BILLING CODE 3410-11-C

DEPARTMENT OF AGRICULTURE**Natural Resources Conservation Service****Hatch Valley Arroyos Site 6 (Garfield Dam), Doña Ana County, NM**

AGENCY: Natural Resources Conservation Service.

ACTION: Notice of a finding of no significant impact.

SUMMARY: Pursuant to section 102(2)(c) of the National Environmental Policy Act of 1969; the Council on Environmental Quality Regulations (40 CFR part 1500); and the Natural Resources Conservation Service Rules (7

CFR part 650); the Natural Resources Conservation Service, U.S. Department of Agriculture, gives notice that an environmental impact statement is not being prepared for the rehabilitation of Hatch Valley Arroyos Site 6 (Garfield Dam) in Doña Ana County, New Mexico.

FOR FURTHER INFORMATION CONTACT: Rosendo Treviño III; State Conservationist; Natural Resources Conservation Service; 6200 Jefferson, NE; Albuquerque, NM 87109-3734; telephone (505) 761-4400.

SUPPLEMENTARY INFORMATION: The environmental assessment (EA) of this federally assisted action indicates that the project will not cause significant local, regional, or national effects on the human environment. As a result of these findings, Rosendo Treviño III, State

Conservationist, has determined that the preparation and review of an environmental impact statement are not needed for this project.

The project purpose is flood damage reduction. The action includes the rehabilitation of a floodwater retarding dam. The Notice of a Finding of No Significant Impact (FNSI) has been forwarded to the Environmental Protection Agency; various Federal, State, and local agencies; and interested parties. A limited number of copies of the FNSI are available to fill single copy requests at the above address. Basic data developed during the EA are on file and may be reviewed by contacting Rosendo Treviño III. No administrative action on implementation of the proposed action will be taken until 30 days after the date

of this publication in the **Federal Register**.

Rosendo Treviño III,
State Conservationist.

Fresh Garlic From the People's Republic of China: Notice of Extension of Time Limit for the Preliminary Results of New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of new shipper reviews of the antidumping duty order on fresh garlic from the People's Republic of China until October 25, 2005, pursuant to Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act). This extension applies to the new shipper reviews of Shanghai LJ International Trading Co., Ltd. and Zhangqiu Qingyuan Vegetable Co., Ltd., covering the period of November 1, 2003, through October 31, 2004.

EFFECTIVE DATE: July 5, 2005.

FOR FURTHER INFORMATION CONTACT: Coleen Schoch or Brian Ledgerwood, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-45541 and (202) 482-3836, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 5, 2005, the Department of Commerce (the Department) announced the initiation of the new shipper reviews of Shanghai LJ International Trading Co., Ltd. (Shanghai LJ), Zhangqiu Qingyuan Vegetable Co., Ltd. (Qingyuan) and Huaiyang Huamei Foodstuff Co., Ltd. (Huamei). See *Notice of Initiation of New Shipper Antidumping Duty Reviews: Fresh Garlic from the People's Republic of China*, 70 FR 779. The new shipper review of Huamei was rescinded by the Department on May 25, 2005. See

Notice of Initiation of New Shipper Antidumping Duty Reviews: Fresh Garlic from the People's Republic of China, 70 FR 30081.

Section 751(a)(2)(B)(iv) of the Act provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the date on which the new shipper review was initiated. The Act also provides that the Department may extend that 180-day period to 300 days if it concludes that the new shipper review is extraordinarily complicated. See also 19 CFR 351.214(i).

The Department has determined that these reviews are extraordinarily complicated and it is not practicable to complete the preliminary results by the current deadline of June 27, 2005. There are a number of complex factual, methodological, and legal issues related to the calculation of the antidumping margins for these new shipper reviews that are currently before the Department. Therefore, in accordance with 19 CFR 351.214(i)(2), the Department is extending the time limit for the preliminary results until no later than October 25, 2005. We are issuing and publishing this notice in accordance with sections 751(a)(2)(B) and 777(i) of the Act and 19 CFR 351.214(I).

Dated: June 27, 2005.

Barbara E. Tillman,

Acting Deputy Assistant Secretary for Import Administration.

Quarterly Update to Annual Listing of Foreign Government Subsidies on Articles of Cheese Subject to an In-Quota Rate of Duty

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce, in consultation with the Secretary of Agriculture, has prepared its quarterly update to the annual list of foreign government subsidies on articles of cheese subject to an in-quota rate of duty during the period January 1, 2005, through March 31, 2005. We are publishing the current listing of those subsidies that we have determined exist.

DATES: Effective July 5, 2005.

FOR FURTHER INFORMATION CONTACT:

Tipten Troidl or Eric Greynolds, AD/CVD Operations, Office 3, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230, telephone: (202) 482-1767 or 6071, respectively.

SUPPLEMENTARY INFORMATION: Section 702 of the Trade Agreements Act of 1979 (as amended) ("the Act") requires the Department of Commerce ("the Department") to determine, in consultation with the Secretary of Agriculture, whether any foreign government is providing a subsidy with respect to any article of cheese subject to an in-quota rate of duty, as defined in section 702(h) of the Act, and to publish an annual list and quarterly updates of the type and amount of those subsidies. We hereby provide the Department's quarterly update of subsidies on articles of cheese that were imported during the period January 1, 2005, through March 31, 2005.

The Department has developed, in consultation with the Secretary of Agriculture, information on subsidies (as defined in section 702(h) of the Act) being provided either directly or indirectly by foreign governments on articles of cheese subject to an in-quota rate of duty. The appendix to this notice lists the country, the subsidy program or programs, and the gross and net amounts of each subsidy for which information is currently available. The Department will incorporate additional programs which are found to constitute subsidies and additional information on the subsidy programs listed, as the information is developed.

The Department encourages any person having information on foreign government subsidy programs which benefit articles of cheese subject to an in-quota rate of duty to submit such information in writing to the Assistant Secretary for Import Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

This determination and notice are in accordance with section 702(a) of the Act.

Dated: June 28, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
