The concerns raised by the ASOA letters were discussed with the Commission staff on several occasions, and the forms of the MC corporate governance documents attached as Exhibits to the Exchange's 19b-4 filing (which contain substantially similar provisions as those on which ASOA commented) reflect the outcome of those discussions.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-50048; File No. SR-CBOE-2004-40]

Self-Regulatory Organizations; Notice of Filing and Order Granting Accelerated Approval of Proposed Rule Change by the Chicago Board Options Exchange, Incorporated Relating To Extension of Linkage Fee Pilot Program

July 20, 2004.

Pursuant to section 19(b)(1) of the Securities Exchange Act 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 7, 2004, the Chicago Board Options Exchange,

Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons and is approving the proposed rule change on an accelerated basis.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend for one year until July 31, 2005, the current pilot program applicable to Options Linkage ("Linkage") fees.

The proposed fee schedule is available at the Exchange and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in item III below. The CBOE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for the Proposed Rule Change

1. Purpose

The Exchange's current fee structure for Principal ("P") and Principal Acting as Agent ("P/A") Orders³ executed on the Exchange is operating under a pilot

³ Under the Plan for the Purpose of Creating and Operating an Options Intermarket Linkage ("Plan") and Exchange Rule 6.80(12) which tracks the language of the Plan, a "Linkage Order" means an Immediate or Cancel order routed through the Linkage as permitted under the Plan. There are three types of Linkage Orders:

(i) "P/A Order," which is an order for the principal account of a specialist (or equivalent entity on another Participant Exchange that is authorized to represent Public Customer orders), reflecting the terms of a related unexecuted Public Customer order for which the specialist is acting as agent;

(ii) "P Order," which is an order for the principal account of an Eligible Market Maker and is not a P/A Order; and

(iii) "Satisfaction Order," which is an order sent through the Linkage to notify a member of another Participant Exchange of a Trade-Through and to seek satisfaction of the liability arising from that Trade-Through.

program scheduled to expire on July 31, 2004.⁴ Currently, because all Linkage orders received by the CBOE are for the account of a broker-dealer market maker on another exchange, the fees applicable to P and P/A Orders are the same as fees applicable to market makers on other exchanges that submit orders to the CBOE outside of the Linkage, taking into account how those orders are handled at the CBOE. The Exchange now proposes extending the pilot program to July 31, 2005.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with section 6(b) of the Act⁵ in general and furthers the objectives of section 6(b)(4) of the Act⁶ in particular, in that it is an equitable allocation of reasonable dues, fees, and other charges.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

The Exchange has neither solicited nor received any comments on this proposed rule change.

III. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic comments:

- Use the Commission's Internet comment from (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File Number SR-CBOE-2004-40 on the subject line.

Paper comments:

- Send paper comments in triplicate to Jonathan G. Katz, Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609.

All submissions should refer to File Number SR-CBOE-2004-40. This file number should be included on the

subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>.) Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW., Washington, DC 20549. Copies of such filing also will be available for inspection and copying at the principal offices of the Exchange. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CBOE-2004-40 and should be submitted on or before August 18, 2004.

IV. Commission's Findings and Order Granting Accelerated Approval of Proposed Rule Change

After careful consideration, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder, applicable to a national securities exchange,⁷ and, in particular, with the requirements of section 6(b) of the Act⁸ and the rules and regulations thereunder. The Commission finds that the proposed rule change is consistent with section 6(b)(4) of the Act,⁹ which requires that the rules of the Exchange provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Commission believes that the extension of the Linkage fee pilot until July 31, 2005, will give the Exchange and the Commission further opportunity to evaluate whether such fees are appropriate.

The Commission finds good cause, pursuant to section 19(b)(2) of the Act,¹⁰ for approving the proposed rule

change prior to the thirtieth day after the date of publication of the notice of the filing thereof in the **Federal Register**. The Commission believes that granting accelerated approval will preserve the Exchange's existing pilot program for Linkage fees without interruption as the CBOE and the Commission further consider the appropriateness of Linkage fees.

V. Conclusion

It is therefore ordered, pursuant to section 19(b)(2) of the Act¹¹ that the proposed rule change (SR-CBOE-2004-40) is hereby approved on an accelerated basis for a pilot period to expire on July 31, 2005.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹²
