SUPPLEMENTARY INFORMATION:

Variable-Rate Premiums

Section 4006(a)(3)(E)(iii)(II) of the Employee Retirement Income Security Act of 1974 (ERISA) and § 4006.4(b)(1) of the PBGC's regulation on Premium Rates (29 CFR part 4006) prescribe use of an assumed interest rate (the "required interest rate") in determining a single-employer plan's variable-rate premium. Pursuant to the Pension Funding Equity Act of 2004, for premium payment years beginning in 2004 or 2005, the required interest rate is the "applicable percentage" (currently 85 percent) of the annual rate of interest determined by the Secretary of the Treasury on amounts invested conservatively in long-term investment grade corporate bonds for the month preceding the beginning of the plan year for which premiums are being paid. Thus, the required interest rate to be used in determining variable-rate premiums for premium payment years beginning in March 2005 is 4.56 percent (*i.e.*, 85 percent of the 5.36 percent composite corporate bond rate for February 2005 as determined by the Treasury).

The following table lists the required interest rates to be used in determining variable-rate premiums for premium payment years beginning between April 2004 and March 2005.

For premium payment years beginning in:	The required interest rate is:
April 2004	4.62
May 2004	4.98
June 2004	5.26
July 2004	5.25
August 2004	5.10
September 2004	4.95
October 2004	4.79
November 2004	4.73
December 2004	4.75
January 2005	4.73
February 2005	4.66
March 2005	4.56

Multiemployer Plan Valuations Following Mass Withdrawal

The PBGC's regulation on Duties of Plan Sponsor Following Mass Withdrawal (29 CFR part 4281) prescribes the use of interest assumptions under the PBGC's regulation on Allocation of Assets in Single-Employer Plans (29 CFR part 4044). The interest assumptions applicable to valuation dates in April 2005 under part 4044 are contained in an amendment to part 4044 published elsewhere in today's **Federal Register**.

Tables showing the assumptions applicable to prior periods are codified in appendix B to 29 CFR part 4044.

Issuer Delisting; Notice of Application of DynTek, Inc. To Withdraw Its Common Stock, \$.0001 par value, and Series A Convertible Preferred Stock and Warrants, From Listing and Registration on the Boston Stock Exchange, Inc.

March 9, 2005.

On February 23, 2005, DynTek, Inc. a Delaware corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its common stock, \$.0001 par value, and series A convertible preferred stock and warrants (collectively "Securities"), from listing and registration on the Boston Stock Exchange, Inc. ("BSE").

On February 3, 2005, the Board of Directors ("Board") of the Issuer approved resolutions to withdraw the Securities from listing and registration on BSE. The Board stated that the following reasons factored into its decision. In connection with the Issuer's voluntary withdrawal of Securities from inclusion for trading on Nasdaq SmallCap Market ("Nasdaq") on December 15, 2004, the Board determined that such withdrawal was in the best interests of the Issuer and its stockholders, and the Issuer's current principal market maker has acted to continue to make a market in the Securities on the OTC Bulletin Board. The Issuer believes that its stockholders would be better served by channeling its resources into efforts that will accelerate the profitable growth of the Issuer, and that the ongoing costs, distractions, and uncertainties of the process to maintain a Nasdaq listing for the Issuer at that time was warranted. After the Issuer's voluntary withdrawal from listing on Nasdaq, the Issuer received a letter

dated December 20, 2004 from BSE requesting additional information regarding the Issuer's decision to voluntary withdraw from Nasdaq, as well as other information pertaining to the listing of the Securities on BSE. After corresponding with BSE, the Board determined that it is in the best interest of the Issuer and its stockholders to voluntarily withdraw the listing of its Securities from BSE and requested that the Issuer's current market makers continue to make markets in the Securities on the OTC Bulletin Board.

The Issuer stated in its application that it has complied with BSE rules governing the withdrawal of a security from BSE by complying with all applicable laws in effect in the State of Delaware, the state in which the Issuer is incorporated, and by complying with BSE procedures for delisting by filing the required documents governing the withdrawal of a security from listing and registration on BSE.

The Issuer's application relates solely to withdrawal of the Securities from listing on BSE and from registration under Section 12(b) of the Act,³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before April 4, 2005, comment on the facts bearing upon whether the application has been made in accordance with the rules of the BSE, and what terms, if any, should be imposed by the Commission for the protection of investors. Issuer Delisting; Notice of Application of Earl Scheib, Inc. To Withdraw Its Capital Stock, \$1.00 Par Value, From Listing and Registration on the American Stock Exchange LLC

March 9, 2005.

On February 24, 2005, Earl Scheib, Inc., a Delaware corporation ("Issuer"), filed an application with the Securities and Exchange Commission ("Commission"), pursuant to Section 12(d) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 12d2-2(d) thereunder,² to withdraw its capital stock, \$1.00 par value ("Security"), from listing and registration on the American Stock Exchange LLC ("Amex").

On February 23, 2005, the Board of Directors ("Board") of the Issuer unanimously approved resolutions to withdraw the Security from listing on Amex. The Board stated that it determined it is in the best interest of the Issuer and its stockholders to withdraw the Security from Amex for the following reasons: (1) The Issuer has fewer than 300 record holders of the Security; (2) the Security trades in low volumes and, as a result, listing of the Security on Amex does not provide significant liquidity to stockholders; (3) the expense of maintaining the listing of the Security on Amex, including the cost of complying with the Act and the provision added by the Sarbanes-Oxley

Act of 2002, has had, and is expected in the future to have, a significant negative effect on the Issuer's earnings; (4) the Issuer's management believes the Issuer is the only publicly-traded chain operator of automotive paint and body shops, and that the costs of maintaining its listing on Amex and complying with the Act place the Issuer at a disadvantage with competitors who do not bear these costs nor make the required disclosures; (5) compliance with the Act and the listing rules of Amex demands significant attention from the Issuer's management and the Board, which attention would otherwise be devoted to developing the Issuer's business and pursuing strategic opportunities; and (6) the Issuer has not sought financing in public capital markets in many years, and the Issuer's management does not expect to do so for the foreseeable future.

The Issuer stated in its application that it has met the requirements of Amex Rule 18 by complying with all applicable laws in Delaware, in which it is incorporated, and with Amex's rules governing an issuer's voluntary withdrawal of a security from listing and registration.

The Issuer's application relates solely to withdrawal of the Security from listing on Amex and from registration under Section 12(b) of the Act,³ and shall not affect its obligation to be registered under Section 12(g) of the Act.⁴

Any interested person may, on or before April 4, 2005 comment on the facts bearing upon whether the application has been made in accordance with the rules of Amex, and what terms, if any, should be imposed by the Commission for the protection of investors.
