SUPPLEMENTARY INFORMATION:

Classification

This proposed rule has been reviewed under Executive Order 12866 and determined not to be significant and has not been reviewed by the Office of Management and Budget (OMB).

Programs Affected

The Catalog of Federal Domestic Assistance number for the program impacted by this action is 10.768, Business and Industry Loans.

Intergovernmental Review

Business and Industry Guaranteed Loans are subject to the provisions of Executive Order 12372, which require intergovernmental consultation with State and local officials. RBS will conduct intergovernmental consultation in the manner delineated in and 7 CFR part 3015, subpart V, "Intergovernmental Review of Rural Development Programs and Activities."

Civil Justice Reform

This proposed rule has been reviewed under Executive Order 12988, Civil Justice Reform. In accordance with this rule, (1) all State and local laws and regulations that are in conflict with this rule will be preempted; (2) no retroactive effect will be given this rule; and (3) administrative proceedings of the National Appeals Division (7 CFR

part 11) must be exhausted before bringing suit in court challenging action taken under this rule.

Environmental Impact Statement

This document has been reviewed in accordance with 7 CFR part 1940, subpart G, "Environmental Program." RBS has determined that this action does not constitute a major Federal action significantly affecting the quality of the human environment, and in accordance with the National Environmental Policy Act (NEPA) of 1969, 42 U.S.C. 4321 *et seq.*, this regulation is a Categorical Exclusion. Loan applications will be reviewed individually to determine compliance with NEPA.

Unfunded Mandates Reform Act

Title II of the Unfunded Mandates Reform Act 1995 (UMRA) of, Pub. L. 104-4 of 1995, establishes requirements for Federal Agencies to assess the effects of their regulatory actions on State, local, and tribal governments and the private sector. Under section 202 of the UMRA, RBS generally must prepare a written statement, including a cost-benefit analysis, for proposed and final rules with "Federal mandates" that may result in expenditures to State, local, or tribal governments, in the aggregate, or to the private sector of \$100 million or more in any 1 year. When such a statement is needed for a rule, section 205 of UMRA generally requires RBS to identify and consider a reasonable number of regulatory alternatives and adopt the least costly, more cost-effective, or least burdensome alternative that achieves the objectives of the rule. This rule contains no Federal mandates (under the regulatory provisions of Title II of the UMRA) for State, local, and tribal governments or the private sector. Thus, this rule is not subject to the requirements of sections 202 and 205 of the UMRA.

Regulatory Flexibility Act

In compliance with the Regulatory Flexibility Act, RBS has determined that this action would not have a significant economic impact on a substantial number of small entities, because the action will not affect a significant number of small entities, as defined by the Regulatory Flexibility Act (5 U.S.C. 601). RBS made this determination based on the fact that this regulation only impacts those who choose to participate in the program. Small entity applicants will not be impacted to a greater extent than large entity applicants.

Executive Order 13132

It has been determined that, under Executive Order 13132, Federalism, this rule does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment. The provisions contained in this rule will not have a substantial direct effect on States or their political subdivisions or on the distribution of power and responsibilities among the various levels of government.

Executive Order 13175

Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, imposes requirements on USDA in the development of regulatory policies that have tribal implications or preempt tribal laws. USDA has determined that the proposed regulation does not have a substantial direct effect on one or more Indian tribe or on either the relationship or the distribution of powers and responsibilities between the Federal Government and the Indian tribes. Thus, the proposed rule is not subject to the requirements of Executive Order 13175.

Paperwork Reduction Act

In accordance with the Paperwork Reduction Act of 1995, the Agency will seek OMB approval of the reporting requirements contained in this regulation. These reporting and recordkeeping requirements have been previously approved under OMB control number 0570-0017. The estimate of burden is as follows:

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 30 minutes per response.

ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to Cheryl Thompson, Regulations and Paperwork Management Branch, Support Services Division, U.S. Department of Agriculture, Rural Development, STOP 0742, 1400 Independence Ave., SW., Washington DC 20550. All responses to the notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Discussion

Pursuant to the Debt Collection Improvement Act of 1996 (DCIA), the Agency is required to send debt owed to the Government to the Department of the Treasury (Treasury) for collection. The DCIA covers both guaranteed and direct loans made by the Agency. Some ambiguity has existed regarding the Agency's ability to collect from guarantors of the borrower's loan. This rule will end that ambiguity by clearly making guarantors personally liable for any claims paid by the Government.

The Agency proposes to establish more uniformity in the guarantees being obtained by lenders. This should result in the program being administered more consistently and the Government recovering more of its loss claims. Currently, guaranteed lenders prepare non-uniform, personal, or corporate guarantees. When there is a loss on the guaranteed loan, the lender pursues these guarantees with mixed recovery results. By implementing this rule, the Agency will treat all guarantors consistently, collect more money on its loss claims, and rectify any ambiguities regarding its ability to refer these debts to Treasury.

Therefore, chapter XLII, title 7, Code of Federal Regulations, is amended as follows:

PART 4279—GUARANTEED LOANMAKING

1. The authority citation for part 4279 continues to read as follows:

Authority: 7 U.S.C 1989.

Subpart B—Business and Industry Loans

2. Section 4279.149 is revised to read as follows:

§ 4279.149 Personal and Corporate Guarantee.

(a) Unconditional personal and corporate guarantees are part of the collateral for the loan but are not considered in determining whether a loan is adequately secured for loanmaking purposes. Agency approved personal and corporate guarantees for the full term of the loan and at least equal to the guarantor's percent interest in the borrower, times the loan amount are required from those owning greater than a 20 percent interest in the borrower, unless the lender documents to the Agency's satisfaction that collateral, equity, cashflow, and profitability indicate an above-average ability to repay the loan. The guarantors will execute Form RD 4279-14, "Unconditional Guarantee." A signature section must be created and in accordance with applicable law. The signature block must include the legal name of the individual or entity signing the Guarantee and, where applicable, the name and title of the authorized representative who will execute the document on its behalf. For instructions on how to complete an enforceable signature block that complies with applicable state law, consult with the Regional Attorney. When warranted by an Agency assessment of potential financial risk, Agency approved guarantees may also be required of parent, subsidiaries, or affiliated companies (owning less than a 20 percent interest in the borrower) and require security for any guarantee provided under this section.

(b) Exceptions to the requirement for personal guarantees must be requested by the lender and concurred by the Agency approval official on a case-by-case basis. The lender must document that collateral, equity, cashflow, and profitability indicate an above-average ability to repay the loan.

Airworthiness Directives; McDonnell Douglas Model DC-10-10, DC-10-10F, DC-10-15, DC-10-30, DC-10-30F (KC-10A and KDC-10), DC-10-40, DC-10-40F, MD-10-10F, MD-10-30F, MD-11, and MD-11F Airplanes

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice of proposed rulemaking (NPRM).

SUMMARY: The FAA proposes to adopt a new airworthiness directive (AD) for certain McDonnell Douglas airplanes identified above. This proposed AD would require repetitive functional tests for noisy or improper operation of the exterior emergency control handle assemblies of the mid, overwing, and aft passenger doors, and corrective actions if necessary. This proposed AD also would provide for optional terminating action for the repetitive tests. This proposed AD is prompted by a report that the exterior emergency control mechanism handles were inoperative on a McDonnell Douglas MD-11 airplane. We are proposing this AD to prevent failure of the passenger doors to operate properly in an emergency condition, which could delay an emergency evacuation and possibly result in injury to passengers and flightcrew.

DATES: We must receive comments on this proposed AD by May 23, 2005.
