The Consent Decree resolves the liability of the named defendant to the United States and the State of Texas for violations of Section 301 of the Clean Water Act, 33 U.S.C. 1311. Additionally, the City will pay a civil penalty of \$20,000 for the violations of the Clean Water Act and will perform a supplemental environmental project ("SEP") which consists of hooking up 29 residences that are currently on septic tanks to sewer lines.
