

appointed by the IHS to review and make recommendations on these applications. The review will be conducted in accordance with the IHS Objective Review Guidelines. The technical review process ensures selection of quality projects in a national competition for limited funding. Applications will be evaluated and rated on the basis of the evaluation criteria listed in Section V.1. The criteria are used to evaluate the quality of a proposed project, determine the likelihood of success, and assign a numerical score to each application. The scoring of approved applications will assist the IHS in determining which proposals will be funded if the amount of TSGP funding is not sufficient to support all approved applications. Applications recommended for approval, having a score of 60 or above by the ORC and scored high enough to be considered for funding, are forwarded by the Division of Grants Management for cost analysis and further recommendation. The program official forwards the final approved list to the IHS Director for final review and approval. Applications scoring below 60 points will be disapproved and returned to the applicant.

Note: In making final selections, the IHS Director will consider the ranking factor and the status of the applicant's single audit reports. The comments from the ORC will be advisory only. The IHS Director will make a final decision on awards.

VI. Award Administration Information

1. Award Notices

Notification: September 15, 2004

Applicants who are approved but unfunded and disapproved will receive a copy of the Executive Summary which identifies the weaknesses and strengths of the application submitted. Applicants which are approved and funded will be notified through the official Notice of Grant Award (NGA) document. The NGA will serve as the official notification of a grant award and will state the amount of Federal funds awarded, the purpose of the grant, the terms and conditions of the grant award, the effective date of the award, the project period, and the budget period. Any other correspondence announcing to the Project Director that an application was selected is not an authorization to begin performance. Any costs incurred before receipt of the NGA are at the recipient's risk and may be reimbursed only to the extent considered allowable pre-award costs.

2. Administrative and National Policy Requirements

Grants are administered in accordance with the following documents:

- This grant announcement.
- Health and Human Services regulations governing Pub. L. 93-638 grants at 42 CFR 36.101 *et seq.*
- 45 CFR part 92, "Department of Health and Human Services, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments Including Indian Tribes," or 45 CFR part 74, "Administration of Grants to Non-Profit Recipients."
- Public Health Service Grants Policy Statement.
- Grants Policy Directives.
- Appropriate Cost Principles: OMB Circular A-87, "State and Local Governments," or OMB Circular A-122, "Non-profit Organizations."
- OMB Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations."
- Other Applicable OMB Circulars.

3. Reporting

A. Progress Report. Program progress reports are required semi-annually. These reports will include a brief comparison of actual accomplishments to the goals established for the period, reasons for slippage (if applicable), and other pertinent information as required. A final report must be submitted within 90 days of expiration of the budget/project period.

B. Financial Status Report. Semi-annual financial status reports must be submitted within 30 days of the end of the half year. Final financial status reports are due within 90 days of expiration of the budget/project period. Standard Form 269 (long form) will be used for financial reporting.

VII. Agency Contact(s)

Interested parties may obtain TSGP programmatic information from Ms. Mary E. Trujillo through the information listed on page seven of this application kit. Grant related and business management information may be obtained from Ms. Patricia Spotted Horse through the information listed on page seven of this application kit. Please note that the telephone numbers provided are not toll free.

VIII. Other Information

The Public Health Service (PHS) strongly encourages all grant and contract recipients to provide a smoke-free workplace and promote the non-use of all tobacco products. In addition, Public Law 103-227, the Pro-Children Act of 1994, prohibits smoking in

certain facilities (or in some cases, any portion of the facility) in which regular or routine education, library, day care, health care or early childhood development services are provided to children. This is consistent with the PHS mission to protect and advance the physical and mental health of the American people.

Dated: June 17, 2004.

Eugenia Tyner-Dawson,
Acting Deputy Director, Indian Health Service.
