SUPPLEMENTARY INFORMATION:

I. Abstract

Congress, when it enacted legislation to implement the Nairobi Protocol to the Florence Agreement, included a provision for the Departments of Commerce and Homeland Security to collect information on the import of articles for the handicapped. Form ITA-362P, Information on Articles for Physically or Mentally Handicapped Persons Imported Free of Duty, is the vehicle by which statistical information is obtained to assess whether the duty-free treatment of articles for the handicapped has had a significant

adverse impact on a domestic industry (or portion thereof) manufacturing or producing a like or directly competitive article. Without the collection of data, it would be almost impossible for a sound determination to be made and for the President to appropriately redress the situation.

II. Method of Collection

The Department of Commerce and U.S. Customs and Border Protection ("CBP") have copies of Form ITA-362P and distribute the form to importers and brokers upon request. Also, Form ITA-362P may be printed from the Statutory Import Programs Staff portion of the Department of Commerce Web site at <http://www.ia.ita.doc.gov/sips/ita362p.html>. The applicant completes the form and then forwards it to the CBP. Upon acceptance by CBP as a valid application, the application is transmitted to Commerce for processing.

Notice of Extension of Time Limit of Preliminary Results of New Shipper Reviews: Freshwater Crawfish Tail Meat From the People's Republic of China

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the new shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China that were initiated on October 31, 2003 (68 FR 62774) for the following: Qingdao Xiyuan Refrigerate Food Co., Ltd. (Qingdao Refrigerate); Siyang Foreign Trading Corporation (Siyang) and its producer, Anhui Golden Bird Agricultural Products Development Co., Ltd.; and Yancheng Fuda Foods Co., Ltd. (Yancheng Fuda). Preliminary results of this review are extended until no later than August 26, 2004. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act).

EFFECTIVE DATE: August 4, 2004.

FOR FURTHER INFORMATION CONTACT: Scot Fullerton or Matt Renkey, Office of AD/CVD Enforcement VII, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-1386 or (202) 482-2312, respectively.

SUPPLEMENTARY INFORMATION:

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(1) of the Department's regulations require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines that the issues are extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the

Department's regulations allow the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

Background

The Department received timely requests for new shipper reviews of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China from the following: Qingdao Refrigerate; Siyang and its producer, Anhui Golden Bird Agricultural Products Development Co., Ltd.; and Yancheng Fuda. These requests were filed in accordance with section 751(a)(2)(B) of the act and section 351.214 of the Department's regulations. On October 31, 2003, the Department initiated these new shipper reviews covering the periods September 1, 2002 through August 31, 2003 for Qingdao Refrigerate and Yancheng Fuda; and July 1, 2002 through August 31, 2003 for Siyang. *See Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of New Shipper Reviews*, 68 FR 62774 (November 6, 2003). The preliminary results of these reviews were scheduled for April 28, 2004. The Department extended the time limits for completion of the preliminary results to July 30, 2004. *See Notice of Extension of Time Limit of New Shipper Reviews: Freshwater Crawfish Tail Meat From the People's Republic of China*, 69 FR 24567 (May 4, 2004).

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B)(iv) of the Act, the Department may extend the deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. Because the Department needs additional time to explore various ownership issues and to issue additional supplemental questionnaires, the Department has determined that these reviews are extraordinarily complicated, and the preliminary results of these new shipper reviews cannot be completed within the statutory time limit of 180 days. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of the preliminary results to no later than August 26, 2004.

This notice is published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: July 29, 2004.

SUMMARY: We preliminarily determine that certain frozen and canned warmwater shrimp from Brazil are being, or are likely to be, sold in the United States at less than fair value, as provided in section 733(b) of the Tariff Act of 1930, as amended (the Act).

Interested parties are invited to comment on this preliminary determination. Because we are postponing the final determination, we will make our final determination not later than 135 days after the date of publication of this preliminary determination in the **Federal Register**.

EFFECTIVE DATE: August 4, 2004.

FOR FURTHER INFORMATION CONTACT: Kate Johnson or Rebecca Trainor, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4929 or (202) 482-4007, respectively.

Preliminary Determination

We preliminarily determine that certain frozen and canned warmwater shrimp from Brazil are being sold, or are likely to be sold, in the United States at less than fair value (LTFV), as provided in section 733 of the Act. The estimated margins of sales at LTFV are shown in the "Suspension of Liquidation" section of this notice.

Background

Since the initiation of this investigation (*see Initiation of Antidumping Duty Investigations: Certain Frozen and Canned Warmwater Shrimp from Brazil, Ecuador, India, Thailand, the People's Republic of*

China and the Socialist Republic of Vietnam, 69 FR 3876 (January 27, 2004) (*Initiation Notice*)), the following events have occurred.

On February 17, 2004, the United States International Trade Commission (ITC) preliminarily determined that there is a reasonable indication that imports of certain frozen and canned warmwater shrimp from Brazil are materially injuring the United States industry. *See* ITC Investigation Nos. 731-TA-1063-1068 (Publication No. 3672).

On February 20, 2004, we selected the three largest producers/exporters of certain frozen and canned warmwater shrimp from Brazil as the mandatory respondents in this proceeding. *See* Memorandum to Louis Apple, Director Office 2, from The Team dated February 20, 2004. We subsequently issued the antidumping questionnaire to Empresa de Armazenagem Frigorifica Ltda. (EMPAF), Central de Industrializacao e Distribuicao de Alimentos Ltda. (CIDA), and Norte Pesca S.A. (Norte Pesca) on February 20, 2004.

During the period February through June 2004, various interested parties, including the petitioners, submitted comments on the scope of this and the concurrent investigations of certain frozen and canned warmwater shrimp concerning whether the following products are covered by the scope of the investigations: a certain seafood mix, dusted shrimp, battered shrimp, salad shrimp sold in counts of 250 pieces or higher, the species *Macrobrachium rosenbergii*, organic shrimp, and peeled shrimp used in breeding.¹ In addition, the Louisiana Shrimp Alliance (LSA), an association of domestic shrimp harvesters and processors, requested

¹ Specifically, Ocean Duke Corporation (Ocean Duke), an importer and wholesaler of the subject merchandise, requested that the following products be excluded from the scope of this and the concurrent investigations on certain frozen and canned warmwater shrimp: (1) "dusted shrimp," (2) "battered shrimp," and (3) "seafood mix." Another importer, Rubicon Resources LLP, supported Ocean Duke's request regarding dusted and battered shrimp. Eastern Fish Company and Long John Silver's, Inc. also requested that dusted and battered shrimp be excluded from the scope of the investigations. Furthermore, the Seafood Exporters' Association of India requested that the Department find that warmwater salad shrimp in counts of 250 pieces or higher are not within the scope, and that the species *Macrobrachium rosenbergii* is a separate class or kind of merchandise. Also, Exportadora de Alimentos S.A., one of the respondents in the Ecuador case, requested that the Department find that farm-raised organic shrimp is not covered by the scope of the investigations. Finally, the American Breaded Shrimp Processors Association, comprised of importers of peeled shrimp which they consume in the production of breaded shrimp products, requested that peeled shrimp imported for the sole purpose of breading be excluded from the scope of the investigations.
