BILLING CODE 4140-01-M

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4992-N-09]

Privacy Act of 1974; Notice of a Computer Matching Program

AGENCY: Office of the Chief Information Officer, HUD.

ACTION: Notice of a computer matching program between the Department of Housing and Urban Development and the Department of Education.

SUMMARY: In accordance with the Privacy Act of 1974 (5 U.S.C. 552a), as amended by the Computer Matching and Privacy Protection Act of 1988 (Pub. L. 100-503), and the Office of Management and Budget (OMB) Guidelines on the Conduct of Matching Programs (54 FR 25818 (June 19, 1989); and OMB Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB), Congress and the Public," HUD is issuing a public notice of its intent to conduct a recurring computer matching program with the Department of Education to utilize a computer information system of HUD, the Credit Alert Interactive Voice Response System (CAIVRS), with the Department of Education's debtor files. This match will allow prescreening of applicants for loans issued by or guaranteed by the federal government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the federal government for HUD or the Department of Education for direct or guaranteed loans.

Before granting a loan, the lending agency and/or the authorized lending institution will be able to interrogate the CAIVRS debtor file which contains

delinquent debt information from the Departments of Agriculture, Education, Veteran Affairs, the Small Business Administration and judgment lien data from the Department of Justice, and verify that the applicant is not in default on a Federal judgment or delinquent on direct or guaranteed loans of participating Federal agencies. This match will allow prescreening of applicants for loans issued by or guaranteed by the federal government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the federal government.

Authorized users do a prescreening of CAIVRS to determine a loan applicant's credit status with the federal government. As a result of the information produced by this match, the authorized users may not deny, terminate, or make a final decision on any loan assistance to an applicant or take other adverse action against such applicant, until an officer or employee of such agency has independently verified such information.

DATES: *Effective Date:* Computer matching is expected to begin July 29, 2005, unless comments are received which will result in a contrary determination, or 40 days from the date a computer matching agreement is signed, whichever is later.

Comments Due Date: July 29, 2005.

ADDRESSES: Interested persons are invited to submit comments regarding this notice to the Rules Docket Clerk, Office of General Counsel, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW., Washington, DC 20410.

Communications should refer to the above docket number and title. A copy of each communication submitted will be available for public inspection and copying between 8 a.m. and 5 p.m. weekdays at the above address.

FOR FURTHER INFORMATION CONTACT:

From Recipient Agency Jeanette Smith, Departmental Privacy Act Officer, Department of Housing and Urban Development, 451 7th St., SW., Room P8001, Washington, DC 20410, telephone number (202) 708-2374. number (202) 377-3252. (This is not a toll-free number.)

Reporting: In accordance with Pub. L. 100-503, the Computer Matching and Privacy Protection Act of 1988, as amended, and OMB Bulletin 89-22, "Instructions on Reporting Computer Matching Programs to the Office of Management and Budget (OMB), Congress and the Public," copies of this notice and report are being provided to the Committee on Government Reform of the House of Representatives, the Committee on Homeland Security and Governmental Affairs of the Senate, and OMB.

Authority: HUD has authority to collect and review mortgage data pursuant to the National Housing Act, as amended, 12 U.S.C. 1701 *et seq.*, and related laws. The Department of Education oversees and manages federal student aid programs pursuant to the Higher Education Act of 1965, as amended, 20 U.S.C. 1001 *et seq.* This computer matching will be conducted pursuant to Pub. L. 100-503, "The Computer Matching and Privacy Protection Act of 1988," as amended, and Office of Management and Budget (OMB) Circulars A-129 (Managing Federal Credit Programs) and A-70 (Policies and Guidelines for Federal Credit Programs). One of the purposes of all Executive departments and agencies is to implement efficient management practices for Federal Credit Programs. OMB Circulars A-129 and A-70 were issued under the authority of the Budget and Accounting Act of 1921, as amended; the Budget and Accounting Act of 1950, as amended; the Debt Collection Act of 1982 (Pub. L. 97-365), as amended by the Debt Collection Improvement Act of 1996 (Pub. L. 104-134, section 31001); and the Deficit Reduction Act of 1984, as amended.

Objectives To Be Met By the Matching Program: The matching program will allow the Department of Education access to a system that permits prescreening of applicants for loans issued by or guaranteed by the federal government to ascertain if the applicant is delinquent in paying a debt owed to or insured by the government. In addition, HUD will be provided access to the Department of Education's debtor data for prescreening purposes.

Records To Be Matched: HUD will utilize its system of records entitled HUD/DEPT-2, *Accounting Records*. The debtor files for HUD programs involved are included in this system of records. HUD's debtor files contain information on borrowers and co-borrowers who are currently in default (at least 90 days delinquent on their loans); or who have any outstanding claims paid during the last three years on insured or guaranteed home mortgage loans under Title II of the National Housing Act; or individuals who have had a claim paid in the last three years on a loan under

Title I of the National Housing Act. For the CAIVRS match, HUD/DEPT-2, System of Records, receives its program inputs from HUD/DEPT-28, Property Improvement and Manufactured (Mobile) Home Loans—Default; HUD/DEPT-32, Delinquent/Default/Assigned Temporary Mortgage Assistance Payments (TMAP) Program; and HUD/CPD-1, Rehabilitation Loans—Delinquent/Default.

The Department of Education will provide HUD with debtor files contained in its system of records (Higher Education Act, Title IV Program File, 18-40-0024). HUD is maintaining the Department of Education's records only as a ministerial action on behalf of the Department of Education, not as part of HUD's HUD/DEPT-2 system of records. The Department of Education's data contain information on individuals who have defaulted on their guaranteed loans. The Department of Education will retain ownership and responsibility for their system of records that they place with HUD. HUD serves only as a record location and routine use recipient for the Department of Education's data.

Notice Procedures: HUD and the Department of Education have separate notification procedures. When the federal credit being sought is a HUD/FHA mortgage, HUD will notify individuals at the time of application (ensuring that routine use appears on the application form). The Department of Education will notify individuals at the time of application for federal student loan programs that their records will be matched to determine whether they are delinquent or in default on a federal debt. HUD and the Department of Education will also publish notices concerning routine use disclosures in the **Federal Register** to inform individuals that a computer match may be performed to determine a loan applicant's credit status with the Federal government.

Categories of Records/Individuals Involved: The debtor records include these data elements: SSN, claim number, the Department of Education's Regional Office Code, Collection Agency Code, program code, and indication of indebtedness. Categories of records include: records of claims and defaults, repayment agreements, credit reports, financial statements, and records of foreclosures. Categories of individuals include former mortgagors and purchasers of HUD-owned properties, manufactured (mobile) home and home improvement loan debtors who are delinquent or in default on their loans, and rehabilitation loan debtors who are delinquent or in default on their loans.

Period of the Match: Matching will begin at least 40 days from the date copies of the signed (by both Data Integrity Boards) computer matching agreement are sent to both Houses of Congress or at least 30 days from the date this notice is published in the **Federal Register**, whichever is later, providing no comments are received which would result in a contrary determination.

Dated: June 20, 2005.

Chief Information Officer.

SUPPLEMENTARY INFORMATION:

I. Abstract

The Source Directory of American Indian and Alaska Native owned and operated arts and crafts enterprises is a program of the Indian Arts and Crafts Board that promotes American Indian and Alaska Native arts and crafts. The Source Directory is a forty-one page full-color illustrated publication featuring fine examples of contemporary American Indian and Alaska Native art from the major cultural areas in the United States. The Source Directory also comes with a listing of American Indian and Alaska native owned and operated arts and crafts businesses. This listing is included as an insert in the back cover of the Source Directory.

The service of being listed in this publication is provided free-of-charge to members of federally recognized tribes. Businesses listed in the Source Directory include American Indian and Alaska Native artists and craftspeople, cooperatives, tribal arts and crafts enterprises, businesses privately-owned-and-operated by American Indian and Alaska native artists, designers, and craftspeople, and businesses privately

owned-and-operated by American Indian and Alaska Native merchants who retail and/or wholesale authentic Indian and Alaska native arts and crafts. Business listings in the Source Directory are arranged alphabetically by State. The Source Directory may be ordered either from the Oklahoma Arts and Crafts Cooperative, P.O. Box 966, Anadarko, Oklahoma 73005 or the Sioux Indian Museum, 222 New York Street, Rapid City, South Dakota 57701, for a cost of \$11.50 which includes shipping and handling. The business listings are also available on the Board's Web site (<http://www.iacb.doi.gov>).

The Director of the Board uses this information to determine whether an individual or business applying to be listed in the Source Directory meets the requirements for listing. The approved application will be printed in the Source Directory. The Source Directory is updated annually to include new businesses and to update existing information.

II. Method of Collection

To be listed in the Source Directory, interested individuals and businesses must submit: (1) a letter requesting an entry in the Source Directory, (2) a draft of their business information in a format like the other Source Directory listings, (3) a copy of the individual's or business owner's tribal enrollment card; and for businesses, proof that the business is organized under tribal, State, or Federal law; and (4) a certification that the business is an American Indian or Alaska Native owned and operated cooperative, tribal enterprise, or nonprofit organization or that the owner of the enterprise is an enrolled member of a federally recognized American Indian tribe or Alaska Native group.
