**Notice of Inventory Completion:
American Museum of Natural History,
New York, NY**

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the completion of an inventory of human remains in the possession of the American Museum of Natural History, New York, NY. The human remains were removed from an unknown site along the Columbia River in either Oregon or Washington.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003 (d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains and associated funerary objects. The National Park Service is not responsible for the determinations in this notice.

A detailed assessment of the human remains was made by American Museum of Natural History professional staff in consultation with representatives of the Confederated Tribes and Bands of the Yakama Nation, Washington; Confederated Tribes of the Chehalis Reservation, Washington; Confederated Tribes of the Colville Reservation, Washington; Confederated Tribes of the Grand Ronde Community of Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Hoh Indian Tribe of the Hoh Indian Reservation, Washington; Jamestown S'Klallam Tribe of Washington; Lower Elwha Tribal Community of the Lower Elwha Reservation, Washington; Lummi Tribe of the Lummi Reservation, Washington; Makah Indian Tribe of the Makah Indian Reservation, Washington; Muckleshoot Indian Tribe of the Muckleshoot Reservation, Washington; Nisqually Indian Tribe of the Nisqually Reservation, Washington; Nooksack Indian Tribe of Washington; Port Gamble Indian Community of the Port

Gamble Reservation, Washington; Puyallup Tribe of the Puyallup Reservation, Washington; Quileute Tribe of the Quileute Reservation, Washington; Quinault Tribe of the Quinault Reservation, Washington; Samish Indian Tribe, Washington; Shoalwater Bay Tribe of the Shoalwater Bay Indian Reservation, Washington; Skokomish Indian Tribe of the Skokomish Reservation, Washington; Squaxin Island Tribe of the Squaxin Island Reservation, Washington; Stillaguamish Tribe of Washington; Swinomish Indians of the Swinomish Reservation, Washington; Tulalip Tribes of the Tulalip Reservation, Washington; and Upper Skagit Indian Tribe of Washington.

Prior to 1872, human remains representing a minimum of 16 individuals were removed by unknown persons from an unknown site along the Columbia River in either Oregon or Washington. The human remains were donated to the American Museum of Natural History by Dr. Joseph Simms in 1872. No known individuals were identified. No associated funerary objects are present.

The human remains have been identified as Native American based on the presence of cranial deformation and museum documentation that refers to the human remains as "Chinook." The crania exhibit intentional shaping of the type practiced by Chinookan groups that occupied the area around the Columbia River. There is no direct evidence of the age of the human remains. The Columbia River Chinook are currently represented by the Confederated Tribes and Bands of the Yakama Nation, Washington; Confederated Tribes of the Grande Ronde Community of Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Quinault Tribe of the Quinault Reservation, Washington; and Shoalwater Bay Tribe of the Shoalwater Bay Indian Reservation, Washington.

Officials of the American Museum of Natural History have determined that, pursuant to 25 U.S.C. 3001 (9-10), the human remains described above represent the physical remains of 16 individuals of Native American ancestry. Officials of the American Museum of Natural History also have determined that, pursuant to 25 U.S.C. 3001 (2), there is a relationship of shared group identity that can be reasonably traced between the Native American human remains and the Confederated Tribes and Bands of the Yakama Nation, Washington; Confederated Tribes of the Grande Ronde Community of Oregon; Confederated Tribes of the Warm

Springs Reservation of Oregon; Quinault Tribe of the Quinault Reservation, Washington; and Shoalwater Bay Tribe of the Shoalwater Bay Indian Reservation, Washington.

Representatives of any other Indian tribe that believes itself to be culturally affiliated with the human remains should contact Nell Murphy, Director of Cultural Resources, American Museum of Natural History, Central Park West at 79th Street, New York, NY 10024-5192, telephone (212) 769-5837, before November 12, 2004. Repatriation of the human remains to the Confederated Tribes and Bands of the Yakama Nation, Washington; Confederated Tribes of the Grande Ronde Community of Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Quinault Tribe of the Quinault Reservation, Washington; and Shoalwater Bay Tribe of the Shoalwater Bay Indian Reservation, Washington may proceed after that date if no additional claimants come forward.

The museum is responsible for notifying the Confederated Tribes and Bands of the Yakama Nation, Washington; Confederated Tribes of the Chehalis Reservation, Washington; Confederated Tribes of the Colville Reservation, Washington; Confederated Tribes of the Grand Ronde Community of Oregon; Confederated Tribes of the Warm Springs Reservation of Oregon; Hoh Indian Tribe of the Hoh Indian Reservation, Washington; Jamestown S'Klallam Tribe of Washington; Lower Elwha Tribal Community of the Lower Elwha Reservation, Washington; Lummi Tribe of the Lummi Reservation, Washington; Makah Indian Tribe of the Makah Indian Reservation, Washington; Muckleshoot Indian Tribe of the Muckleshoot Reservation, Washington; Nisqually Indian Tribe of the Nisqually Reservation, Washington; Nooksack Indian Tribe of Washington; Port Gamble Indian Community of the Port Gamble Reservation, Washington; Puyallup Tribe of the Puyallup Reservation, Washington; Quileute Tribe of the Quileute Reservation, Washington; Quinault Tribe of the Quinault Reservation, Washington; Samish Indian Tribe, Washington; Shoalwater Bay Tribe of the Shoalwater Bay Indian Reservation, Washington; Skokomish Indian Tribe of the Skokomish Reservation, Washington; Squaxin Island Tribe of the Squaxin Island Reservation, Washington; Stillaguamish Tribe of Washington; Swinomish Indians of the Swinomish Reservation, Washington; Tulalip Tribes of the Tulalip Reservation, Washington; and Upper Skagit Indian Tribe of
