

Protection and Repatriation Act (NAGPRA), 43 CFR 10.8 (f), of the intent to repatriate cultural items in the possession of the San Diego Museum of Man, San Diego, CA, and in the control of the California Department of Parks and Recreation, Sacramento, CA, that meet the definition of unassociated funerary objects under 25 U.S.C. 3001. The human remains and cultural items were removed from Cuyamaca Rancho State Park, Descanso, San Diego County, CA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations within this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the cultural items. The National Park Service is not responsible for the determinations within this notice.

In the 1930s, Malcolm Rogers and fellow associates of the San Diego Museum of Man conducted excavations at several sites in Cuyamaca Rancho State Park, Descanso, San Diego County, CA. The human remains and associated funerary objects removed from the park are described in a companion notice. The 169 unassociated funerary objects removed from Site SDM-W-211.1-A, West Mesa, are 168 potsherds and 1 lithic flake. One box of sherds cannot be located.

The unassociated funerary objects date from the Late Prehistoric to the Historic period (A.D. 500 to A.D. 1800). Archeological investigation in the western San Diego County area dates the Kumeyaay (Diegueno) occupation of the region to the Late Prehistoric period. Geographic affiliation is consistent with historically documented Kumeyaay territory. Therefore, the California Department of Parks and Recreation Committee on Repatriation has determined that there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and present-day Federally recognized Kumeyaay Indian tribes represented by the Kumeyaay Cultural Repatriation Committee.

Officials of the California Department of Parks and Recreation have determined that, pursuant to 25 U.S.C. 3001(3)(B), the cultural items described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from a specific burial site of a Native American individual.

Officials of the California Department of Parks and Recreation also have determined that, pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and the Barona Group of Capitan Grande Band of Mission Indians of the Barona Reservation, California; Campo Band of Diegueno Mission Indians of the Campo Indian Reservation, California; Ewiiapaayp Band of Kumeyaay Indians, California; Inaja Band of Diegueno Mission Indians of the Inaja and Cosmit Reservation, California; Jamul Indian Village of California; La Posta Band of Diegueno Mission Indians of the La Posta Indian Reservation, California; Manzanita Band of Diegueno Mission Indians of the Manzanita Reservation, California; Mesa Grande Band of Diegueno Mission Indians of the Mesa Grande Reservation, California; San Pasqual Band of Diegueno Mission Indians of California; Santa Ysabel Band of Diegueno Mission Indians of the Santa Ysabel Reservation, California; Sycuan Band of Diegueno Mission Indians of California; and Viejas (Baron Long) Group of Capitan Grande Band of Mission Indians of the Viejas Reservation, California.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the unassociated funerary objects should contact Paulette Hennem, NAGPRA Coordinator, Cultural Resources Division, California State Parks, 1416 9th Street, Room 902, Sacramento, CA 95814, telephone (916) 653-7976, before March 1, 2004. Repatriation of the unassociated funerary objects to the Kumeyaay Cultural Repatriation Committee on behalf of the Barona Group of Capitan Grande Band of Mission Indians of the Barona Reservation, California; Campo Band of Diegueno Mission Indians of the Campo Indian Reservation, California; Ewiiapaayp Band of Kumeyaay Indians, California; Inaja Band of Diegueno Mission Indians of the Inaja and Cosmit Reservation, California; Jamul Indian Village of California; La Posta Band of Diegueno Mission Indians of the La Posta Indian Reservation, California; Manzanita Band of Diegueno Mission Indians of the Manzanita Reservation, California; Mesa Grande Band of Diegueno Mission Indians of the Mesa Grande Reservation, California; San Pasqual Band of Diegueno Mission Indians of California; Santa Ysabel Band of Diegueno Mission Indians of the Santa Ysabel Reservation, California; Sycuan Band of Diegueno Mission Indians of California; and Viejas (Baron Long) Group of Capitan

Grande Band of Mission Indians of the Viejas Reservation, California may proceed after that date if no additional claimants come forward.

The California Department of Parks and Recreation is responsible for notifying the Kumeyaay Cultural Repatriation Committee, Barona Group of Capitan Grande Band of Mission Indians of the Barona Reservation, California; Campo Band of Diegueno Mission Indians of the Campo Indian Reservation, California; Ewiiapaayp Band of Kumeyaay Indians, California; Inaja Band of Diegueno Mission Indians of the Inaja and Cosmit Reservation, California; Jamul Indian Village of California; La Posta Band of Diegueno Mission Indians of the La Posta Indian Reservation, California; Manzanita Band of Diegueno Mission Indians of the Manzanita Reservation, California; Mesa Grande Band of Diegueno Mission Indians of the Mesa Grande Reservation, California; San Pasqual Band of Diegueno Mission Indians of California; Santa Ysabel Band of Diegueno Mission Indians of the Santa Ysabel Reservation, California; Sycuan Band of Diegueno Mission Indians of California; and Viejas (Baron Long) Group of Capitan Grande Band of Mission Indians of the Viejas Reservation, California that this notice has been published.

### Antitrust Division

#### Responses to Public comments on the Proposed Final Judgment in *United States v. General Electric Company and Instrumentarium OYJ*

Pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), the United States hereby publishes the one comment received on the proposed Final Judgment in *United States v. General Electric Company and Instrumentarium OYJ*, Civil No. 1:03CV01923, filed in the United States

District Court for the District of Columbia, together with the response of the United States to the comment. On September 16, 2003, the United States filed a Complaint alleging that General Electric Company's proposed acquisition of Instrumentarium OYJ would substantially lessen competition in the sale and development of patient monitors used to take the vital physiologic measurements of patients requiring critical care ("critical care monitors") and of mobile, full-size C-arms used for surgical, orthopedic, pain management, and basic vascular procedures, in violation of Section 7 of the Clayton Act. To restore competition in these markets, the proposed Final Judgment, if entered, would require General Electric company to fully divest two Instrumentarium OYJ businesses: Spacelabs, which was its primary critical care monitors business, and Ziehm, the business through which it developed and sold C-arms. Public comment was invited within the statutory 60-day comment period. The comment and the response of the United States thereto are hereby published in the **Federal Register**, and shortly thereafter these documents will be attached to a Certificate of Compliance with Provisions of the Antitrust Procedures and Penalties Act and filed with the Court, together with a motion urging the Court to enter the proposed Final Judgment. Copies of the Complaint, the proposed Final Judgment, and the Competitive Impact Statement are currently available for inspection in Room 200 of the Antitrust Division, Department of Justice, 325 Seventh Street, NW., Washington, DC 20530, telephone: (202) 514-2481 and the Clerk's Office, United States District Court for the District of Columbia, 333 Constitution Avenue, NW., Washington, DC 20001. (The United States's Certificate of Compliance with Provisions of the Antitrust Procedures and Penalties Act will be made available at the same locations shortly after they are filed with the Court.) Copies of any of these materials may be obtained upon request and payment of a copying fee.
