

documentation establishing, among other things, the date of the first sale to an unaffiliated customer in the United States. See 19 CFR 351.214(b)(2)(iv)(C) of the Department's regulations. Because Jinfu PRC's certification (which it provided prior to the initiation of the new shipper review) does not include documentation establishing the date of the first sale to an unaffiliated customer in the United States, Jinfu PRC has failed to satisfy the threshold new shipper certification requirements, and is therefore, not entitled to a new shipper review. Therefore, we are rescinding this review with respect to Jinfu PRC. Since Jinfu PRC does not qualify for a separate rate, it is considered part of the non-market-economy (NME) entity, which was subject to the original investigation and, accordingly, will receive the NME/PRC-wide rate of 183.80.

Final Results of New Shipper Review

We determine that the following antidumping margin percentages exist during the period of December 1, 2002, through May 31, 2003:

Manufacturer/Exporter	Weighted-Average Margin (percent)
Cheng Du Wai Yuan Bee Products Co., Ltd.	22.03
Jinfu Trading Co., Ltd. ..	183.80

Assessment of Antidumping Duties

The Department shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1) of the Department's regulations, we have calculated an exporter/importer specific assessment rate for merchandise subject to this review. The Department will issue appropriate assessment instructions directly to CBP within 15 days of publication of the final results of review. We will direct CBP to assess the resulting assessment rates against the entered customs values for the subject merchandise on each of the importer's/customer's entries during the review period. For assessment purposes for the sale by Jinfu PRC, which we have determined is part of the NME/PRC entity, we are applying the NME/PRC-wide rate of 183.80 percent.

Cash Deposit Requirements

Bonding will no longer be permitted to fulfill security requirements for shipments from Cheng Du and Jinfu PRC of honey from the PRC entered, or withdrawn from warehouse, for consumption in the United States on or

after the publication of this notice in the **Federal Register**. The following cash deposit rates shall be required for merchandise subject to the order entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results for this new shipper review, as provided for by section 751(a)(1) of the Tariff Act of 1930, as amended: (1) The cash deposit rates for Cheng Du (*i.e.*, for subject merchandise both manufactured and exported by Cheng Du only) and Jinfu PRC (*i.e.*, for subject merchandise manufactured by Cixi City Yikang Bee Industry Co., Ltd. (Yikang Bee) and exported by Jinfu PRC) will be the rates indicated above; (2) the cash deposit rate for PRC exporters who received a separate rate in a prior segment of the proceeding will continue to be the rate assigned in that segment of the proceeding; (3) the cash deposit rate for the NME/PRC entity and for subject merchandise exported by Cheng Du and Jinfu PRC but not manufactured by Cheng Du and Yikang Bee, respectively, will continue to be the NME/PRC-wide rate (*i.e.*, 183.80 percent); and (4) the cash deposit rate for non-PRC exporters of subject merchandise from the PRC will be the rate applicable to the PRC exporter/producer that supplied that non-PRC exporter. These deposit requirements shall remain in effect until publication of the final results of the next administrative review. There are no changes to the rates applicable to any other companies under this antidumping duty order.

Notification to Interested Parties

The Department will disclose calculations performed in connection with these final results of review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b) of its regulations. This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with section 351.305(a)(3) of the Department's regulations. Timely written notification of the return/

destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This new shipper review and notice are in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: October 25, 2004.

Acting Assistant Secretary for Import Administration.

These investigations cover manufacturers and exporters of the subject merchandise to the United States during the period April 1, 2003 through March 31, 2004. As a result of this extension, the deadline for issuing the preliminary determinations in these investigations is now December 16, 2004.

EFFECTIVE DATE: November 3, 2004.

SUPPLEMENTARY INFORMATION:

Background

On June 30, 2004, the Department initiated antidumping duty investigations of purified CMC from Finland, Mexico, the Netherlands and Sweden for the period April 1, 2003 through March 31, 2004. See Initiation of Antidumping Duty Investigations: Purified Carboxymethylcellulose (CMC) from Finland, Mexico, the Netherlands and Sweden, 69 FR 40617–40621 (July 6, 2004). The notice stated that the Department would issue its preliminary determinations no later than 140 days after the date of initiation, or November 16, 2004, unless this deadline is extended.

Postponement of Preliminary Determinations

Pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended (the Tariff Act) and 19 CFR 351.205(e), on October 25, 2004, the petitioners filed a request that the Department postpone the purified CMC preliminary determinations for Finland, Mexico, the Netherlands and Sweden. The petitioners' request for postponement was timely, and the Department finds no compelling reason to deny the request.

Therefore, in accordance with section 733(c)(1)(A) of the Tariff Act, the Department is postponing the deadline for issuing the preliminary determinations of these investigations by 30 days, or until December 16, 2004.

This notice is published pursuant to section 733(c)(2) of the Tariff Act and 19 CFR 351.205(f).
