Title: NEPA Compliance Checklist.
OMB Control Number: New collection.

Type of Request: Emergency processing request of new collection.
Form(s): NEPA Compliance Checklist.

Affected Public: Applicants for grant funds.

Abstract: The National Environmental Policy Act of 1969 (NEPA), 42 U.S.C. 4321, *et seq.*, requires agencies to consider whether major Federal actions, including the awarding of grants, will have a significant impact on the environment. TSA will be providing a checklist to collect information from grant applicants to determine if funded projects will require the completion of an Environmental Assessment. The subject information includes questions on the impact to natural resources and historic sites; any likely controversy, especially with regards to any impact on housing and development; any traffic or noise increases; impacts on air and water quality; consistency with local environmental laws; and any direct or indirect effects on humans by way of significant impact on the environment.

Number of Respondents: 1300.

Estimated Annual Burden Hours: It is estimated that this checklist will take 30 minutes for each applicant to prepare, for a total burden of 650 hours.

TSA is soliciting comments to—

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions

of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

SUPPLEMENTARY INFORMATION:

Title: Private Rental Survey.

OMB Control Number: 1084–0033.

Bureau Form Number: OS–2000 and OS–2001.

Abstract: Public Law 88–459 authorizes Federal agencies to provide housing for Government employees under specified circumstances. In compliance with OMB Circular A–45 (Revised), Rental and Construction of Government Quarters, a review of private rental market housing rates is required at least once every 5 years to ensure that the rental, utility charges, and charges for related services to occupants of Government Furnished Quarters (GFQ) are comparable to corresponding charges in the private sector. To avoid unnecessary duplication and inconsistent rental rates, PAM conducts housing surveys in support of quarters management programs for the Departments of the Interior (DOI), Agriculture, Commerce, Defense, Justice, Transportation, Treasury, Health and Human Services, and Veterans Affairs. This collection of information provides data that helps DOI as well as other Federal agencies to manage GFQ in compliance with the requirements of OMB Circular A–45 (Revised). If the collection activity were not performed, there would be no basis for determining open market rental costs for GFQ.

On November 21, 2003, we published a **Federal Register** notice (volume 68, Number 225, page 65726–65727) with the required 60-day comment period announcing that we would submit this collection of information to OMB for approval. We received no comments in response to the notice.

Frequency of Collection: We survey each of 15 regions every fourth year, surveying three to four regions each year.

Description of Respondents:
Individual property owners and small businesses or organizations (real estate

managers, appraisers, or property managers).

Estimated Annual Responses: 3,872.

Estimated Annual Reporting and Recordkeeping "Hour" Burden: 767 hours (refer to burden chart). There are no recordkeeping requirements.

RESPONSE BURDEN CHART

Form No.	Number of respondents	Number of responses per respondent	Total annual per responses	Hours per response (minutes)	Burden hours
OS-2000	3,672	1	3,672	12	734
OS-2001	200	1	200	10	33
Total	3,872	3,872	767

Estimated Annual Reporting and Recordkeeping "Non-Hour Cost"
Burden: None.

Comments: The PRA (44 U.S.C. 3501, *et seq.*) provides that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Section 3506(c)(2)(A) of the PRA requires each agency " * * * to provide notice * * * and otherwise consult with members of the public and affected agencies concerning each proposed collection of information * * *". Agencies must specifically solicit comments to:

(a) Evaluate whether the proposed collection of information is necessary for the agency to perform its duties, including whether the information is useful;

(b) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information;

(c) Enhance the quality, usefulness, and clarity of the information to be collected; and,

(d) Minimize the burden on the respondents, including the use of automated collection techniques or other forms of information technology.

If you wish to comment in response to this notice, send your comments directly to the office listed under the **ADDRESSES** section of this notice. The OMB has up to 60 days to approve or disapprove the information collection but may respond after 30 days. Therefore, to ensure maximum consideration, OMB should receive public comments by March 5, 2004.
