Synopsis

Each year, the Interstate TRS Fund Administrator, currently the National Exchange Carrier Association, Inc. (NECA), collects and reviews projected cost and minutes of use data submitted by TRS providers to determine the annual TRS compensation rates for the various forms of TRS. On April 25, 2005, NECA filed its annual Interstate Telecommunications Relay Services Fund Payment Formula and Fund Size Estimate for the period of July 1, 2005 through June 6, 2006. (NECA, *Interstate Telecommunications Relay Services Fund Payment Formula and Fund Size Estimate*, CC Docket No. 98-67, filed April 25, 2005 (2005 NECA Filing)). As NECA explains in its filing, it performs a detailed analysis of the providers' data to determine, among other things, whether all of the costs submitted may be properly included in the rate
