Pursuant to this section, the Secretary of Homeland Security, "acting through the Under Secretary for Science and Technology, shall have the authority to establish * * * 1 or more federally funded research and development centers to provide independent analysis of homeland security issues, or to carry out other responsibilities under this Act * * *."

This notice is provided pursuant to 5.205(b) of the Federal Acquisition Regulations (FAR), 48 CFR 5.205(b), to enable interested members of the public to provide comments to DHS on this proposed action. The potential FFRDC procurement will involve a Request for Proposals shortly after the agency has reviewed any comments received on this and the two prior notices. Upon request, a copy of the Request for Proposals, including the scope of work for the proposed FFRDC, will be provided to any interested party or parties. National Communications System

[Docket No. DHS-2005-0051]

Notice of Revised Agenda and Partial Closure for the July 27, 2005, Meeting of the President's National Security Telecommunications Advisory Committee

AGENCY: National Communications System (NCS).

ACTION: Notice of partially closed meeting.

SUMMARY: The President's National Security Telecommunications Advisory Committee (NSTAC) will meet on Wednesday, July 27, 2005, from 2 p.m. until 3 p.m. The meeting will take place via teleconference and will be partially closed to the public. For access to the conference bridge and meeting materials, interested members of the public should contact Ms. Elizabeth Hart at (703) 289-5948, or by e-mail at hart_elizabeth@bah.com by 5 p.m. on Monday, July 25, 2005.

The NSTAC advises the President of the United States on issues and problems related to implementing national security and emergency preparedness (NS/EP) telecommunications policy. Between 2 p.m. and 2:30 p.m. the members will discuss the NSTAC work plan for the coming year and the activities of two NSTAC task forces. This portion of the meeting remains open to the public.

Basis for Closure

Notice of the July 27th meeting of the NSTAC was submitted for publication in the **Federal Register** on July 7, 2005, and published on July 12, 2005 (70 FR 40052). Subsequent to the July 7 terrorist attacks in London, however, the NSTAC asked Robert B. Stephan, Assistant Secretary for Infrastructure Protection, Department of Homeland Security (Department), to discuss the attacks during the July 27 NSTAC meeting. This topic will be incorporated into the discussions of Exercise Pinnacle and the National Infrastructure Protection Plan (NIPP), items which have been on the agenda since notice of this meeting appeared in the **Federal Register** on July 12, 2003. The combined discussion of the London attacks, Exercise Pinnacle, and the NIPP will occur between 2:30 and 3 p.m. and will likely involve sensitive information on the release of which would likely frustrate the Department's ability to implement the NIPP, safeguard critical facilities, and implement response and recovery activities. Accordingly, the Department has determined that this portion of the meeting will be closed to the public.

Notice of the partial closure of this meeting is given pursuant to 41 CFR 102-3.150 which allows such notice within 15 calendar days of a meeting due to exceptional circumstances. Given the timing of the London attacks, earlier notice of this agenda change was not possible.
