NASA Grant and Cooperative Agreement Handbook—Property Reporting

AGENCY: National Aeronautics and Space Administration.

ACTION: Interim rule.

SUMMARY: This interim rule amends the NASA Grant and Cooperative Agreement Handbook to require earlier submission of annual property inventory reports. This will allow NASA to meet the revised Agency financial statement completion date.

DATES: Effective Date: This interim rule is effective February 3, 2004.

Comment Date: Comments should be submitted to NASA at the address below on or before April 5, 2004.

ADDRESSES: Interested parties should submit written comments to Paul Brundage, NASA Headquarters, Office of Procurement, Contract Management Division (Code HK), Washington, DC 20546.

FOR FURTHER INFORMATION CONTACT: Paul Brundage, Code HK, (202) 358–0481, e-mail: paul.d.brundage@nasa.gov.

SUPPLEMENTARY INFORMATION:

A. Background

The Office of Management and Budget has required NASA to complete its annual financial statements sooner. Since recipients maintain NASA's official records for its assets in their possession, NASA uses the data contained in recipients' reports for annual financial statements and property management. As a result, NASA is changing the date for submission of annual Inventory Reports from October 31st to October 15th of each year.

B. Regulatory Flexibility Act

NASA certifies that this interim rule will not have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, because it requires no additional work.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this interim rule does not impose any new recordkeeping or information collection requirements, or collection of information from offerors, contractors, or members of the public that require the approval of the Office of Management (OMB) and Budget under 44 U.S.C. 3501, *et seq.*

D. Determination to Issue an Interim Rule

In accordance with 41 U.S.C. 418(d), NASA has determined that urgent and compelling reasons exist to promulgate this interim rule. The basis for this determination is that this change incorporates into the Handbook NASA's class deviation issued on September 4, 2003, in NASA's Grant Information Circular (GIC) 03–01 for accelerated property reporting. Public comments received in response to this interim rule will be considered in the formation of the final rule.
