DEPARTMENT OF EDUCATION

Submission for OMB Review; Comment Request

AGENCY: Department of Education.

SUMMARY: The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer invites comments on the submission for OMB review as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before October 14, 2004.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Carolyn Lovett, Desk Officer, Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 10235, New Executive Office Building, Washington, DC 20503 or faxed to (202) 395-6974.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

Dated: September 8, 2004.

Angela C. Arrington,

Leader, Information Management Case Services Team, Regulatory Information Management Services, Office of the Chief Information Officer.

Office of the Chief Financial Officer

Type of Review: Extension.

Title: Streamlined Process for Education Department General Administrative Regulations (EDGAR) Approved Grant Applications.

Frequency: Annually.

Affected Public: State, local, or tribal gov't, SEAs or LEAs; Businesses or other for-profit; not-for-profit institutions.

Reporting and Recordkeeping Hour Burden: Responses—1.

Burden Hours—1.

Abstract: In April 1997, EDGAR's menu of selection criteria became effective. For each competition, the Secretary would select one or more criteria that best enable the Department to identify the highest quality applications consistent with the program purpose, statutory requirements, and any priorities established. This allows the Secretary the flexibility to weigh the criteria according to the needs of each individual program. This menu of selection criteria will provide the Department the flexibility to choose a set of criteria tailored to a given competition and obviate the need to create specific selection criteria through individual program regulations. ED is requesting a streamlined clearance process for programs of approved applications that choose to change: (1) Criteria from the same EDGAR menu or (2) program criteria to EDGAR criteria.

DEPARTMENT OF EDUCATION

Student Assistance General Provisions, Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, Federal Family Education Loan, William D. Ford Federal Direct Loan, Federal Pell Grant, and Leveraging Educational Assistance Partnership Programs

AGENCY: Department of Education.

ACTION: Notice of required electronic processes and related system requirements.

SUMMARY: We give notice that, beginning with the 2005-2006 award year, institutions participating in the Federal student aid programs must ensure they participate in the designated electronic processes included in this notice and satisfy the hardware and software specifications described in this notice. The Federal student aid programs are authorized under Title IV of the Higher Education Act of 1965, as amended (Title IV, HEA Programs).

SUPPLEMENTARY INFORMATION: The Student Assistance General Provisions regulations in 34 CFR 668.16(o) provide, in part, that to be administratively capable an institution must participate in electronic processes designated by the Secretary. These processes were first identified in a notice published in the **Federal Register** on September 19, 1997 (62 FR 49414). In that notice, we also provided information regarding the hardware and software requirements needed for an institution to participate in the designated electronic processes. Because of advances in technology, we updated those hardware and software requirements in a **Federal Register** notice published on December 22, 2000 (65 FR 80841).

In this notice, we update both the designated electronic processes that an institution must participate in and the software and hardware requirements (presented as a minimum system configuration and an optimal system configuration) that an institution must have to participate in these processes. Most of the electronic processes included in this notice are the same processes that were included in the previous **Federal Register** notices, although the specific technology and/or names of those processes may have changed (for example, the Student Aid

Information Gateway (SAIG) has replaced the Title IV Wide Area Network (TIV WAN)).

A new process included in this notice is that all institutions must send and receive origination and disbursement data for the Federal Pell Grant Program and the Federal Direct Loan Program to our Common Origination and Disbursement (COD) system using the Extensible Markup Language (XML) "Common Record: COD." Beginning with the 2005-2006 award year, this requirement will apply to all institutions, including COD phase-in participants that currently submit and receive information using flat-file record formats. Additional information on this requirement is provided in item 11 under Designated Electronic Processes below.

Designated Electronic Processes

To be in compliance with 34 CFR 668.16(o), an institution must:

1. Participate in the Student Aid Internet Gateway (SAIG);
2. Use our electronic process whenever it is required to submit or update its Application for Approval to Participate in the Federal Student Aid Programs (for example, when the institution initially applies to participate, when it is recertified, or when it reports required changes, or seeks to be reinstated);
3. Use our electronic processes to submit its Fiscal Operations Report and Application to Participate (FISAP) and other required reports or requests for the campus-based programs (Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant);
4. Electronically receive Institutional Student Information Records (ISIRs) from our Central Processing System (CPS) using the Student Aid Information Gateway (SAIG);
5. Use the Student Aid Information Gateway (SAIG) and approved electronic processes when submitting a Free Application for Federal Student Aid (FAFSA) on behalf of an applicant for Federal student aid to our Central Processing System (CPS) or when submitting corrections or updates to FAFSA data to CPS for an applicant;
6. If not already listed, add itself to the Central Processing System (CPS) record for a student it wishes to consider for Title IV assistance;
7. Have on-line Internet access to the National Student Loan Data System (NSLDS) and submit to NSLDS its Federal Perkins Loan data, its student enrollment records, its Title IV program overpayments, and its NSLDS Transfer Monitoring records using either the
