

information collection requests describe the nature of the information collections and their expected burden and cost.

**DATES:** OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days. Therefore, public comments should be submitted to OMB by September 10, 2004, in order to be assured of consideration.

**FOR FURTHER INFORMATION CONTACT:** To request a copy of either information collection request, explanatory information and related form, contact John A. Trelease at (202) 208-2783. You may also contact Mr. Trelease at [jtreleas@osmre.gov](mailto:jtreleas@osmre.gov).

**SUPPLEMENTARY INFORMATION:** OMB regulations at 5 CFR 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8(d)]. OSM has submitted two requests to OMB to renew its approval for the collections of information found at 30 CFR Parts 732 and 874. OSM is requesting a 3-year term of approval for these information collection activities.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for these collections of information are 1029-0024 for Part 732 and 1029-0113 for Part 874, and may be found in OSM's regulations at 732.10 and 874.10.

As required under 5 CFR 1320.8(d), a **Federal Register** notice soliciting comments on the collections of information for Parts 732 and 874 was published on March 31, 2004 (69 FR 16954). No comments were received from that notice. This notice provides the public with an additional 30 days in which to comment on the following information collection activities:

**Title:** Procedures and Criteria for Approval or Disapproval of State Program Submissions, 30 CFR Part 732.

**OMB Control Number:** 1029-0024.

**Summary:** Part 732 establishes the procedures and criteria for approval and disapproval of State program submissions. The information submitted is used to evaluate whether State regulatory authorities are meeting the provisions of their approved programs.

**Bureau Form Number:** None.

**Frequency of Collection:** Once, quarterly and annually.

**Description of Respondents:** 24 State regulatory authorities.

**Total Annual Responses:** 51.

**Total Annual Burden Hours:** 6,453.

**Title:** General Reclamation Requirements, 30 CFR Part 874.

**OMB Control Number:** 1029-0113.

**Summary:** Part 874 establishes land and water eligibility requirements, reclamation objectives and priorities and reclamation contractor responsibility. 30 CFR 874.17 requires consultation between the AML agency and the appropriate Title V regulatory authority on the likelihood of removing the coal under a Title V permit and concurrences between the AML agency and the appropriate Title V regulatory authority on the AML project boundary and the amount of coal that would be extracted under the AML reclamation project.

**Bureau Form Number:** None.

**Frequency of Collection:** Once.

**Description of Respondents:** 16 State regulatory authorities and Indian tribes.

**Total Annual Responses:** 16.

**Total Annual Burden Hours:** 1,168.

Send comments on the need for the collections of information for the performance of the functions of the agency; the accuracy of the agency's burden estimates; ways to enhance the quality, utility and clarity of the information collections; and ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information, to the following address. Please refer to the appropriate OMB control number in all correspondence.

**ADDRESSES:** Submit comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, Attention: Department of Interior Desk Officer, by telefax at (202) 395-6566 or via e-mail to [OIRA\\_Docket@omb.eop.gov](mailto:OIRA_Docket@omb.eop.gov). Also, please send a copy of your comments to John A. Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave, NW, Room 210—SIB, Washington, DC 20240, or electronically to [jtreleas@osmre.gov](mailto:jtreleas@osmre.gov).

Dated: June 15, 2004.

## INTERNATIONAL TRADE COMMISSION

[Investigation No. 332-461]

### Air and Noise Pollution Abatement Services: An Examination of U.S. and Foreign Markets

**AGENCY:** International Trade Commission.

**ACTION:** Institution of investigation and scheduling of public hearing.

**DATES:** Effective August 4, 2004.

**SUMMARY:** Following receipt of a request on July 12, 2004 from the United States Trade Representative (USTR), the Commission instituted investigation No. 332-461, Air and Noise Pollution Abatement Services: An Examination of U.S. and Foreign Markets, under section 332(g) of the Tariff Act of 1930 (19 U.S.C. 1332(g)).

#### FOR FURTHER INFORMATION CONTACT:

Information specific to this investigation may be obtained from Jennifer Baumert, Project Leader (202-204-3450; [jennifer.baumert@usitc.gov](mailto:jennifer.baumert@usitc.gov)), Eric Forden, Deputy Project Leader, (202-205-3235; [eric.forden@usitc.gov](mailto:eric.forden@usitc.gov)), or Richard Brown, Chief, Services and Investment Division (202-205-3438; [richard.brown@usitc.gov](mailto:richard.brown@usitc.gov)), Office of Industries, U.S. International Trade Commission, Washington, DC, 20436. For information on the legal aspects of this investigation, contact William Gearhart of the Office of the General Counsel (202-205-3091; [willam.gearhart@usitc.gov](mailto:willam.gearhart@usitc.gov)). Hearing impaired individuals are advised that information on this matter can be obtained by contacting the TDD terminal on (202)-205-1810.

**Background:** As requested by the USTR, the Commission's report will, to the extent possible, (1) provide an overview of foreign and domestic markets for air and noise pollution abatement services; (2) examine trade and investment in air and noise pollution abatement services markets, including barriers affecting such trade and investment, if any; and (3) if possible, discuss existing regulatory practices that generate demand for the subject services. USTR has requested that the Commission's study include examples from both developed- and developing-country markets. In addition, the USTR has asked the Commission to include examples—as appropriate—from those economies with which the United States has established, or is in the process of negotiating, a free trade arrangement. To the extent possible, the Commission is also requested to present information on

trade and market conditions for those goods related to the subject environmental services. For the purpose of this study, air and noise pollution abatement services are defined to include control services of indoor or outdoor air pollution originating from stationary or mobile sources; services related to the trade of air pollution emission rights; services related to the monitoring, assessment, or control of acid rain; services related to the study of the relationship between air pollution and climate; noise pollution abatement and control services; testing and monitoring of air or noise pollution; and other services incidental to air and noise pollution abatement.

The USTR asked that the Commission furnish its report by April 1, 2005, and that the Commission make the report available to the public in its entirety.

The USTR letter also requests an investigation on renewable energy services. In response, the Commission has instituted Investigation No. 332–462, Renewable Energy Services: An Examination of U.S. and Foreign Markets, which is due to the USTR on October 1, 2005.

**Public Hearing:** A public hearing in connection with the investigation will be held at the U.S. International Trade Commission Building, 500 E Street SW., Washington, DC, beginning at 9:30 a.m. on October 20, 2004. All persons shall have the right to appear, by counsel or in person, to present information and to be heard. Requests to appear at the public hearing should be filed with the Secretary, United States International Trade Commission, 500 E Street SW., Washington, DC 20436, no later than 5:15 p.m., October 5, 2004. Any prehearing briefs (original and 14 copies) should be filed not later than 5:15 p.m., October 7, 2004; the deadline for filing post-hearing briefs or statements is 5:15 p.m., November 4, 2004. In the event that, as of the close of business on October 5, 2004, no witnesses are scheduled to appear at the hearing, the hearing will be canceled. Any persons interested in attending the hearing as an observer or non-participant may call the Secretary of the Commission (202–205–1806) after October 5, 2004, for information concerning whether the hearing will be held.

**Written Submissions:** In lieu of or in addition to participating in the hearing, interested parties are invited to submit written statements (original and 14 copies) concerning the matters to be addressed by the Commission in its report on this investigation. Commercial or financial information that a submitter desires the Commission to treat as

confidential must be submitted on separate sheets of paper, each clearly marked “Confidential Business Information” at the top. All submissions requesting confidential treatment must conform with the requirements of section § 201.6 of the Commission’s Rules of Practice and Procedure (19 CFR 201.6). All written submissions, except for confidential business information, will be made available in the Office of the Secretary to the Commission for inspection by interested parties. The Commission will not include any confidential business information in the report it sends to the USTR. To be assured of consideration by the Commission, written statements relating to the Commission’s report should be submitted to the Commission at the earliest practical date and should be received no later than the close of business on November 4, 2004. All submissions should be addressed to the Secretary, United States International Trade Commission, 500 E Street SW., Washington, DC 20436. The Commission’s rules do not authorize filing submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission’s Rules of Practice and Procedure (19 CFR 201.8) (see Handbook for Electronic Filing Procedures, [ftp://ftp.usitc.gov/pub/reports/electronic\\_filing\\_handbook.pdf](ftp://ftp.usitc.gov/pub/reports/electronic_filing_handbook.pdf)). Persons with questions regarding electronic filing should contact the Secretary (202–205–2000 [edis@usitc.gov](mailto:edis@usitc.gov)).

Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>).
