

After the negative determination was issued the Department received additional results of the survey of one of the subject firm's major customers. The survey was initiated but not completed during the original investigation. Upon further review and contact with this customer, it was revealed that the customer significantly increased its import purchases of various solid wood products while decreasing its purchases from the subject firm during the relevant period. The imports accounted for a meaningful portion of the subject plant's lost sales and production.

In accordance with Section 246 the Trade Act of 1974 (26 U.S.C. 2813), as amended, the Department of Labor herein presents the results of its investigation regarding certification of eligibility to apply for alternative trade adjustment assistance (ATAA) for older workers.

In order for the Department to issue a certification of eligibility to apply for ATAA, the group eligibility requirements of Section 246 of the Trade Act must be met. The Department has determined in this case that the requirements of Section 246 have been met.

A significant number of workers at the firm are age 50 or over and possess skills that are not easily transferable. Competitive conditions within the industry are adverse.

Conclusion

After careful review of the additional facts obtained on reconsideration, I conclude that increased imports of articles like or directly competitive with those produced at Fort Hill Lumber Company, Grande Ronde, Oregon contributed importantly to the declines in sales or production and to the total or partial separation of workers at the subject firm. In accordance with the provisions of the Act, I make the following certification:

"All workers of Fort Hill Lumber Company, including leased workers of Express Personnel Services/Brown & Dutton, Grand Ronde, Oregon who became totally or partially separated from employment on or after May 20, 2003 through two years from the date of this certification, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Signed in Washington, DC, this 9th day of November 2004.

Certifying Officer, Division of Trade Adjustment Assistance.

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on September 20, 2004, applicable to workers of Galey & Lord Industries, Inc., Greensboro Corporate Office, Greensboro, North Carolina. Workers separated from employment at the subject firm had their wages reported under a separated unemployment insurance (UI) tax account for Galey & Lord Industries, Inc., Greensboro Textile Administration LLC.

Accordingly, the Department is amending this certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Galey & Lord Industries, Inc., Greensboro Textile Administration LLC, Greensboro Corporate Office, Greensboro, North Carolina who were adversely affected by increased imports.

The amended notice applicable to TA-W-55,520A is hereby issued as follows:

"All workers of Galey & Lord Industries, Inc., Greensboro Textile Administration LLC, Greensboro Corporate Office, Greensboro, North Carolina, who became totally or

partially separated from employment on or after August 24, 2003, through September 20, 2006, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."
