(b) Each sealed bid shall be accompanied by a certified check, money order, bank draft, or cashier's check made payable to the order of the Bureau of Land Management, for not less than 10 percent or more than 30 percent of the amount bid. The highest qualified sealed bid for each parcel will become the starting bid at the oral auction. If no sealed bids are received, oral bidding will begin at the fair market value, as determined by the authorized officer.

6. All parcels will be put up for competitive sale by oral auction beginning at 10 a.m., P.d.t., September 15, 2004, in the BLM Elko Field Office Main Conference Room, 3900 East Idaho Street, Elko, Nevada. Interested parties who will not be bidding are not required to register. If you are at the auction to conduct business with the high bidders or are there to observe the process, should seating become limited, you may be asked to relinquish your seat in order to provide seating for all bidders before the auction begins.

7. All oral bidders are required to register. Registration for oral bidding will begin at 8 a.m., P.d.t., on the day of the sale and will end at 10 a.m. P.d.t. You may pre-register by mail or fax by completing the form located in the sale folder and also available at the BLM Elko Field Office.

8. On the day of the sale, pre-registered bidders may present a photo identification card and receive a bidder number. All other bidders will be asked for additional information along with your photo identification card. Upon completion of registration you will be given a bidder number. If you are a successful bidder, you will be asked for a 20 percent deposit of the bid to be paid, before the close of business of the sale date.

9. The highest qualifying bid for any parcel, whether sealed or oral, will be declared the high bid. The apparent high bidder, if an oral bidder, must submit the full deposit amount to a BLM Collection Officer by 4:30 p.m., P.d.t., on the day of the sale either in the form of cash or a personal check, bank draft, cashier's check, money order or any combination thereof, made payable to the order of the Bureau of Land Management, for not less than 20 percent of the amount of the successful bid. If not paid by the close of the

Personal checks will not be accepted for the remaining balance. Failure to pay the full price within the 180 days will disqualify the apparent high bidder and cause the entire bid deposit to be forfeited to the BLM.

11. Oral bids will be considered only if received at the place of sale and made at least for the fair market value as determined by the Authorized Officer.

12. The BLM may accept or reject any or all offers, or withdraw any parcel of land or interest therein from sale, if, in the opinion of the Authorized Officer, consummation of the sale would not be fully consistent with FLPMA or other applicable laws or are determined not to be in the public interest.

13. If not sold, any parcel described above in this Notice may be identified for sale at a later date without further legal notice. Unsold parcels may be put up for sale at future auctions without additional legal notice. Upon publication of this notice and until completion of the sale, the BLM is no longer accepting land use applications affecting any parcel identified for sale. However, land use applications may be considered after completion of the sale for parcels that are not sold through the sealed or oral bidding procedures, provided the authorization will not adversely affect the marketability or value of the parcel.

14. Federal law requires bidders to be U.S. citizens 18 years of age or older; a corporation subject to the laws of any State or of the United States; a State, State Instrumentality, or political subdivision authorized to hold property, or an entity including, but not limited to, associations or partnerships capable of holding property or interests therein under the laws of the State of Nevada. See 43 CFR 2711.2. Certification of qualification, including U.S. citizenship status must accompany the bid deposit.

15. In order to determine the value, through appraisal, of the parcels of land proposed to be sold, certain extraordinary assumptions may have been made of the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this NORA, the BLM

gives notice that these assumptions may not be endorsed or approved by units of local government. It is the buyer's responsibility to be aware of all applicable local government policies, laws and regulations that would affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or projected use of nearby properties. When conveyed out of Federal ownership, the lands will be subject to any applicable reviews and approvals by the respective unit of local government for proposed future uses, and any such reviews and approvals will be the responsibility of the buyer. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Detailed information concerning the sale, including the reservations, sale procedures and conditions, CERCLA and other environmental documents is available for review at the BLM Elko Field Office, or by calling (775) 753-0200. This information will also be available on the Internet at <http://www.nv.blm.gov/elko/nepa.htm> and click on Land Sales.

The general public and interested parties may submit comments regarding the proposed sale and purchase to the Field Manager, BLM Elko Field Office.
