

Mortgage-Backed Securities Division

Currently, MBSD rules expressly permit participants to open additional accounts upon request for themselves or for any other entity. FICC has reviewed MBSD's current rules and is proposing to enhance them by making clear that (i) additional account holders do not have membership or property rights with respect to additional accounts and (ii) MBSD may apply collateral associated with one account of a participant to satisfy obligations among any or all of that participant's accounts. These provisions will serve to protect MBSD in the event an additional account holder makes a claim with respect to the property, proceeds, or collateral associated with the activity of the account.

FICC believes the proposed rule change is consistent with the requirements of section 17A of the Act and the rules and regulations thereunder because it addresses and limits the legal risk to FICC and its members that arises from the opening and maintenance of additional accounts.

(B) Self-Regulatory Organization's Statement on Burden on Competition

FICC does not believe that the proposed rule change would have an impact on or impose a burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change have not yet been solicited nor received. FICC will notify the Commission of any written comments received by FICC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within thirty five days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- (a) By order approve the proposed rule change or
- (b) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing,

including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street NW., Washington, DC 20549-0609. Comments may also be submitted electronically at the following e-mail address: rule-comments@sec.gov. All comment letters should refer to File No. SR-FICC-2003-05. This file number should be included on the subject line if e-mail is used. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street NW., Washington, DC 20549. I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

OCC is seeking to restructure its rules applicable to delivery settlement of exercised stock options and matured stock futures.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to:

(1) Restructure OCC's rules applicable to physical settlement of exercised stock options and matured stock futures to reflect that such settlements are normally effected through the National Securities Clearing Corporation ("NSCC") (i.e., the correspondent clearing corporation) with broker-to-broker ("BTB") settlement procedures as a backup;

(2) Require that BTB settlements be made on a delivery-versus-payment ("DVP") basis at The Depository Trust Company ("DTC") unless OCC directs otherwise;

(3) Revise OCC's rules applicable to delivery settlement effected on a BTB basis in order to reflect the enhanced system capabilities to track such settlements offered by ENCORE Release 4.0, which is scheduled for installation on September 26, 2003;³

(4) Revise OCC's rules relating to buy-ins and sell-outs to parallel NSCC's

² The Commission has modified the text of the summaries prepared by OCC.

³ ENCORE Release 4.0, which includes updated systems for settlement of physical delivery stock options and stock futures, is the next major installation in OCC's multiyear project to rewrite its clearance and settlement system.
