## **SECURITIES AND EXCHANGE COMMISSION**

[Release No. 34-51441; File No. SR-FICC-2005-06]

### **Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing of Proposed Rule Change To Change the Minimum Margin Deficiency Call Amount for Participants in Its Mortgage-Backed Securities Division**

March 28, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),<sup>1</sup> notice is hereby given that on March 11, 2005, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I, II, and III below, which items have been prepared primarily by FICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested parties.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The purpose of this proposed rule change is to change the minimum margin deficiency call amount for participants in the Mortgage-Backed Securities Division ("MBSD") of FICC.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.<sup>2</sup>

##### *(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

The purpose of the proposed rule change is to change the minimum margin deficiency call amount for MBSD participants to the lesser of \$250,000 or 25 percent of the value of a participant's margin deposit. Currently, the MBSD's procedures establish a minimum margin deficiency

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> The Commission has modified the text of the summaries prepared by FICC.

call amount of \$1,000. Upon review, FICC has determined that the minimum margin deficiency call amount creates unnecessary operational burdens and allocation of resources for a collection of margin calls that FICC believes is insubstantial from a risk perspective. On average, the MBSD makes 17 margin calls per day of which approximately five are for amounts under \$250,000.

FICC seeks to harmonize the rules of its two divisions, the Government Securities Division ("GSD") and Mortgage-Backed Securities Division ("MSBD"), wherever prudent and possible. The rules of the GSD provide for a minimum Clearing Fund deficiency call amount for margin requirement increases of the lesser of \$250,000 or 25 percent of the value of the member's collateral deposits.<sup>3</sup> Under the proposed rule, the minimum margin deficiency call amount for MBSD participants would be the lesser of \$250,000 or 25 percent of the value of a participant's margin deposit. FICC believes this would eliminate the operational burdens associated with the collection of *de minimis* margin amounts and would harmonize the rules of FICC's two divisions.<sup>4</sup>

FICC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act<sup>5</sup> and the rules and regulations thereunder applicable to FICC because it allows for a less burdensome application of its margin call process without presenting material risk to FICC or its participants. As such, FICC believes the proposed rule assures the safeguarding of securities and funds that are in the custody and control of FICC or for which it is responsible.

#### *(B) Self-Regulatory Organization's Statement on Burden on Competition*

FICC does not believe that the proposed rule change will have any impact or impose any burden on competition.

#### *(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

Written comments relating to the proposed rule change have not yet been solicited or received. FICC will notify

the Commission of any written comments received by FICC.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within thirty-five days of the date of publication of this notice in the **Federal Register** or within such longer period:

(i) As the Commission may designate up to ninety days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding; or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.
