

concurrence of the SEA, that the LEA is located in an area defined as rural by a governmental agency of the State.

The SRSA spreadsheets on the Department's Web site at <http://www.ed.gov/offices/OESE/reap.html> identify which LEAs meet these requirements and are eligible to participate in the SRSA program.

Which Eligible LEAs Need Not Submit an Additional Application To Receive a FY 2004 SRSA Grant Award?

Under the regulations in 34 CFR 75.104(a), the Secretary makes grants only to an eligible party that submits an application. Given the limited purpose served by an application under this program, the Secretary considers this requirement to be met if—

(1) The LEA received a FY 2003 SRSA grant award; and

(2) The LEA had drawn down at least 80 percent of its FY 2002 award by June 30, 2004, if it received a FY 2002 SRSA grant award.

In this circumstance, unless the LEA advises the Secretary by the application deadline that it is withdrawing its application, the Secretary deems the application that the LEA previously submitted to remain in effect for FY 2004 funding, and the LEA does not have to submit an additional application. All other eligible LEAs must submit a new application to receive a FY 2004 grant award.

We have provided on the Department's Web site at <http://www.ed.gov/offices/OESE/reap.html> a list of LEAs eligible for FY 2004 funds. The Web site also indicates which of these eligible LEAs must submit a new application to the Department to receive their FY 2004 SRSA grant award, and which eligible LEAs are considered already to have met the application requirement.

Eligible LEAs that must submit a new application in order to receive FY 2004 SRSA funding must do so electronically by the deadline established in this notice.

Electronic Submission of Applications

Unless it is listed on the Department's Web site as not required to submit a new application, an eligible LEA that seeks FY 2004 SRSA funding must submit an electronic application by July 30, 2004, 4:30 pm eastern time. Submission of an electronic application involves the use of the Department's Electronic Grant Application System (e-Application) available through the Department's e-GRANTS system.

You can access the electronic application for the SRSA Program at: <http://e-grants.ed.gov>.

Once you access this site, you will receive specific instructions regarding the information to include in your application.

The regular hours of operation of the e-Grants Web site are 6 a.m. Monday until 7 p.m. Wednesday; and 6 a.m. Thursday until midnight, Saturday (Washington, DC time). Please note that the system is unavailable on Sundays, and after 7 p.m. on Wednesdays for maintenance (Washington, DC time).

We are also interested in hearing from individuals concerning how well the existing Federal research programs are responding to the changing needs of individuals with disabilities. We are interested in comments covering a range of areas, including but not limited to employment, community life, education, technology and health. SUPPLEMENTARY INFORMATION: The Interagency Committee on Disability Research (ICDR), authorized by the Rehabilitation Act of 1973, as amended, promotes coordination and cooperation among Federal departments and agencies conducting disability and rehabilitation research programs. Representatives of 35 Federal entities regularly participate in the ICDR. In addition to the full committee, five subcommittees address specific issues: Disability Statistics, Medical Rehabilitation, Technology, Technology Transfer and the New Freedom Initiative. The goals of the ICDR and its Subcommittees are to: (1) Increase public input and involvement in ICDR deliberations to ensure research efforts lead to solutions for identified needs, (2) improve the visibility of the ICDR and Federal disability research in general, (3) identify and solve common problems through collaboration among agencies, and (4) initiate and monitor activities involving interagency coordination and cooperation in support of the New Freedom Initiative.

According to statute (Rehabilitation Act of 1973, as amended): "After receiving input from individuals with disabilities and the individuals' representatives, the Committee shall identify, assess, and seek to coordinate

all Federal programs, activities, and projects, and plans for such programs, activities, and projects with respect to the conduct of research related to rehabilitation of individuals with disabilities."
