DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce (DOC) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: Bureau of Industry and Security (BIS).

Title: National Defense Authorization Act (NDAA).

Agency Form Number: BIS-742R, BIS-742S.

OMB Approval Number: 0694-0107.

Type of Request: Extension of a currently approved collection of information.

Burden: 35 hours.

Average Time Per Response: 15 minutes per response.

Number of Respondents: 140 respondents.

Needs and Uses: This collection of information is required as the result of the amending of the Export Administration Regulations (15 CFR parts 730-799) (EAR) by revising the (EAR) requirements for exports and reexports contained in Sections 1211-1215 of the National Defense Authorization Act (NDAA) for fiscal year 1998 (Pub. L. 105-85, 111 Stat. 1629), signed by the President on November 18, 1997. The Bureau of Industry and Security (BIS) needs the information in this collection to fulfill two requirements of the National Defense Authorization Act for Fiscal Year 1998 (NDAA). Those requirements are: (1) Proposed exports and reexports of high performance computers to specific countries must be reviewed by enumerated government agencies prior to the export and (2) that the government conduct a "post shipment verification" of each high performance computer exported to those countries after November 17, 1997. Both of these requirements are new and were imposed by the Congress with the passage of the NDAA. To simplify the latter, BIS has developed a new form that will incorporate the relevant data elements and replace the written report, thereby standardizing the data format for the applicant, and enabling the use of information technology in the processing of the data.

Affected Public: Individuals, businesses or other for-profit institutions.

Respondent's Obligation: Mandatory.

OMB Desk Officer: David Rostker.

Brake Rotors from the People's Republic of China: Extension of Time Limit for Final Results in the Seventh Antidumping Duty Administrative Review and the Eleventh New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 16, 2005.

FOR FURTHER INFORMATION CONTACT:

Amber Musser at (202) 482-1777, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC, 20230.

SUPPLEMENTARY INFORMATION:

Background

On May 9, 2005, the Department of Commerce ("the Department") published the preliminary results of the administrative review and the new shipper review of the antidumping duty order on brake rotors from the People's Republic of China. *See Brake Rotors from the People's Republic of China: Preliminary Results and Partial Rescission of Seventh Administrative Antidumping Duty Administrative Review and Eleventh New Shipper Review*, 70 FR 24382 (May 9, 2005) ("Preliminary Results").¹ The results of this administrative and new shipper review are currently due no later than September 6, 2005.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a final determination in an administrative review of an antidumping duty order within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the

review within the foregoing time, the administering authority may extend that 120-day period to 180 days. In this case, the Department finds that it is not practicable to complete the final results in the administrative review and new shipper review of brake rotors from the PRC within the current time frame due to the large number of companies participating in this review. There are fourteen companies participating in the administrative review, and one company participating in the new shipper review.

Therefore, in accordance with sections 751(a)(3)(A) of the Act, the Department is extending the time for completion of the final results of this review until no later than November 7, 2005, which is the next business day after 180 days from the date of the publication of the *Preliminary Results*.

This notice is issued and published in accordance with Section 751(a)(3)(A) of the Act.

Dated: June 9, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.
