. (local) on July 4, 2004.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket (CGD09–04–030) and are available for inspection or copying at: U.S. Coast Guard Marine Safety Office Buffalo, 1 Fuhrmann Blvd, Buffalo, New York 14203, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LT Craig A. Wyatt, U.S. Coast Guard Marine Safety Office Buffalo, at (716) 843–9570.

SUPPLEMENTARY INFORMATION:**Regulatory Information**

We did not publish a notice of rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing an NPRM. The permit application was not received in time to publish an NPRM followed by a final rule before the effective date. Delaying this rule would be contrary to the public interest of ensuring the safety of spectators and vessels during this event and immediate action is necessary to prevent possible loss of life or property. The Coast Guard has not received any complaints or negative comments previously with regard to this event.

Background and Purpose

Temporary safety zones are necessary to ensure the safety of vessels and spectators from the hazards associated with fireworks displays. Based on recent accidents that have occurred in other

Captain of the Port zones, and the explosive hazard of fireworks, the Captain of the Port Buffalo has determined fireworks launches in close proximity to watercraft pose significant risks to public safety and property. The likely combination of large numbers of recreational vessels, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Establishing a safety zone to control vessel movement around the locations of the launch platforms will help ensure the safety of persons and property at these events and help minimize the associated risk.

The safety zone consists of all navigable waters of the St Lawrence River within a 300-yard radius of the fireworks display on Heart Island located in position 44°20'40" N, 075°55'21" W. All Geographic coordinates are North American Datum of 1983 (NAD 83). The size of this zone was determined using the National Fire Prevention Association guidelines and local knowledge concerning wind, waves, and currents.

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or his designated on-scene patrol representative. The designated on-scene patrol representative will be the patrol commander. Entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.

Regulatory Evaluation

This rule is not a "significant regulatory action" under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. The Office of Management and Budget has not reviewed it under that order. It is not significant under the regulatory policies and procedures of the Department of Homeland Security (DHS).

This determination is based on the minimal time that vessels will be restricted from the zone, and therefore minor if any impacts to Mariners.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this rule would have a significant impact on a substantial number of small entities. The term "small entities" comprises small

businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000.

The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

This rule will affect the following entities, some of which might be small entities: The owners or operators of commercial vessels intending to transit a portion of an activated safety zone.

This safety zone will not have a significant economic impact on a substantial number of small entities for the following reasons: This safety zone is only in effect from 9:30 p.m. until 11:30 p.m. (local) on the day of the event.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this rule would have a significant economic impact on it, please submit a comment (*see ADDRESSES*) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule so that they can better evaluate its effects and participate in the rulemaking process. If the rule will affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact Marine Safety Office Buffalo (*see ADDRESSES*.)

Small businesses may send comments on actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247).

Collection of Information

This rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

We have analyzed this rule under Executive Order 13132 and have

determined that this rule does not have implications for federalism under that Order.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This rule will not effect a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

Civil Justice Reform

This rule meets applicable standards in sections 3(a) and 3(b) (2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

The Coast Guard has analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and does not concern an environmental risk to health or risk to safety that may disproportionately affect children.

Environment

We have considered the environmental impact of this rule and concluded that under figure 2–1, paragraph (34)(g), of Commandant Instruction M16475.1D, this rule is categorically excluded from further environmental documentation. A written categorical exclusion determination is available in the docket for inspection or copying where indicated under *ADDRESSES*.

Indian Tribal Governments

This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal government and Indian tribes, or on the distribution of power and

responsibilities between the Federal government and Indian tribes.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (*e.g.*, specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Energy Effects

We have analyzed this rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a "significant energy action" under that order because it is not a "significant regulatory action" under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. It has not been designated by the Administrator of the Office of Information and Regulatory Affairs as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

■ For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1226, 1231; 46 U.S.C. Chapter 701; 50 U.S.C. 191, 195; 33 CFR 1.05–1(g), 6.04–1, 6.04–6, and 160.5; Pub. L. 107–295, 116 Stat. 2064; Department of Homeland Security Delegation No. 0170.1

■ 2. A new temporary § 165.T09–030 is added to read as follows:

§ 165.T09–030 Safety Zone; Heart Island, Alexandria Bay, NY.

(a) *Location.* The following area is a temporary safety zone: all waters of the St Lawrence River within a 300-yard radius of the fireworks display on Heart Island located in position 44°20'40" N, 075°55'21" W (NAD 83).

(b) *Effective period.* This section is effective from 9:30 p.m. until 11:30 p.m. (local) on July 4, 2004.

(c) *Regulations.* In accordance with the general regulations in § 165.23 of this part, entry into this safety zone is prohibited unless authorized by the Coast Guard Captain of the Port Buffalo, or his designated on-scene representative.

Dated: June 1, 2004.

P.M. Gugg,

Commander, U.S. Coast Guard, Captain of the Port Buffalo.

Coast Guard

33 CFR Part 165

[CGD09–04–031]

RIN 1625–AA00

Safety Zone; Lake Oneida, Brewerton, NY

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone encompassing the navigable waters of Lake Oneida. This safety zone is necessary to ensure the safety of spectators and vessels from the hazards associated with fireworks displays. This safety zone is intended to restrict vessel traffic from a portion of Lake Oneida, Brewerton, New York.

DATES: This rule is effective from 9:30 p.m. until 11:30 p.m. (local) on July 3, 2004.

ADDRESSES: Comments and material received from the public, as well as documents indicated in this preamble as being available in the docket, are part of docket (CGD09–04–031) and are available for inspection or copying at: U.S. Coast Guard Marine Safety Office Buffalo, 1 Fuhrmann Blvd., Buffalo, New York 14203, between 8 a.m. and 4 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: LT Craig A. Wyatt, U.S. Coast Guard Marine Safety Office Buffalo, at (716) 843–9570.

SUPPLEMENTARY INFORMATION:

Regulatory Information

We did not publish a notice of rulemaking (NPRM) for this regulation. Under 5 U.S.C. 553(b)(B) and under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for not publishing an NPRM and for making this rule effective less than 30 days after publication in the **Federal Register**. The permit application was not received in time to publish an NPRM followed by a final rule before the effective date. Delaying this rule would be contrary to the public interest of ensuring the safety of spectators and vessels during this event and immediate action is necessary to prevent possible loss of life or property. The Coast Guard has not received any complaints or negative comments previously with regard to this event.

Background and Purpose

Temporary safety zones are necessary to ensure the safety of vessels and spectators from the hazards associated with fireworks displays. Based on recent accidents that have occurred in other Captain of the Port zones, and the explosive hazard of fireworks, the Captain of the Port Buffalo has determined fireworks launches in close proximity to watercraft pose significant risks to public safety and property. The likely combination of large numbers of recreational vessels, congested waterways, darkness punctuated by bright flashes of light, alcohol use, and debris falling into the water could easily result in serious injuries or fatalities. Establishing a safety zone to control vessel movement around the locations of the launch platforms will help ensure the safety of persons and property at these events and help minimize the associated risk.

The safety zone consists of all navigable waters of Lake Oneida within a 200-yard radius of the fireworks display around a barge located in position 43°14'15" N, 076°08'03" W. All Geographic coordinates are North American Datum of 1983 (NAD 83). The size of this proposed zone was determined using the National Fire Prevention Association guidelines and local knowledge concerning wind, waves, and currents.

All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or his designated on-scene patrol representative. The designated on-scene patrol representative will be the patrol commander. Entry into, transiting, or anchoring within this safety zone is prohibited unless authorized by the
