SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-51289; File No. SR-DTC-2005-01]

Self-Regulatory Organizations; The Depository Trust Company; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Make Open-Ended Funds Depository Eligible

March 2, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on February 16, 2005, The Depository Trust Company ("DTC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I, II, and III below, which items have been prepared primarily by DTC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to make open-ended funds depository eligible.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, DTC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified

in Item IV below. DTC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Due to processing problems that DTC has experienced with open-ended funds in the past, open-ended funds are not eligible for deposit at DTC. The proposed rule change allows DTC to accept open-ended funds for deposit but will not make the full range of DTC services available for these funds. Participants will be able to hold open-ended funds in their accounts at DTC and will be able to pledge open-ended funds to other DTC participants using DTC's system. Other than holding and pledging, no other services (*i.e.*, redemption services, reorganization services, dividend payments, or valued transactions) will be available to participants for open-ended funds. Dividends paid on open-ended funds will not be paid to DTC but will be paid to participants outside of DTC's system pursuant to instructions the open-ended fund's issuer or its agent receives from participants. Participants will deposit shares in open-ended funds into their DTC accounts and will withdraw shares in open-ended funds from their DTC accounts through the Deposit or Withdrawal at Custodian ("DWAC") service.

The proposed rule change is consistent with the requirements of Section 17A of the Act³ and the rules and regulations thereunder applicable to DTC because it assures the safeguarding of securities and funds which are in the custody or control of DTC because DTC will safeguard open-ended funds in a manner consistent with the manner it safeguards other securities. It will also promote efficiencies related to pledges of open-ended funds.

(B) Self-Regulatory Organization's Statement on Burden on Competition

DTC does not believe that the proposed rule change will have any impact on or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments relating to the proposed rule change have been

solicited or received. DTC will notify the Commission of any written comments received by DTC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(iii) of the Act⁴ and Rule 19b-4(f)(4)⁵ thereunder because the proposed rule does not significantly affect the respective rights or obligations of the clearing agency or persons using the service and does not adversely affect the safeguarding of securities or funds in the custody or control of the clearing agency or for which it is responsible. At any time within sixty days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
