

Participation in this voluntary collection of information will put a slight burden on a very small percentage of the public. The PBGC estimates that there will be 750 respondents with an annual burden of approximately 188 hours and \$5,200. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon written request, copies available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 45, SEC File No. 270-164, OMB Control No. 3235-0154.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 45 imposes a filing requirement on registered holding companies and their subsidiaries under section 12(b) of the Act. Under the requirement, the companies must file a declaration seeking authority to make loans or otherwise extend credit to other companies in the same holding company system. Among others, the rule provides an exception from the filing requirement the performance of payment obligations under consolidated tax agreements. The Commission estimates 15 recordkeepers together incur about 46 annual burden hours to comply with these requirements.

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

There is no recordkeeping duty under rule 45. Further, there is no requirement to keep information obtained under rule

45, because it is public information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Extensions: Rule 425, OMB Control No. 3235-0521, SEC File No. 270-462.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Securities Act Rule 425 (OMB Control No. 3235-0521; SEC File No. 270-462) requires the filing of certain prospectuses and communications under Rules 135 and 165 in connection with business combination transactions. The purpose of the rule is to relax existing restrictions on oral and written communications with shareholders about tender offers, mergers and other business combination transactions by permitting the dissemination of more information on a more-timely basis as long as the written communications are

filed on the date of first use.

Approximately 2,000 issuers file communications under Rule 425 at an estimate .25 hours per response for a total of 500 annual burden hours.

Written comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collections of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 71 and Forms U-12(I) -(A) and -(B); SEC File No. 270-61; OMB Control No. 3235-0173.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 71 [17 CFR 250.71], under the Public Utility Holding Company Act of 1935, as amended ("Act"), (15 U.S.C. 79 *et seq.*), requires that certain information be filed by employees of registered holding companies who represent the companies' interests before Congress, the Commission or the

Federal Energy Regulatory Commission on either Form U-12(I)-A or Form U-12(I)-B. The filings must provide, among other things, the identity of the representative, the person's position and compensation and a quarterly statement of those expenses not incurred in the ordinary course of business. Employees appearing for the first time must file this information on Form U-12(I)-A within ten days of an appearance. Employees appearing on a regular basis may file the information in advance on Form U-12(I)-B, which will remain valid for the remainder of the year in which it was first filed and for the following two calendar years. Thereafter, it may be renewed for additional three-year periods within thirty days of the expiration of the prior filing. The information collection prescribed by Form U-12(I)-A and Form U-12(I)-B is required by rule 71 under the Act. Rule 71 implements section 12(i) of the Act, which expressly requires the filing of the prescribed disclosure information with the Commission in the interest of investors and consumers. The Commission estimates that the total annual reporting burden of collections under rule 71 is 167 hours (250 responses \times forty minutes = 167 burden hours).

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

There is no recordkeeping requirement for the rule 71 reporting duty. It is mandatory that qualifying employees provide the information required by rule 71. There is no requirement to keep the information confidential, because it is public information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or e-mail to: David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: November 2, 2004.

Deputy Secretary.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

Extension: Rule 58 and Form U-9C-3; SEC File No. 270-400; OMB Control No. 3235-0457.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget for extension of the previously approved collection of information discussed below.

Rule 58 [17 CFR 250.58], under the Public Utility Holding Company Act of 1935 ("Act"), as amended (15 U.S.C. 79 *et seq.*) allows registered holding companies and their subsidiaries to acquire energy-related and gas-related companies. Under that rule, acquisitions are made, within certain limits, without prior Commission approval under section 10 of the Act. To monitor compliance, the rule requires that within sixty days after the end of the first calendar quarter in which any exempt acquisition is made, and each calendar quarter thereafter, the registered holding company is required to file with the Commission a Certificate of Notification on Form U-9C-3 containing the information prescribed by that form. The information collection by the Commission is required by rule 58. The Commission uses this information to determine the existence of financial detriment, regarding the acquisition of certain energy-related companies, to the interests the Act is designed to protect. The Commission estimates that the total annual reporting burden is 464 annual burden hours to comply with these requirements, *i.e.*, 29 respondents \times 16 = 464 burden hours.

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

An agency may not conduct or sponsor, and a person is not required to

respond to, a collection of information unless it displays a currently valid control number.

Please direct general comments regarding the above information to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or e-mail to David_Rostker@omb.eop.gov; and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.
