

covering the period December 31, 2001, through June 30, 2003 (69 FR 47869). The final results for the antidumping duty administrative review of individually quick frozen red raspberries from Chile are currently due no later than December 6, 2004.

Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act ("the Act"), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an antidumping duty order for which a review is requested and issue the final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

The Department recently received case briefs from the parties involved in this administrative review. The written arguments submitted in the case briefs include complicated issues involving the Department's cost of production methodologies in this case. It is not practicable to complete this review within the originally anticipated time limit (*i.e.*, by December 6, 2004), because we need additional time to analyze the written arguments. Therefore, the Department is extending the time limit for completion of the final results to no later than February 2, 2005, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 5, 2004.

Jeffrey May,

Deputy Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On May 27, 2004, in response to timely requests from respondents subject to the order on certain automotive replacement glass ("ARG") windshields from the People's Republic of China ("PRC"), in accordance with section 751(a) of the Tariff Act of 1930, as amended ("the Act"), the Department of Commerce ("Department") published in the **Federal Register** a notice of initiation of this antidumping duty administrative review of sales by certain exporters/producers. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 69 FR 30282 (May 27, 2004) ("*Initiation Notice*"). Because Dongguan Kongwan Automobile Glass, Ltd. ("Dongguan Kongwan"), Peaceful City, Ltd. ("Peaceful City"), and Fuyao Glass Industry Group Company, Ltd. ("Fuyao") have withdrawn their requests for administrative review and the petitioners did not request an administrative review of these exporters, the Department is rescinding this review of sales by Dongguan Kongwan, Peaceful City, and Fuyao in accordance with 19 CFR 351.213(d)(1). The Department is now publishing its determination to rescind the review of sales of subject merchandise by Dongguan Kongwan, Peaceful City, and Fuyao for the period of review.

EFFECTIVE DATE: October 12, 2004.

FOR FURTHER INFORMATION CONTACT: Robert Bolling or Jon Freed, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-3434, (202) 482-3818, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 4, 2002, the Department published in the **Federal Register** the antidumping duty order on ARG windshields from PRC. See *Antidumping Duty Order: Automotive Replacement Glass Windshields From the People's Republic of China*, 67 FR 16087 (April 4, 2002). On April 1, 2004,

the Department published a notice of opportunity to request an administrative review of the antidumping duty order on ARG windshields from the PRC for the period April 1, 2003, through March 31, 2004. See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation: Opportunity to Request Administrative Review*, 69 FR 17129 (April 1, 2004). On April 24, 2004, Dongguan Kongwan and Peaceful City requested an administrative review of its sales to the United States during the period of review ("POR"). On April 26, 2004, Fuyao requested an administrative review of its sales to the United States during the POR. The petitioners in the original investigation did not request an administrative review of any parties. On May 27, 2004, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review of ARG from the PRC for the period April 1, 2003 through March 31, 2004. See *Initiation Notice*.

On June 14, 2003, the Department issued antidumping duty questionnaires to the respondents, including Dongguan Kongwan, Peaceful City, and Fuyao. On July 8, 2004, Fuyao submitted a letter to the Department withdrawing its request for an administrative review of sales and entries of subject merchandise it exported. On July 12, 2004, Dongguan Kongwan and Peaceful City submitted a letter to the Department withdrawing their requests for an administrative review of sales and entries of subject merchandise which they exported.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of requested review. Dongguan Kongwan, Peaceful City, and Fuyao withdrew their respective requests for review within the 90-day time limit and no other party requested reviews with respect to these companies. Accordingly, we are rescinding this administrative review as to those companies and will issue appropriate assessment instructions to the U.S. Bureau of Customs and Border Protection with respect to exports from Dongguan Kongwan, Peaceful City, and Fuyao for the period April 1, 2003, through March 31, 2004. The Department will continue its review of other exporters/producers as announced in the *Initiation Notice*. See 69 FR 30282.

This notice serves as a reminder to parties subject to administrative

protective order ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of APO is a sanctionable violation.

This determination is issued in accordance with 19 CFR 351.213(d)(4) and section 777(i)(1) of the Act.

Stainless Steel Plate in Coils From Belgium, Italy, and the Republic of Korea; Extension of Final Results of Expedited Sunset Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for final results of expedited sunset reviews: stainless steel plate in coils from Belgium, Italy, and the Republic of Korea.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for its final results in the expedited sunset reviews of the antidumping duty orders on stainless steel plate in coils from Belgium, Italy, and the Republic of Korea. Based on adequate responses from the domestic interested parties and inadequate responses from respondent interested parties, the Department is conducting expedited sunset reviews to determine whether revocation of the antidumping duty orders would lead to the continuation or recurrence of dumping. As a result of this extension, the Department intends to issue final results of these sunset reviews on or about October 15, 2004.

EFFECTIVE DATE: October 12, 2004.

FOR FURTHER INFORMATION CONTACT: Hilary E. Sadler, Esq., Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-4340.

Extension of Final Results

On April 1, 2004, the Department published its notice of initiation of sunset reviews of the antidumping duty orders on stainless steel plate in coils from Belgium, Italy, and the Republic of Korea. *See Initiation of Five-Year (Sunset) Reviews*, 69 FR 17129 (April 1, 2004). The Department determined that it would conduct expedited sunset reviews of these antidumping duty orders based on responses from the domestic interested parties and no responses from the respondent interested parties to the notice of initiation. The Department's final results of these reviews were scheduled for July 30, 2004 and extended to August 30, 2004. The Department, however, needs additional time to consider issues related to the appropriate margin(s) of dumping likely to prevail if the orders are revoked. Therefore, the Department intends to issue the final results on or about October 15, 2004, in accordance with section 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: September 29, 2004.

Stainless Steel Sheet and Strip in Coils From Germany, Italy, Japan, Korea, Taiwan and the United Kingdom; Extension of Time Limit for the Final Results of Sunset Reviews of Antidumping and Countervailing Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of extension of time limit for the final results of sunset reviews of antidumping and countervailing duty orders: Stainless steel sheet and strip in coils from Germany, Italy, Japan, Korea, Taiwan and the United Kingdom.

SUMMARY: The Department of Commerce ("the Department") is extending the time limit for its final results in the sunset reviews of the antidumping duty orders on stainless steel sheet and strip in coils ("SSSS") from Germany, Italy, Japan, Korea, Taiwan and the United Kingdom, and the countervailing duty

order on SSSS from Korea. The Department intends to issue final results of these sunset reviews on or about November 15, 2004.

EFFECTIVE DATE: October 12, 2004.

FOR FURTHER INFORMATION CONTACT: Martha Douthit or Hilary Sadler, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street & Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-5050.

Extension of Final Results of Reviews

On June 1, 2004, the Department initiated sunset reviews of the antidumping duty orders on SSSS from Germany, Italy, Japan, Korea, Taiwan and the United Kingdom, and the countervailing duty order on SSSS from Korea. *See Initiation of Five-Year (Sunset) Reviews*, 69 FR 30874 (June 1, 2004). The Department, in these proceedings, determined that it would conduct expedited sunset reviews of these orders based on inadequate responses to the notice of initiation from respondent interested parties. The Department's final results of these reviews were scheduled for September 29, 2004. The Department, however, needs additional time to: Consider issues related to the appropriate margin(s) of dumping likely to prevail if the order is revoked which the Department will provide to the International Trade Commission, with respect to the antidumping duty orders on SSSS from Germany, Italy, Korea, Taiwan and the United Kingdom; take into account the large number of companies, with respect to the antidumping order on SSSS from Japan; and address the large number of issues and companies, with respect to the countervailing duty order on SSSS from Korea. Thus, the Department intends to issue the final results on or about November 15, 2004, in accordance with sections 751(c)(5)(B) and 751(c)(5)(C)(i), (ii) and (iii) of the Tariff Act of 1930, as amended.
