Applicants' Representations

1. The Company is a stock life insurance company organized under Wisconsin law in 1957. The Company conducts a conventional life insurance business and is authorized to transact the business of life insurance, including annuities, in seventeen states.

2. Each of the Accounts is a segregated asset account of the Company, is a "separate account" as defined by Rule 0-1(e) under the Act, and is registered with the Commission as a unit investment trust. Income, gains and losses, realized or unrealized, from the assets of each Account are credited to or charged against that Account without regard to other income, gains or losses of the Company. Purchase payments made under the Contracts are allocated to one or more subaccounts of each Account.

3. The Life Account currently is divided into 11 subaccounts, each of which invests exclusively in a specific investment portfolio of an underlying mutual fund. The assets of the Life Account support variable life insurance contracts issued by the Company, and interests in the Life Account offered through such Contracts have been registered under the Securities Act of

1933, as amended (the "1933 Act") on Form N-6 (File No. 333-44956).

4. The Annuity Account currently is divided into 11 subaccounts, each of which invests exclusively in a specific investment portfolio of an underlying mutual fund. The assets of the Annuity Account support variable annuity contracts issued by the Company, and interests in the Annuity Account offered through such contracts have been registered under the 1933 Act on Form N-4 (File No. 333-45592).

5. The Contracts are flexible premium variable annuity and variable life insurance contracts. The Company reserves the right to revoke or modify the transfer privilege at any time, and reserves the right to assess a charge for transfers in excess of 12 per transfer year.

6. Each of the Contracts expressly reserves for the Company the right, subject to compliance with applicable law, to substitute shares of one underlying mutual fund or portfolio held by a subaccount of an Account for another. This right is disclosed in the prospectuses for the Contracts.

7. The Company proposes to substitute Initial Class shares of the Replacement Portfolio for Investor Class shares of Replaced Portfolio A and Investor Class shares of Replaced Portfolio B held in the Accounts (the "proposed substitutions"). The proposed substitutions are part of an effort by the Company to provide a portfolio selection within the Contracts that: (1) Better represents the designated asset classes; (2) provides more favorable name recognition; and (3) provides more competitive long-term returns relative to other funds in the asset class peer group.

8. The Strong Fund is registered as an open-end management investment company under the Act (File No. 811-06553) and currently offers 3 separate investment portfolios, only one of which, Replaced Portfolio A, would be involved in the proposed substitution. The Strong Fund issues a separate series of shares of beneficial interest in connection with each portfolio and has registered such shares under the 1933 Act on Form N-1A (File No. 33-45321).
