

the R stock. Subsequently, Z purchases 60 percent of the stock of R from X.

(ii) *Analysis.* Under paragraph (c) of this section, R is a successor of C because after the distribution C transfers property to R in a transaction to which section 381 applies. Accordingly, Z acquired an interest in a successor of C. In addition, under paragraph (d)(3)(ii) of this section, the stock of R is treated as stock of C such that Z is treated as acquiring 60 percent of the voting power and value of C.

(iii) If the distribution and Z's acquisition of a 60-percent interest in R were part of a plan, D would be required to recognize gain in the amount of \$20x, the amount described in section 355(c)(2).

(h) *Effective date.* This section applies to distributions occurring after the date these regulations are published as final regulations in the **Federal Register**.

The 800 MHz Public Safety Interference Proceeding; Request for Comments on Ex Parte Presentations and Extension of Deadlines

AGENCY: Federal Communications Commission.

ACTION: Request for comments.

SUMMARY: Subsequent to release of the *800 MHz Report and Order* in the Public Safety Interference Proceeding on August 6, 2004, Nextel Communications, Inc. and others filed *ex parte* presentations in the rulemaking proceeding. Nextel sought clarification and/or modification of certain aspects of

the Commission's final rules released on August 6, 2004, and published in the Rules and Regulations section in this issue. Nextel also filed a supplementary *ex parte* submission providing additional detail on the issues it raised in its September 16, 2004, *ex parte* presentation. Other parties have filed *ex parte* presentations in response to Nextel's *ex parte* filings. The Commission requests comments limited to these filings.

DATES: Submit comments on or before December 2, 2004. The Commission is not requesting reply comments.

ADDRESSES: All filings must be addressed to the Commission's Secretary, Marlene H. Dortch, Office of the Secretary, Federal Communications Commission, 445 12th Street, SW., Suite TW-A325, Washington, DC 20554. One (1) courtesy copy must be delivered to Roberto Mussenden, Esq. at Federal Communications Commission, Wireless Telecommunications Bureau, Public Safety and Critical Infrastructure Division, 445 12th Street, SW., Suite 5-C140, Washington, DC 20554, or via e-mail, roberto.mussenden@fcc.gov, and one (1) copy must be sent to Best Copy and Printing, Inc., Portals II, 445 12th Street, SW., Room CY-B402, Washington, DC 20554, telephone 1-800-378-3160, or via Web, <http://www.bcpweb.com>.

FOR FURTHER INFORMATION CONTACT: Roberto Mussenden, Esq., Public Safety and Critical Infrastructure Division, Wireless Telecommunications Bureau at (202) 418-0680.

SUPPLEMENTARY INFORMATION: This is a summary of a Public Notice released on October 22, 2004 by the Federal Communications Commission requesting comments on certain *ex parte* submissions filed subsequent to release of said Report and Order and extending certain deadlines set forth in the *800 MHz Report and Order*.

1. In order to develop a full and complete record and to further the effective implementation of the 800 MHz band reconfiguration process, the Commission seeks expedited comment on the issues raised in certain *ex parte* presentations submitted after release of the *800 MHz Report and Order* on August 6, 2004. Said issues include the mechanics of the relocation process, valuation of the spectrum, and interference issues. The Commission is not accepting comment at this time on filings that address the freeze on 900 MHz applications. The Commission is waiving the reply comment cycle required pursuant to 47 CFR 1.415(c) for good cause, because expedited consideration of these issues is

important to avoid uncertainty in the implementation of the 800 MHz band reconfiguration process and to avoid further delaying resolution of the problems of unacceptable interference affecting public safety licensees in this band. In addition, in order to avoid uncertainty for Nextel and other 800 MHz licensees, we believe it is appropriate to provide certain parties additional time to comply with certain benchmarks set forth in the *800 MHz Report and Order*, which is published in the Rules and Regulations section of this issue. Additional information regarding this deadline extension is published in the Rules and Regulations section of this issue.

3. This matter shall be treated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules, 47 CFR 1.1200, 1.1206. Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentations must contain summaries of the substance of the presentations and not merely a listing of the subjects discussed. More than a one or two sentence description of the views and arguments presented generally is required. See 47 CFR 1.1206(b). Other rules pertaining to oral and written *ex parte* presentations in permit-but-disclose proceedings are set forth in section 1.1206(b) of the Commission's rules, 47 CFR 1.1206(b).

4. Interested parties may view the referenced *ex parte* filings on the Commission's Electronic Comment Filing System (ECFS) using the following steps: (i) Access ECFS at <http://www.fcc.gov/e-file/ecfs.html>; (ii) in the introductory screen, click on "Search for Filed Comments"; (iii) in the "Proceeding" box, enter "02-55"; (iv) check the box marked "Search by Date Range"; (v) in the "Date received/adopted" block, in the "From" column, enter 07/08/2004; (vi) in the "To" column enter the date this notice is published in the **Federal Register** in the format MM/DD/YYYY.

5. Commenters may file comments using the Commission's Electronic Comment Filing System (ECFS) or by filing paper copies. See Electronic Filing of Documents in Rulemaking Proceedings, 63 FR 24121 (1998). Commenters filing through the ECFS can be sent as an electronic file via the Internet to <http://www.fcc.gov/e-file/ecfs.html>. Generally, commenters must submit only one copy of an electronic submission. If multiple docket or rulemaking numbers appear in the caption of this proceeding, however, commenters must transmit one electronic copy of the comments to each

docket or rulemaking number referenced in the caption. In completing the transmittal screen, commenters should include their full name, U.S. Postal Service mailing address, and the applicable docket or rulemaking number. Commenters may also submit an electronic comment by Internet e-mail. To get filing instructions for e-mail comments, commenters should send an e-mail to ecfs@fcc.gov and should include the following words in the body of the message, "get form <your e-mail address>." Commenters will receive a sample form and directions in reply.

6. Parties that choose to file by paper must file an original and four copies of each filing. If more than one docket or rulemaking number appears in the caption of this proceeding, commenters must submit two additional copies for each additional docket or rulemaking number.

7. Commenters may send filings by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail (although the Commission continues to experience delays in receiving U.S. Postal Service mail). The Commission's contractor, Natek, Inc., will receive hand-delivered or messenger-delivered paper filings for the Commission's Secretary at 236 Massachusetts Avenue, NE., Suite 110, Washington, DC 20002. The filing hours at this location are 8 a.m. to 7 p.m. Commenters must bind all hand deliveries together with rubber bands or fasteners and must dispose of any envelopes before entering the building. This facility is the only location where the Commission's Secretary will accept hand-delivered or messenger-delivered paper filings. Commenters must send commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) to 9300 East Hampton Drive, Capitol Heights, MD 20743. Commenters should address U.S. Postal Service first-class mail, Express Mail, and Priority Mail to 445 12th Street, SW., Washington, DC 20554.

8. Filings and comments are also available for public inspection and copying during regular business hours at the FCC Reference Information Center, Portals II, 445 12th Street, SW., Room CY-A257, Washington, DC 20554. They may also be purchased from the Commission's duplicating contractor, Best Copy and Printing, Inc., Portals II, 445 12th Street, SW., Room CY-B402, Washington, DC 20554, telephone 1-800-378-3160, or via Web, <http://www.bcpweb.com>.
