

trademark pursuant to 15 U.S.C. 1051 *et seq.*

Requests from federally-recognized tribes to enter an official insignia into the database must be submitted in writing and include: (1) A depiction of the insignia, including the name of the tribe and the address for correspondence; (2) a copy of the tribal resolution adopting the insignia in question as the official insignia of the tribe; and (3) a statement, signed by an official with authority to bind the tribe, confirming that the insignia included with the request is identical to the official insignia adopted by tribal resolution.

Requests from state-recognized tribes must also be in writing and include each of the three items above submitted by federally-recognized tribes.

Additionally, requests from state-recognized tribes must include either: (a) A document issued by a state official that evidences the state's determination that the entity is a Native American tribe; or (b) a citation to a state statute designating the entity as a Native American tribe. The USPTO enters insignia that have been properly submitted by federally-or state-recognized Native American tribes into the database and does not investigate whether the insignia is actually the

official insignia of the tribe making the request.

This collection includes the information needed by the USPTO to enter an official insignia for a federally- or state-recognized Native American tribe into a database of such insignia. No forms are associated with this collection.

This collection was previously approved by the Office of Management and Budget (OMB) in March 2002. In May 2003, OMB approved a change worksheet that reduced the burden estimates for this collection because the USPTO received fewer tribal insignia filings than expected. Postage costs were also added to the collection. In September 2003, OMB approved another change worksheet that made a minor reduction in the number of responses for this collection due to a low number of filings, though the estimated total burden hours were not reduced.

II. Method of Collection

By mail or facsimile to the USPTO.

III. Data

OMB Number: 0651-0048.

Form Number(s): None.

Type of Review: Extension of a currently approved collection.

Affected Public: Tribal governments.

Estimated Number of Respondents: 15 responses per year.

Estimated Time Per Response: The USPTO estimates that a federally-recognized Native American tribe will require an average of 10 minutes (0.17 hours) to complete a request to record an official insignia and that a state-recognized Native American tribe will require an average of 12 minutes (0.20 hours) to complete a request to record an official insignia, including time to gather the necessary information, prepare the appropriate documents, and submit the completed request.

Estimated Total Annual Respondent Burden Hours: 3 hours.

Estimated Total Annual Respondent Cost Burden: \$144 per year. The USPTO expects that the information in this collection will be prepared by both paraprofessionals and clerical staff. The estimated rate of \$48 per hour used in this submission is an average of the paraprofessional rate of \$81 per hour and the clerical rate of \$15 per hour. Using this rate of \$48 per hour, the USPTO estimates that the respondent cost burden for submitting the information in this collection will be \$144 per year.

Item	Estimated time for response (minutes)	Estimated annual responses	Estimated annual burden hours
Request to Record an Official Insignia of a Federally-Recognized Tribe	10	10	2
Request to Record an Official Insignia of a State-Recognized Tribe	12	5	1
Totals	15	3

Estimated Total Annual Non-hour Respondent Cost Burden: \$7 per year.

There are no capital start-up, maintenance, or recordkeeping costs associated with this information collection. There are also no filing fees for submitting a tribal insignia for recording. However, this collection does have annual (non-hour) costs in the form of postage costs.

Customers may incur postage costs when submitting the information in this collection to the USPTO by mail. The USPTO estimates that the average first-class postage cost for a submission mailed through the U.S. Postal Service will be 49 cents and that up to 15 submissions will be mailed to the USPTO per year. The total estimated postage cost for this collection is approximately \$7 per year.

The total non-hour respondent cost burden for this collection in the form of postage costs is \$7 per year.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, *e.g.*, the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized or included in the request for OMB approval of this information collection; they also will become a matter of public record.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.
