materially injured or threatened with material injury, and the establishment of an industry in the United States is not materially retarded, by reason of imports from South Africa of certain aluminum plate, provided for in subheading 7606.12.30 of the Harmonized Tariff Schedule of the United States, that have been found by the Department of Commerce (Commerce) to be sold in the United States at less than fair value (LTFV).

Background

The Commission instituted this investigation effective October 16, 2003, following receipt of a petition filed with the Commission and Commerce by Alcoa, Inc., Pittsburgh, PA. The final phase of the investigation was scheduled by the Commission following notification of a preliminary determination by Commerce that imports of certain aluminum plate from South Africa were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigation and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of June 15, 2004 (69 FR 33401). The hearing was held in Washington, DC, on October 5, 2004, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determination in this investigation to the Secretary of Commerce on November 18, 2004. The views of the Commission are contained in USITC Publication 3734, November 2004, entitled Certain Aluminum Plate from South Africa (Investigation No. 731-TA-1056 (Final)).

By order of the Commission.

Issued: November 19, 2004.

Marilyn R. Abbott,

Secretary to the Commission.

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act

Notice is hereby given that on October 28, 2004, a proposed Consent Decree in *United States of America and State of*

Louisiana v. CanadianOxy Offshore Production Co., Civil Action No. CV04-2220-S was lodged with the United States District Court for the Western District of Louisiana.

In this action the United States sought to recover from CanadianOxy Offshore Production Co. ("COPCo") response costs incurred in response to releases and threatened releases of hazardous substances from the facility known as the Highway 71/72 Refinery Site (the "Site") located in Bossier City, Bossier Parish, Louisiana. The United States also sought a declaratory judgment that COPCo was liable for any future response costs incurred by the United States at the Site. The Consent Decree provides that COPCO shall (1) perform all the work required by EPA's September 2000 Record of Decision; (2) pay \$5,689,192.06 towards the response costs incurred by EPA in connection with the Site on or before September 30, 2003, plus interest from September 30, 2003, to the date the Consent Decree is entered; and (3) pay all response costs incurred by EPA in connection with the Site after September 30, 2003. The Consent Decree also settles the Louisiana Department of Environmental Quality's (LDEQ's) claims regarding the Site and establishes a \$25,000 special account for the LDEQ to draw upon for its work at the Site. COPCo is required to replenish the LDEQ special account annually.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States of America and State of Louisiana v. CanadianOxy Offshore Production Co.*, D.J. Ref. 90-11-2-1102.

The Consent Decree may be examined at the Office of the United States Attorney, Western District of Louisiana, 300 Fannin Street, Suite 3201, Shreveport, Louisiana 71101-3068, and at the offices of the U.S. Environmental Protection Agency, Region 6, 1445 Ross Ave., Dallas, TX 75202-2733. Notice of Lodging of Consent Decree Under the Clean Water Act

Notice is hereby given that on November 15, 2004, a proposed Consent Decree in *United States v. Orange County Sanitation District*, Civil Action No. SACV04-1317 AHS (MLGx), was lodged with the United States District Court for the Central District of California. The United States and the People of the State of California *ex rel.* California Regional Water Quality Control Board ("Regional Board") are signatories to the Consent Decree.

The United States and the Regional Board have filed a complaint against the Orange County Sanitation District ("OCSD") requesting injunctive relief and penalties for violations of the secondary treatment standards of the Clean Water Act ("Act"), 33 U.S.C. 1311, and requirements of OCSD's National Pollutant Discharge Elimination System ("NPDES") permit.

The Consent Decree requires OCSD to construct secondary treatment facilities to allow OCSD to achieve compliance with the terms and conditions of its NPDES permit and the Act. OCSD must also comply with interim effluent limitations while undergoing secondary treatment upgrades, report its progress to EPA and the Regional Board and be subject to stipulated penalties for non-compliance with the Consent Decree.

Pursuant to 28 CFR 50.7, the United States Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, Ben Franklin Station, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Orange County Sanitation District*, D.J. Ref. No. 90-5-1-1-07914.

The Consent Decree may be examined during the public comment period on
