Part 32 of the FAR and the clause at 52.232-27, Prompt Payment for Construction Contracts, further require that contractors on construction contracts -

(a) Notify subcontractors/suppliers of any amounts to be withheld and furnish a copy of the notification to the contracting officer;

(b) Pay interest to subcontractors/suppliers if payment is not made by 7 days after receipt of payment from the Government, or within 7 days after correction of previously identified deficiencies;

(c) Pay interest to the Government if amounts are withheld from subcontractors/suppliers after the Government has paid the contractor the amounts subsequently withheld, or if the Government has inadvertently paid the contractor for nonconforming performance; and

These requirements are imposed by Public Law 100-496, the Prompt Payment Act Amendments of 1988.

Contracting officers will be notified if the contractor withholds amounts from
