Title: Passengers with Disabilities Customer Satisfaction Survey.

Type of Request: New collection of information.

OMB Control Number: Not yet assigned.

Form(s): Passengers with Disabilities Customer Satisfaction Survey.

Affected Public: Passengers with disabilities and disability advocates.

Abstract: TSA intends to conduct an anonymous, voluntary passenger satisfaction survey distributed by TSA screeners to passengers with disabilities at the conclusion of the screening process. The survey will be self-addressed and postage-paid so that the passenger can return it to TSA at their convenience. Alternatively, passengers may return the survey directly to a TSA screener, if they choose to complete it at the airport. TSA will also distribute surveys to advocacy groups that have worked with us to develop the standard operating procedures for screening passengers with disabilities. These groups will distribute surveys to their members to be returned to TSA. Passengers also will have the option of accessing a Web-based version of the survey and completing it online. Feedback from surveys completed online will be available at TSA. The survey will seek feedback on TSA's standard procedures for screening (1) Passengers with hearing, vision, mobility, and hidden disabilities, as well as other medical conditions, and (2) the assistive devices, equipment, aids, and supplies accompanying passengers in each category. TSA will use the results to evaluate and improve service to passengers with disabilities.

Number of Respondents: 30,000.

Estimated Annual Burden Hours: 5,000.

Estimated Annual Cost Burden: \$0.00.

TSA is soliciting comments to:

(1) Evaluate whether the proposed information requirement is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

INTERNATIONAL TRADE COMMISSION

[Inv. No. 337-TA-511]

In the Matter of Certain Pet Food Treats; Notice of Decision Not To Review an Initial Determination Granting Motion of United Pet Group, Inc. To Intervene in the Place of LLB Holdings, LLC

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (ID) issued by the presiding administrative law judge (ALJ) in the above-captioned investigation granting the motion of United Pet Group ("UPG") for leave to intervene in place of respondent LLB Holdings ("LLB").

FOR FURTHER INFORMATION CONTACT:

Andrea Casson, Esq., Office of the General Counsel, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-3105. Copies of all nonconfidential documents filed in connection with this investigation are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 8, 2004, based on a complaint filed by Thomas J. Baumgartner and Hillbilly Smokehouse, Inc., both of Rogers, Arkansas. 69 FR 32044. The complaint alleges violations of section 337 in the importation into the United States, sale for importation, or sale within the United States after importation of certain pet food treats that infringe U.S. Design Patent No. 383,886. The notice of investigation lists six companies as respondents, including LLB, which was formerly known as Dingo Brand LLC.

On June 23, 2004, UPG filed a motion to intervene in the investigation in place of named respondent LLB. UPG stated that, in January 2004, it purchased the Dingo product line and all assets associated with the accused LLB/Dingo products, and that therefore UPG is the real party in interest. No party responded to UPG's motion.

On August 12, 2004, the ALJ issued an ID (Order No. 4), granting UPG's motion. He terminated the investigation as to LLB, and added UPG as a respondent in this investigation. No petitions for review of the ID were filed.
