

Notices

Federal Register

Vol. 70, No. 132

Tuesday, July 12, 2005

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Agricultural Marketing Service

[Docket No. FV05-929-610 REVIEW]

Cranberries Grown in States of Massachusetts, et al.

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice of review and request for comments.

SUMMARY: This notice announces that the Agricultural Marketing Service (AMS) plans to review Marketing Order 929 for cranberries grown in Massachusetts, Rhode Island, Connecticut, New Jersey, Wisconsin, Michigan, Minnesota, Oregon, Washington, and Long Island in the State of New York, under the criteria contained in section 610 of the Regulatory Flexibility Act (RFA).

DATES: Written comments on this notice must be received by September 12, 2005.

ADDRESSES: Interested persons are invited to submit written comments concerning this notice of review. Comments must be sent to the Docket Clerk, Marketing Order Administration Branch, Fruit and vegetable Programs, AMS, USDA, 1400 Independence Avenue, SW., STOP 0237, Washington, DC 20250-0237; Fax: (202) 720-8938, or e-mail: moab.docketclerk@usda.gov, or Internet: <http://www.regulations.gov>. All comments should reference the docket number and the date and page number of this issue of the **Federal Register** and will be made available for public inspection in the Office of the Docket Clerk during regular business hours, or may be viewed at <http://www.ams.usda.gov/fv/moab.html>.

FOR FURTHER INFORMATION CONTACT: Kenneth G. Johnson, Marketing Order Administration Branch, Fruit and Vegetable Programs, AMS, USDA, Suite 2A04, Unit 155, 4700 River Road,

Riverdale, MD 20737; Telephone: (301) 734-5243; Fax: (301) 734-5275; e-mail: Kenneth.Johnson@usda.gov; or George Kelhart, Marketing Order Administration Branch, Fruit and Vegetable Programs, AMS, USDA, 1400 Independence Avenue, SW., STOP 0237, Washington, DC 20250-0237; (202) 720-8938, or e-mail: George.Kelhart@usda.gov.

SUPPLEMENTARY INFORMATION: Marketing Order No. 929, as amended (7 CFR part 929), regulates the handling of cranberries grown in States of Massachusetts, Rhode Island, Connecticut, New Jersey, Wisconsin, Michigan, Minnesota, Oregon, Washington, and Long Island in the State of New York. The marketing order is effective under the Agricultural Marketing Agreement Act of 1937 (AMAA), as amended (7 U.S.C. 601-674).

AMS initially published in the **Federal Register** (63 FR 8014; February 18, 1999) its plan to review certain regulations, including Marketing Order No. 929, under criteria contained in section 610 of the Regulatory Flexibility Act (RFA; 5 U.S.C. 601-612). An updated plan was published in the **Federal Register** on January 4, 2002 (67 FR 525). The plan was modified again and published in the **Federal Register** on August 14, 2003 (68 FR 48574). Because many AMS regulations impact small entities, AMS has decided, as a matter of policy, to review certain regulations which, although they may not meet the threshold requirement under section 610 of the RFA, warrant review.

The purpose of the review will be to determine whether the marketing order for cranberries grown in States of Massachusetts, Rhode Island, Connecticut, New Jersey, Wisconsin, Michigan, Minnesota, Oregon, Washington, and Long Island in the State of New York should be continued without change, amended, or rescinded (consistent with the objectives of the AMAA) to minimize the impacts on small entities. In conducting this review, AMS will consider the following factors: (1) The continued need for the marketing order; (2) the nature of complaints or comments received from the public concerning the marketing order; (3) the complexity of the marketing order; (4) the extent to which the marketing order overlaps,

duplicates, or conflicts with other Federal rules, and, to the extent feasible, with State and local governmental rules; and (5) the length of time since the marketing order has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the marketing order.

Written comments, views, opinions, and other information regarding the cranberry marketing order's impact on small businesses are invited.

Dated: July 7, 2005.

Kenneth C. Clayton,

Acting Administrator, Agricultural Marketing Service.
