*Background:* Annex 300-B, Chapter 4,  
and Annex 401 of the NAFTA contain  
the rules of origin for textiles and  
apparel for application of the tariff  
provisions of the NAFTA. These rules  
are set forth for the United States in  
general note 12 to the Harmonized Tariff  
Schedule (HTS). According to the  
USTR's request letters, U.S. negotiators  
have recently reached agreements in  
principle with representatives of the  
governments of Canada and of Mexico,  
in the case of articles covered by  
investigation No. NAFTA-103-7, and  
the government of Canada, in the case  
of articles covered by investigation No.  
NAFTA-103-8, on proposed  
modifications to the rules of origin of  
the NAFTA. If implemented, the  
proposed rules of origin would apply to  
U.S. imports from and exports to the  
NAFTA parties. Section 202(q) of the  
North American Free Trade Agreement  
Implementation Act (the Act) authorizes  
the President, subject to the  
consultation and layover requirements  
of section 103 of the Act, to proclaim  
such modifications to the rules of origin  
as are necessary to implement an  
agreement with one or more of the  
NAFTA countries pursuant to paragraph  
2 of section 7 of Annex 300-B of the  
Agreement. One of the requirements set  
out in section 103 of the Act is that the  
President obtain advice from the United  
States International Trade Commission.

In his letters, the USTR requested that  
the Commission provide advice on the  
probable effect of the proposed  
modification of the NAFTA rules of  
origin for the five affected textile articles  
on U.S. trade under the NAFTA, on total  
U.S. trade, and on domestic producers  
of the affected articles. As requested, the  
Commission will submit its advice to  
the USTR by October 19, 2004, and soon  
thereafter, issue a public version of the  
report with any confidential business  
information deleted.
