

meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program and will provide an advantage to potential bidders attending the meeting. The discussion of this information would be likely to significantly impede implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On August 5, the full Board will meet in open session from 8:30 a.m. to 12:30 p.m. The Board will approve the agenda and the Chairman will introduce a new Board member, who will then be administered the Oath of Office by Secretary of Education, Margaret Spellings. The Board will then hear the Executive Director's report and receive an update on the work of the National Center for Education Statistics (NCES) from the Director of the Institute of Education Sciences.

From 10:30 a.m. to 12:30 p.m. on August 5, the Board's standing committees—the Assessment Development Committee; the Committee on Standards, Design, and Methodology; and the Reporting and Dissemination Committee—will meet in open session.

The full Board will meet in closed session on August 5 from 12:30 p.m. to 2 p.m. The Board will preview the 2005 draft NAEP Reading and Mathematics results presented by the Associate Commissioner, National Center for Education Statistics. The data constitute a major basis for the national release of the Reading and Mathematics Report Cards in the fall of 2005 and cannot be released in an open meeting prior to the official release of the report. The meeting must therefore be conducted in closed session as disclosure of data would significantly impede implementation of the NAEP release activities, and is therefore protected by exemption 9(B) of section 552b(c) of Title 5 U.S.C.

On August 5, the full Board will meet in open session from 2 p.m. to 4:30 p.m. At 2:15 p.m. Board members will receive an update on the NAEP 2009 Science Framework project, followed by Board discussion of options to consider for 12th Grade State NAEP from 3:15 p.m. to 4:30 p.m. upon which the August 5 session of the Board meeting will conclude.

On August 6, the full Board will convene in open session from 8:30 a.m. to 12 p.m. At 8:30 a.m., the Board will receive results of two research studies on assessment by computer in Mathematics and Writing. Board actions on policies and Committee reports are

scheduled to take place between 10:15 a.m. and 12 p.m., upon which the August 6, 2005 session of the Board meeting will adjourn.

Detailed minutes of the meeting, including summaries of the activities of the closed sessions and related matters that are informative to the public and consistent with the policy of section 5 U.S.C. 552b(c) will be available to the public within 14 days of the meeting. Records are kept of all Board proceedings and are available for public inspection at the U.S. Department of Education, National Assessment Governing Board, Suite #825, 800 North Capitol Street, NW., Washington, DC, from 9 a.m. to 5 p.m. eastern standard time.

Dated: July 14, 2005.

Charles E. Smith,

Executive Director, National Assessment Governing Board.
