I. Funding Opportunity Description

A. Available Funds. This NOFA announces the availability of approximately \$5 million in Fiscal Year (FY) 2004 funds to produce affordable housing in HUD-defined Main Street rejuvenations.

B. Purpose of the Program. The purpose of the HOPE VI Main Street program is to provide grants to small communities to assist in the rehabilitation and new construction of affordable housing in conjunction with an existing program to revitalize an historic or traditional central business district or "Main Street Area." The objectives of the program are to:

1. Redevelop Main Street Areas;
2. Preserve historic or traditional architecture or design features in Main Street Areas;
3. Enhance economic development efforts in Main Street Areas; and
4. Provide affordable housing in Main Street Areas.

C. Statutory Authority.

1. The program authority for the HOPE VI Main Street program is Section 24 of the United States Housing Act of 1937 (42 U.S.C. 1437v), as amended by Section 535 of the Quality Housing and Work Responsibility Act of 1998 (Pub. L. 105-276, 112 Stat. 2461, approved October 21, 1998), as amended, and the HOPE VI Program Reauthorization and Small Community Mainstreet Rejuvenation and Housing Act of 2003 (Pub. L. 108-186, 117 Stat. 2685, approved December 16, 2003).

2. The funding authority for the HOPE VI Main Street program is provided by the Consolidated Appropriations Act, 2004 (Pub. L. 108-199, approved January 23, 2004), under Division G, Title II, Public and Indian Housing.

3. The HOPE VI Program Reauthorization and Small Community Mainstreet Rejuvenation and Housing Act of 2003 states that, of the amount appropriated for the overall HOPE VI program for any fiscal year, the Secretary shall provide up to five percent for use only for the Main Street initiative. For FY 2004, the Secretary has set aside approximately \$5 million for Main Street activities authorized in Section 24(n) of the Act, which provides for grant amounts that shall be used by smaller communities only to provide assistance to carry out eligible affordable housing activities.

a. *Main Street Area.* The applicant must have within its jurisdiction a Main Street Area. See Section I.D. of this NOFA for the definition of a Main Street Area. If the applicant's jurisdiction does not have a Main Street Area, the application will not be eligible for funding through this NOFA.

b. *Master Plan.* A Main Street Rejuvenation Master Plan for the Main Street Area must have been in existence for three years prior to the application submission date, and, if one exists, be included in the applicant's Consolidated Plan. See Section I.D. of this NOFA for the definition of a Main Street Rejuvenation Master Plan. If the applicant's Main Street Rejuvenation Master Plan has not been in existence for three years prior to the application submission date, the application will not be eligible for funding through this NOFA.

c. *Main Street Affordable Housing Project ("Project").* The targeted affordable housing project must conform to this NOFA's requirements for a Main Street Affordable Housing Project, as defined in Section III.C.2.b. of this NOFA. If the targeted affordable housing project does not conform to this NOFA's requirements of a project, the application will not be eligible for funding through this NOFA.

d. *Inclusion of Affordable Housing.* The project must have been included in the applicant's master plan on or before the date of publication of this NOFA. not be eligible for funding through this NOFA.

f. *Site Control.* The applicant, or recognized developer entity of the project, must have site control of all properties where affordable housing will be developed on or before the application submission date. g. *Program Schedule.* The applicant must include a program schedule, developed in accordance with Section VI.B.4.c. of this NOFA, "Reasonable Timeframe," as part of the application. If such a program schedule is not included in the application, the application will not be eligible for funding through this NOFA.

h. *Main Street Area Leverage.* The applicant must provide leverage funds and/or in-kind services in excess of 100 percent of the requested grant amount from sources other than HUD HOPE VI funds. Note that this threshold is for leverage that is related to the entire Main Street Area effort. Leverage that is specifically related to the Main Street Affordable Housing Project is measured in Section V.A.4. of this NOFA.

(1) Types of resources that may be counted include:

- (a) Private mortgage-secured loans and other debt;

- (j) Other Federal Funds. Other federal sources may include non-public housing funds provided by HUD;

(k) Land Sale Proceeds. The value of land may be included as a development resource only if this value is a sales proceed. Absent a sales transaction, the value of land may not be counted;

(l) Donations of Land. Donations of land may be counted as leverage only if the donating entity owns the land to be donated;

(m) In-kind services, such as those pertaining to:

(i) Homeownership counseling that is scheduled to begin promptly after grant award so that, to the maximum extent possible, qualified residents will be ready to purchase new homeownership units when they are completed. The Family Self-Sufficiency Program can also be used to promote homeownership, such as by providing assistance with escrow accounts and counseling, including fair housing counseling;

(ii) Coordinating with health care services providers or providing on-site space for a health clinic, doctors, a wellness center, dentists, etc., that will primarily serve the affordable housing residents. HOPE VI funds may not be used to provide direct medical care to residents;

(3) Leverage funds may include cash or in-kind services. However, in-kind services of staff time of either the Local Government applicant or the recognized developer entity will not be counted by HUD as leverage.

(4) Leverage funds may include funds already spent, or funds and/or in-kind services firmly committed to the Main Street Area as a whole, not just the targeted affordable housing project related to this NOFA.

(5) Leverage funds/in-kind services may include match funds.

(6) If the applicant provides leverage funds/in-kind services of an amount less than 100 percent of the requested grant amount, the application will not be eligible for funding through this NOFA.

i. *One Main Street Area.* The applicant may only include one Main Street Area in the application. However, the applicant's project may consist of several scattered sites within that one Main Street Area. If the applicant includes more than one Main Street Area in the application, the application will not be eligible for funding through this NOFA.

j. *One application.* The applicant may submit only one HOPE VI Main Street application as described in this NOFA. If more than one application is submitted by a single applicant, all applications will be disqualified and no application will be eligible for funding.

(5) Have been described in a Main Street Rejuvenation Master Plan that was acknowledged by the applicant at least three years prior to the application submission date.

b. *Main Street Affordable Housing Project.* HUD refers to the rejuvenation or development of affordable housing in the Main Street Area as a "Main Street Affordable Housing Project" ("project"). The project must:

(1) Include the construction or substantial rehabilitation of affordable housing units. The number of units that will be developed through this NOFA must equal the number of units stated in form HUD-52861, "HOPE VI Main Street Application Data Sheet," on the "Unit Mix and Accessibility Summary, Post-Revitalization" page.

(2) Involve the rehabilitation or development of affordable housing;

d. *Applicable Initial Resident Rental Contribution and Protections.* The initial resident of a project unit is subject to the same rules regarding occupant contribution toward rent or purchase, and terms of rental or purchase, as residents in HOPE VI Revitalization development public housing units.

e. *Requirements During the Initial Occupancy Period for Rentals.*

(1) Initial residents of affordable rental units and initial resident purchasers of affordable homeownership units must be subject to the same rules regarding occupant contribution toward rent or purchase, and terms of rental or purchase, as residents of public housing units in a HOPE VI development.

(2) The project owner entity is not required to develop most mandatory PHA documentation, e.g., the PHA Plans as described in 24 CFR part 903, etc. However, before the project is initially rented, the ownership entity must develop a written statement of its rent determination and resident grievance policies.

(3) Public housing rental and grievance requirements that are contained in 24 CFR 903.7(d) and 24 CFR 903.7(f) may be used as examples for (1) and (2) above.

f. *Requirements for Initial Homeownership Sale.* The initial sale of an affordable homeownership unit must take place in accordance with Section 24 of the U.S. Housing Act of 1937 (1937 Act), as amended.

g. *Use Restrictions.* Project units must be maintained as affordable housing for only the period of initial occupancy or the initial resident's ownership. Use restrictions beyond the initial occupancy period may or may not be applied to the unit at the discretion of the applicant.

h. *Leveraging Other Resources.* This NOFA states that each applicant must obtain non-HOPE VI leverage resources for use in the Main Street Affordable Housing Project (see Sections III.B. and V.A.4.a. of this NOFA) and, separately, for use in the general Main Street Area effort (see also Section III.C.1.h. of this NOFA).

Main Street grant funds may be used to maximize the amount of leverage, i.e., leveraged funds and in-kind services, that the applicant can obtain from sources other than the HOPE VI program. In this capacity, grant funds may be used: (1) To collateralize municipal bonds or private-sector loans for affordable housing uses; and (2) As affordable housing "key money" to attract Main Street Affordable Housing Project or Main Street Area leverage.

(1) Uses of Leverage. Leverage funds and in-kind services may be used for eligible activities listed in Section I.E. of this NOFA and for related activities, including, but not limited to:

(a) For Main Street Affordable Housing Project Leverage:

(i) The acquisition of Main Street Affordable Housing Project-related

affordable housing, including associated costs, such as appraisals, surveys, tax settlements, broker fees, and other closing costs;

(ii) Site improvements related to the construction and rehabilitation of Main Street Affordable Housing Project-related affordable housing;

(iii) Clearing of interior space that is necessary to facilitate rehabilitation of affordable housing units within a building;

(iv) Funding of Reserves, e.g., Initial Operating Reserve necessary for financial viability during the initial affordable housing occupancy period, Replacement Reserves, etc.;

(v) Homeownership financial assistance, e.g., write-down of homeownership unit development costs and down payment assistance;

(vi) Other uses that relate directly to the Main Street Affordable Housing Project;

(b) For Main Street Area Leverage:

(i) Rehabilitation of retail space;

(ii) Site improvements, e.g., repaving streets or upgrading streets or sidewalks with brick or cobblestone, adding "boulevard" islands, etc.;

(iii) Legal and administrative fees and costs; and

(iv) Other uses that do not relate directly to the Main Street Affordable Housing Project, but do relate to the general Main Street Area effort.

i. *Transfer of Title for Tax Credits.*

The original owner entity of Main Street Affordable Housing Project properties may transfer title to, or commit to a long-term lease with, an owner entity partnership that includes the original owner, the applicant, an equity partner and, when appropriate, other partners, for the purpose of obtaining Low Income or Historic Tax Credit equity as a leverage resource. See Section IV.E. of this NOFA for limits on sale of real property.

j. *Section 106 Historic Preservation Requirements.* Grantees may not commit HUD funds until HUD has completed the historic preservation review and consultation process under Section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. 470f) and its implementing regulation, 36 CFR part 800, as applicable, in accordance with environmental review requirements under 24 CFR part 50. See <http://www.achp.gov/> for details on the Section 106 review process.

k. *Environmental Requirements.*

(1) HUD's notification of award to a selected applicant constitutes a preliminary approval by HUD, subject to HUD's completion of an environmental review, of proposed sites in accordance with 24 CFR part 50. Selection for

participation (preliminary approval) does not constitute approval of the proposed site(s).

(2) Your application constitutes a certification that you, the applicant, will supply HUD with all available, relevant information necessary for HUD to perform any environmental review required by 24 CFR part 50 for each property; will carry out mitigating measures required by HUD or, if mitigation is not feasible, select alternate eligible property; and will not acquire, rehabilitate, convert, demolish, lease, repair, or construct property, nor commit or expend HOPE VI, other HUD or other non-HUD funds for these program activities with respect to any eligible property, until you receive written HUD approval of the property.

(3) Each proposal will be subject to a HUD environmental review, in accordance with 24 CFR part 50, and the proposal may be modified or the proposed sites rejected as a result of that review.

(4) Phase I and Phase II Environmental Site Assessments. If you are selected for funding, you must have a Phase I environmental site assessment completed in accordance with the ASTM Standards E 1527-00, as amended, for each affected site. The results of the Phase I assessment must be included in the documents that must be provided to HUD for the environmental review. If the Phase I assessment recognizes environmental concerns or if the results are inconclusive, a Phase II environmental site assessment will be required.

(5) Mitigating and remedial measures. You must carry out any mitigating/remedial measures required by HUD. If a remediation plan, where required, is not approved by HUD and a fully-funded contract with a qualified contractor licensed to perform the required type of remediation is not executed, HUD reserves the right to determine that the grant is in default.

(6) Your application constitutes a certification that there are not any environmental or public policy factors such as sewer moratoriums that would preclude development in the requested Main Street Area.

(7) Note that environmental requirements for this NOFA are found in 24 CFR part 50, which requires HUD environmental approval. Please note that 24 CFR part 58, which allows State and local governments to assume Federal environmental responsibilities, is not applicable.

(8) HUD's Environmental Web site is located at <http://www.hud.gov/offices/cpd/energyenviron/environment/index.cfm>.

1. *Building Standards.*

(1) Building Codes. All activities that include construction, rehabilitation, lead-based paint removal, and related activities must meet or exceed local building codes. The applicant is encouraged to read the policy statement and Final Report of the HUD Review of Model Building Codes that identifies the variances between the design and construction requirements of the Fair Housing Act and several model building codes. That report can be found on the HUD Web site at <http://www.hud.gov/fhe/modelcodes>.

(2) Deconstruction. HUD encourages the applicant to design programs that incorporate sustainable construction and demolition practices, such as the dismantling or "deconstruction" of housing units, recycling of demolition debris, and reusing salvage materials in new construction. "A Guide to Deconstruction" can be found at <http://www.hud.gov/deconstr.pdf>.

(3) Partnership for Advancing Technology in Housing ("PATH"). HUD encourages the applicant to use PATH technologies in the construction and delivery of affordable housing. PATH is a voluntary initiative that seeks to accelerate the creation and widespread use of advanced technologies to radically improve the quality, durability, environmental performance, energy efficiency, and affordability of our nation's housing.

(a) The goal of PATH is to achieve dramatic improvement in the quality of American housing by the year 2010. PATH encourages leaders from the home building, product manufacturing, insurance, and financial industries, and representatives from federal agencies dealing with housing issues to work together to spur housing design and construction innovations. PATH will provide technical support in design and cost analysis of advanced technologies to be incorporated in project construction.

(b) Applicants are encouraged to employ PATH technologies to exceed prevailing national building practices by:

- (i) Reducing costs;
- (ii) Improving durability;
- (iii) Increasing energy efficiency;
- (iv) Improving disaster resistance; and
- (v) Reducing environmental impact.

(c) More information, including a list of technologies, the latest PATH Newsletter, results from field demonstrations, and descriptions of PATH projects can be found at www.pathnet.org.

(4) Energy Efficiency.

(a) New construction must comply with the latest HUD-adopted Model

Energy Code issued by the Council of American Building Officials.

(b) In HOPE VI new construction, HUD encourages the applicant to set higher energy and water efficiency standards than the Model Energy Code contains. Such higher standards can achieve utility savings of 30 to 50 percent with minimal extra cost.

(c) The applicant is encouraged to negotiate with its local utility company to obtain lower utility rates. Utility rates and tax laws vary widely throughout the country. In some areas, local governments are exempt or partially exempt from utility rate taxes. Some local governments have paid unnecessarily high utility rates because they were billed using an incorrect rate classification.

(d) Local utility companies may be able to provide grant funds to assist in energy efficiency activities. States may also have programs that will assist in energy efficient building techniques.

(e) The applicant must use new technologies that will conserve energy and decrease operating costs where cost effective. Examples of such technologies include:

- (i) Geothermal heating and cooling;
- (ii) Placement of buildings and size of eaves that take advantage of the directions of the sun throughout the year;
- (iii) Photovoltaics (technologies that convert light into electrical power);
- (iv) Extra insulation;
- (v) Smart windows; and
- (vi) Energy Star appliances.

(5) Universal Design. HUD encourages the applicant to incorporate the principles of universal design in the construction or rehabilitation of housing, retail establishments, and community facilities, and when communicating with community residents at public meetings or events. Universal Design is the design of products and environments to be usable by all people, to the greatest extent possible, without the need for adaptation or specialized design. The intent of Universal Design is to simplify life for everyone by making products, communications, and the built environment more usable by as many people as possible at little or no extra cost. Universal Design benefits people of all ages and abilities. Examples include designing wider doorways, installing levers instead of doorknobs, and putting bathtub/shower grab bars in all units. Computers and telephones can also be set up in ways that enable as many residents as possible to use them. The Department has a publication that contains a number of ideas about how the principles of Universal Design can

benefit persons with disabilities. To order a copy of *Strategies for Providing Accessibility and Visitability for HOPE VI and Mixed Finance Homeownership*, go to the publications and resource page of the HOPE VI Web site at <http://www.huduser.org/publications/pubasst/strategies.html>.

(6) Energy Star. The Department of Housing and Urban Development has adopted a wide-ranging energy action plan for improving energy efficiency in all program areas. As a first step in implementing the energy plan, HUD, the Environmental Protection Agency (EPA) and the Department of Energy (DoE) have signed a partnership to promote energy efficiency in HUD's affordable housing efforts and programs. The purpose of the Energy Star partnership is to promote energy efficiency of the affordable housing stock, but also to help protect the environment. Applicants constructing, rehabilitating, or maintaining housing or community facilities are encouraged to promote energy efficiency in design and operations. They are urged especially to purchase and use Energy Star-labeled products. Applicants providing housing assistance or counseling services are encouraged to promote Energy Star building to homebuyers and renters. Program activities can include developing Energy Star promotional and information materials, outreach to low- and moderate-income renters and buyers on the benefits and savings when using Energy Star products and appliances, and promoting the designation of community buildings and homes as Energy Star compliant. For further information about Energy Star, see <http://www.energystar.gov> or call 1-888-STAR-YES (1-888-782-7937) or for the hearing-impaired, 1-888-588-9920 TTY.

(7) All buildings must be in compliance with design and construction requirements of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and Section 109 of the Housing and Community Development Act of 1974.

m. *Lead-Based Paint*. The applicant must comply with lead-based paint evaluation and reduction requirements as provided for under the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4821, *et seq.*). The applicant must also comply with regulations at 24 CFR part 35, as they may be amended or revised from time to time. Unless otherwise provided, the applicant will be responsible for lead-based paint evaluation and reduction activities for housing constructed prior to 1978. The National Lead Information Hotline is 1-800-424-5323.

n. *Labor Standards*.

(1) If other federal programs are used in connection with the applicant's HOPE VI Main Street activities, Davis-Bacon requirements apply to the extent required by the other federal programs.

(2) If an applicant provides Main Street grant funds to a PHA to construct, rehabilitate, or otherwise assist affordable housing under this NOFA, Davis-Bacon wage rates will apply to laborers and mechanics (other than volunteers under 24 CFR part 70) employed in the development of such units, and HUD-determined wage rates will apply to laborers and mechanics (other than volunteers) employed in the operation of such units.

o. *Relocation Requirements*. The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1979 (42 U.S.C. 4601-4655) and implementing regulations at 49 CFR part 24 apply to anyone who is displaced as a result of acquisition, rehabilitation, or demolition due to a HUD-assisted activity.

p. *Fair Housing and Equal Opportunity Requirements*.

Fair Housing and Equal Opportunity requirements stated in Section III.c.2.(c) of the General Section apply as referenced in this NOFA. In addition, the following requirement applies:

(1) Accessibility Requirements.

(a) All "multifamily" HOPE VI developments, defined as projects with more than five units, are subject to the accessibility requirements contained in several federal laws, as implemented in 24 CFR part 8. PIH Notice 2003-31, available at <http://www.hud.gov/offices/pih/publications/notices/>, and subsequent updates, provides an overview of all pertinent laws and implementing regulations pertaining to HOPE VI.

(b) Generally, for substantial rehabilitation of projects with more than 15 housing units, or new construction of a multifamily project, at least 5 percent of the units, or one unit, whichever is greater, must be accessible to persons with mobility impairments. An additional 2 percent, but not less than one unit, must be made accessible for persons with hearing or vision impairment. See, in particular, 24 CFR parts 8.20 through 8.32.

(c) In addition, under the Fair Housing Act, all new construction of covered multifamily buildings must contain certain features of accessible and adaptable design. The relevant accessibility requirements are provided in HUD's FHEO Web site at <http://www.hud.gov/groups/fairhousing.cfm>. Units covered are all those in elevator buildings with four or more units and

all ground floor units in buildings without elevators. See also "program accessibility" at <http://www.hud.gov/offices/fheo/disabilities/sect504faq.cfm#anchor263905>. This section is in addition to, and does not replace, other non-HUD accessibility requirements that the applicant local government may be subject to.

(2) Compliance with Fair Housing and Civil Rights Laws.

(a) Applicants must comply with all applicable fair housing and civil rights requirements in 24 CFR 5.105(a).

(b) If you, the applicant:

(i) Have been charged with an ongoing systemic violation of the Fair Housing Act; or

(ii) Are a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging an ongoing pattern or practice of discrimination; or

(iii) Have received a letter of noncompliance findings, identifying ongoing systemic noncompliance, under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, or Section 109 of the Housing and Community Development Act of 1974; and

(iv) The charge, lawsuit or letter of findings referenced in subpart (a), (b), or (c) above has not been resolved to HUD's satisfaction before the application deadline, then you are ineligible and HUD will not rate and rank your application. HUD will determine if actions to resolve the charge, lawsuit, or letter of findings taken prior to the application deadline are sufficient to resolve the matter.

Examples of actions that would normally be considered sufficient to resolve the matter include, but are not limited to:

(A) A voluntary compliance agreement signed by all parties in response to a letter of findings;

(B) A HUD-approved conciliation agreement signed by all parties;

(C) A consent order or consent decree; or

(D) An issuance of a judicial ruling or a HUD Administrative Law Judge's decision.

3. *General Section References*. The following subsections of Section III of the General Section are hereby incorporated by reference:

c. *Program Schedule.* The application must include a program schedule for the applicant's Project.

(1) The schedule must include, at a minimum:

(a) Grant Agreement Execution Date. Assume that the Grant Agreement Execution Date will be within 90 days of the grant award notification date;

By applying for this NOFA, the applicant is certifying that submitted summaries of the Master Plan accurately represent the original Master Plan. See Section IV.B.5. of this NOFA for certifications that the applicant is making when the applicant applies for funds from this NOFA.

f. *Cash Flow Proforma.* The applicant must include a five-year estimate of project income, expenses, and cash flow ("proforma") that shows that the project will be financially viable over the long term. In the proforma, the applicant should assume that the initial occupancy period is a minimum of two years. Note that initial funding of reserves with grant funds is NOT an allowable use of funds from this NOFA. Reserves may be funded through leverage resources. Viability must be shown for the entire project, i.e., all buildings that include affordable housing units that are partially or wholly funded with HOPE VI funds. The applicant may include one proforma for the entire project, or several proformas, broken out for the various portions of the project, as fits the circumstances best. For example,

separate proformas may include viability documentation for:

(1) All buildings together;

(2) Separately for each building in the project; or

(3) Separately for each owner entity in the project.

g. *HOPE VI Budget.* Enter the amount you are requesting through this NOFA. In "Part I: Summary," it is not necessary to fill in the columns entitled, "Previous Authorized Amounts of Funds in LOCCS," "Changes Requested in this Revision," and "HUD-Approved Total Authorized Amount of Funds in LOCCS." In "Part II: Supporting Pages," it is necessary only to fill in columns 2 and 3.

h. *Logic Model.* It is not necessary to fill in columns 6, 7, 8 and 9. This information will be collected at the end of the grant term. See Section VI.C.3. of this NOFA.

i. *Appropriateness of Application.* Section 24(e)(1) of the 1937 Act requires that the application demonstrate the appropriateness of the proposal in the context of the local housing market relative to other alternatives. An example of an alternative proposal would be proposing a range of resident incomes, housing types (rental, homeownership, market-rate, townhouse, detached house, etc.), or costs which cannot be supported by the existing neighborhood demographics. Briefly, contrast your proposal and an alternative, and include the discussion in the executive summary.

5. *Certifications:* By manually or electronically signing the SF-424, the applicant certifies to the following:

a. The Main Street Rejuvenation Master Plan that is included as part of this application existed for three years prior to the application submission date, and is mentioned in the applicant's Consolidated Plan, if one exists;

b. Prior to the publication date of this NOFA, the Main Street Affordable Housing Project was, and continues to be, included in the Main Street Rejuvenation Master Plan;

c. Submitted summaries of the Master Plan accurately represent the original Master Plan;

d. The applicant or its developer entity recognized by the applicant has site control of all properties where affordable housing will be developed;

e. All project sites have zoning that allows for residential development;

f. All Match resources included in the application are "firmly committed." See the definition of "firmly committed" in Section I.D. of this NOFA;

g. All leverage resources included in the application are "firmly committed." See the definition of "firmly

committed" in Section I.D. of this NOFA;

h. Historic preservation requirements in Section 106 of the *National Historic Preservation Act of 1966 (NHPA)* will be fulfilled, where applicable.

To ensure proper credit for information applicable to each rating factor, the applicant should include application Section references, as listed in Section IV.B.3.c. of this NOFA, with key words or phrases searchable to supporting documentation and language, as appropriate for rating factor responses. The applicant's rating factor responses should be as descriptive as possible, ensuring that every requested item is addressed. The applicant should make sure to include all information requested in the instructions of this NOFA. Although information from all parts of the application will be taken into account in rating the various factors, if supporting information cannot be found by the reviewer, it cannot be used to support a factor's rating.

7. *Rating Factor Documentation.*

a. *References to the Main Street Rejuvenation Master Plan.* (1) The purpose of referencing the Main Street Rejuvenation Master Plan is to decrease the amount of rating factor narrative that the applicant finds necessary to achieve its maximum rating. It is NOT necessary to repeat in the rating factor narratives the information that the applicant included in its Master Plan.

(2) Each reference to the Master Plan should be specific, including the page number of the Master Plan where the information can be found and a reference to identify its location on the page. More than one specific reference to the Master Plan may be included for any one subject or rating factor narrative.

(3) Third-party evaluation reports;

(4) Résumés of key personnel; and

(5) Other documentation showing knowledge and experience of affordable housing development or construction.

c. Need for Affordable Housing.

Documentation of need for affordable housing is based on a comparison of HUD's Fair Market Rent (FMR) for the applicant's Primary Metropolitan Statistical Area/Metropolitan Statistical Area ("PMSA/MSA") or nonmetropolitan county/parish and the maximum amount of rent that a low-income family living in that PMSA/MSA or nonmetropolitan county/parish can afford to pay.

(1) PMSA/MSAs and nonmetropolitan counties are as listed in HUD's document titled "FY 2004 State List of Counties (and New England Towns) Identified by Metropolitan and Nonmetropolitan Status" at <http://www.huduser.org/datasets/il/IL04/Definitions04.doc>.

(2) The FMRs are listed at http://www.huduser.org/intercept.asp?loc=/Datasets/FMR/FMR2005F/Final_FY2005_SCHEDULEB1.pdf

(3) The maximum, affordable low-income rent is based on HUD's Income Limits, as listed at http://www.huduser.org/datasets/il/IL04/Section8_IncomeLimits_2004.doc for low-income families. The maximum, affordable low-income rent is equal to the Median Family Income for low-income families, divided by 12, divided further by 0.3 (30 percent).

(4) In performing the comparison, the applicant must use the 4-person family size and the 3-bedroom unit size. The application must include the income limit and maximum, affordable low-income rent for a 4-person family, and the Fair Market Rent for a 3-bedroom unit.

d. Program Administration and Fiscal Management. Documentation that demonstrates program administration and fiscal management MUST include:

(1) A description of the procurement system structure that the applicant has in place, including internal controls;

(2) A description of the fiscal management structure that the applicant has in place, including fiscal controls and internal controls;

(3) A summary of the results of the last available annual external,

independent audit, including findings, if any;

(4) A list of any findings issued or material weaknesses found by HUD or other federal or state agencies. A description of how the applicant addressed the findings and/or weaknesses. If no findings or material weaknesses were exposed or existed on or before the publication date of this NOFA, include a statement to that effect in the narrative; and

(5) A description of the applicant's management control structure, including management roles and responsibilities and evidence that the applicant's management is results-oriented, e.g., existing production, rental, and maintenance goals.

e. Incentive Criteria on Regulatory Barrier Removal.

(1) The applicant must include the completed form HUD-27300 in the application, along with background documentation where required by the form.

f. RC/EZ/EC-IIs.

(1) To receive the two bonus points for performing the NOFA activities in a RC/EZ/EC-II area, the applicant must include the "Certification of Consistency with RC/EZ/EC Strategic Plan" (form HUD-2990) in the application. The form HUD-2990 needs to be filled out, but does not need to be signed. See Section IV.B.5. of this NOFA, "Certifications."

C. Submission Dates and Times

1. *Application submission date.* The application submission date is September 6, 2005.

2. *No Facsimiles or Videos.* HUD will not accept for review, evaluation, or funding, any entire application sent by facsimile (fax). However, third-party documents or other materials sent by facsimile in compliance with the instructions under Section IV. F., "Other Submission Requirements," and received by the application submission date will be accepted. Facsimile corrections to technical deficiencies will be accepted. Also, videos submitted as part of an application will not be viewed.

D. Intergovernmental Review

1. *Executive Order 12372, Intergovernmental Review of Federal Programs.* Executive Order 12372 was issued to foster intergovernmental partnership and strengthen federalism by relying on state and local processes for the coordination and review of federal financial assistance and direct federal development. HUD implementing regulations are published in 24 CFR part 52. The executive order

allows each state to designate an entity to perform a state review function. The official listing of State Points of Contact (SPOCs) for this review process can be found at <http://www.whitehouse.gov/omb/grants/spoc.html>. States not listed on the Web site have chosen not to participate in the intergovernmental review process and, therefore, do not have a SPOC. If the applicant's state has a SPOC, the applicant should contact it to see if it is interested in reviewing the application prior to submission to HUD. The applicant should allow ample time for this review process when developing and submitting the applications. If the applicant's state does not have a SPOC, the applicant may send applications directly to HUD.

E. Funding Restrictions

1. Grant funds shall be used only to provide assistance to carry out eligible affordable housing activities, as stated in Section I.E. of this NOFA.

2. *Non-allowable Costs and Activities.* Although leverage resources may be used to fund the following activities or expenses, grant funds from this NOFA CANNOT be used for:

a. Total demolition of a building (including where a building foundation is retained);

b. Sale or lease of the Main Street Affordable Housing Project site (excluding lease or transfer of title for the purposes of obtaining tax credits, provided that the recipient owner entity of the title or lease includes the applicant);

c. Funding of reserves;

d. Payment of administrative costs of the applicant;

e. Payment of legal fees;

f. Development of public housing replacement units (defined as units that replace disposed of or demolished public housing) or use as Housing Choice Vouchers;

g. Transitional security activities;

h. Main Street technical assistance consultants or contracts; and

i. Costs incurred prior to grant award, including the cost of application preparation.

3. *Cost Controls.*

a. The total amount of HOPE VI funds expended shall not exceed the Total Development Cost ("TDC"), as published by HUD in NOTICE PIH 2003-8 (HA), "Public Housing Development Cost Limits," for the number of affordable housing units that will be developed through this NOFA. The TDC limits can be found at http://www.hudclips.org/sub_nonhud/cgi/nph-brs.cgi?d=PIHN&s1=2003-8&op1=AND&l=100&SECT1=TXT_

HITS&SECT5=HEHB&u=./hudclips.cgi&p=1&r=2&f=G.

b. Cost Control Safe Harbors apply. Safe Harbors may be found at http://www.hud.gov/utilities/intercept.cfm?/offices/pih/programs/ph/hope6/grants/admin/safe_harbor.pdf.

4. *Community and Supportive Services ("CSS")*. Furnishing CSS to residents is voluntary, except for homeownership counseling when the application includes development of homeownership units. If the applicant chooses to furnish CSS, expenditures are limited to 15 percent of the grant amount.

5. Statutory time limit for award, obligation, and expenditure.

a. The estimated award date will be September 30, 2005.

b. Funds available through this NOFA must be obligated on or before September 30, 2005.

c. In accordance with 31 U.S.C. 1552 (Pub. L. 97-258, Sept. 13, 1982, 96 Stat. 935; Pub. L. 101-510, div. A, title XIV, Sec. 1405(a)(1), Nov. 5, 1990, 104 Stat. 1676.), all HOPE VI funds that were appropriated in FY 2004 must be expended by September 30, 2010. Any funds that are not expended by that date will be cancelled and recaptured by the Treasury, and thereafter will not be available for obligation or expenditure for any purpose.

6. *Withdrawal of Funding*. If a grantee under this NOFA does not proceed within a reasonable time frame, HUD shall withdraw any grant amounts that have not been obligated. HUD shall redistribute any withdrawn amounts to one or more other applicants eligible for assistance.

7. *Transfer of Funds*. HUD has the discretion to transfer funds available through this NOFA to any other HOPE VI program.

8. *Limitation on Eligible Expenditures*. Expenditures on services, equipment, and physical improvements must directly relate to project activities allowed under this NOFA.

9. *Pre-Award Activities*. Award funds may not be used to reimburse pre-award expenses.

F. Other Submission Requirements

Application Submission and Receipt Procedures. This section provides the application submission and receipt instructions for HUD program applications. Please read the following instructions carefully and completely, as failure to comply with these procedures may disqualify your application.

1. *Electronic Delivery*. HUD requires applicants to submit their applications electronically through <http://>

www.grants.gov. HUD will not accept or consider any applications that have been submitted through any other method, unless a waiver is granted. See Section IV of the General Section.

2. *What to Expect on grants.gov*. The following describes what to expect when you go to apply online using [grants.gov/Apply](http://www.grants.gov/Apply):

a. *Getting Started*. Once on the site, you will find easy-to-follow, step-by-step instructions that will enable you to apply for HUD funds. The <http://www.grants.gov> feature includes a simple, unified application process to enable applicants to apply for grants online. There are six "Get Started" steps to complete at [grants.gov](http://www.grants.gov). The information applicants need to understand and execute the steps is at <http://www.grants.gov/GetStarted>. Applicants should read the Get Started steps carefully. The site also contains registration checklists to help you walk through the process. HUD recommends that you download the checklists and prepare the information requested before beginning the registration process. Reviewing information required and assembling it before beginning the registration process will save you time and make the process faster and smoother.

b. *DUNS Requirement*. All applicants applying for funding, including renewal funding, must have a Dun and Bradstreet Universal Data Numbering System (DUNS) number. The DUNS number must be included in the data entry field labeled "Organizational Duns" on the form SF-424. Instructions for obtaining a DUNS number can be found at either of the following Web sites: <http://www.hud.gov/offices/adm/grants/duns.cfm> or <http://www.grants.gov/GetStarted>.

c. *Faulty Registration Warning*. HUD has found that the primary reason for application submission problems through [grants.gov](http://www.grants.gov) is faulty or incomplete registration by the applicant. The applicant must register as an entity/organization with the Federal Central Contractor Registry. The applicant must also register its Authorized Organization Representative (AOR), who is the electronic signatory.

d. *Central Contractor Registry and Credential Provider Registration*. In addition to having a DUNS number, applicants applying electronically through [grants.gov](http://www.grants.gov) must register with the Federal Central Contractor Registry and with a Credential Provider. The <http://www.grants.gov> Web site at <http://www.grants.gov/GetStarted> provides step-by-step instructions for registering in the Central Contractor Registry and registering with a

credential provider. All applicants filing electronically must register with the Central Contractor Registry and receive credentials from the [grants.gov](http://www.grants.gov) credential provider in order to apply online. Failure to register with the Central Contractor Registry and credential provider will result in your application being rejected by the [grants.gov](http://www.grants.gov) portal.

The registration process is a separate process from submitting an application. Applicants are, therefore, encouraged to register early. The registration process can take approximately two weeks to be completed. Therefore, registration should be done in sufficient time to ensure it does not impact your ability to meet required submission deadlines. You will be able to submit your application online anytime after you receive your e-authentication credentials.

e. *Authorized Organization Representative (AOR) Electronic Signature*. Applications submitted through [grants.gov](http://www.grants.gov) constitute submission as electronically signed applications. The registration and e-authentication process establishes the AOR. When you submit the application through [grants.gov](http://www.grants.gov), the name of your authorized organization representative on file will be inserted into the signature line of the application. Applicants must register the individual who is able to make legally binding commitments for the applicant organization as the AOR.

3. *Instructions*. Instructions on how to submit an electronic application to HUD via [grants.gov](http://www.grants.gov):

a. *Applying using grants.gov*. [Grants.gov](http://www.grants.gov) has a full set of instructions on how to apply for funds on its Web site at <http://www.grants.gov/CompleteApplication>. The following provides simple guidance on what you will find on the <http://www.grants.gov/Apply> site. Applicants are encouraged to read through the page entitled, "Complete Application Package" before getting started. [Grants.gov](http://www.grants.gov) allows applicants to download the application package, instructions, and forms that are incorporated in the instructions, and work offline. In addition to forms that are part of the application instructions, there will be a series of electronic forms that are provided utilizing a PureEdge reader. The PureEdge Reader is available free for download from the [grants.gov/Get Started](http://www.grants.gov/GetStarted) site. The PureEdge Reader allows applicants to read the electronic files in a format identical to any other Standard or HUD form. The PureEdge forms have content-sensitive help. To use this feature you will need to click on the icon at the top

of the page that features an arrow with a question mark. This engages the content-sensitive help for each field you will need to complete on the electronic form. The PureEdge forms can be downloaded and saved on your hard drive, network drive(s), or compact disks (CDs). Because of the size of the application, HUD recommends downloading the application to your computer hard drive. The instructions include this NOFA and any required forms that have not been converted into PureEdge forms. The instructions will also include a checklist to ensure that you are provided all the required information for submitting your application. Please review the checklist to ensure that your application contains all the required materials.

b. Mandatory Fields on PureEdge Forms. In the PureEdge forms you will note fields that will appear with a yellow background color on the data fields to be completed. These fields are mandatory fields and must be completed to successfully submit your application.

c. Completion of SF-424 Fields First. The PureEdge forms are designed to fill in common required fields such as the applicant name and address, DUNS number, etc., on all PureEdge electronic forms. To trigger this feature, an applicant must first complete the SF-424 information. Once it is completed the information will transfer to the other forms. This is an important feature to remember, particularly if you plan on submitting documents using the electronic facsimile feature discussed below. HUD will rely on the name, address, CFDA, and DUNS number fields on the electronic facsimile cover page populated from the completed SF-424, to route documents received by facsimile to the proper application. To ensure that your materials are properly routed, first complete the SF-424 cover page. After the SF-424 is complete, download the Facsimile Transmittal cover page to use the electronic facsimile feature described below if you need to use this feature. If you are relying on third parties to transmit matching fund letters or certifications, you can complete the SF-424, then download the Facsimile Transmittal cover page and provide a hard copy or electronic copy to the third party. Third parties can then directly submit the information to HUD using the pre-filled Facsimile Transmittal cover page, provided they use the correct fax number provided for the program.

d. Submission of Third Party Letters, Certifications, or Narrative Statements. In addition to forms, the NOFA may require the submission of other

documentation such as third-party letters, certifications, or program narrative statements. This section discusses how you should submit this additional information electronically as part of your application:

(1) Narrative Statements to the Factors for Award. If you are required to submit narrative statements, you should submit them as an electronic file. Each response to a Factor for Award should be developed as a separate file labeled with the appropriate factor name, e.g., Factor 1 Capacity and submitted as part of your electronic application.

(2) Third-Party Letters, Certifications Requiring Signatures, and Other Documentation. The following two options, (a) and (b), apply to applicants who are required to submit documentation from organizations providing matching or leveraging funds; documentation of 501(c)(3) status or incorporation papers; documents that support the need for the program; Memoranda of Understanding (MOUs); or documentation to support your organization's claims regarding work that has been done to remove regulatory barriers to affordable housing:

(a) Scanning Documents to Create Electronic Files. Of the two third-party document submission options, scanning of documents into PDF format and including them as attachment files is HUD's preferred method for this NOFA. Electronic files must be labeled so the reader will know what the file contains. Match or leveraging letters can be scanned into a single folder or the applicant can create a separate file for each scanned letter and label them accordingly. All scanned files should be placed together in a zipped folder and then attached to the application package submitted to grants.gov as part of the application submission; or

(b) Electronic Facsimile Required Documentation. Applicants without available scanning equipment may submit the required documentation to HUD via facsimile (fax). The electronic facsimile method may only be used to submit attachments that are part of your electronic application. HUD will not accept entire applications via fax. Applications submitted entirely via fax will be disqualified.

To submit documents using the electronic facsimile method, applicants MUST USE form HUD-96011, Facsimile Transmittal, as the cover page for each faxed document. The HUD-96011 MUST NOT be covered by the applicant's own fax cover sheet. If the HUD-96011 is not the first page faxed, the document may not be able to be identified and may not be made part of the electronically submitted application.

The form HUD-96011 is an electronic form and is part of the applicant's downloaded electronic application obtained from <http://www.grants.gov/Apply>. Applicants must fax their information to the following fax number: 800-HUD-1010. Each document must be faxed as a separate submission to avoid fax transmission problems. When faxing several documents, applicants must use the form HUD-96011 as the cover sheet for each document (e.g., Letter of Matching or Leveraging Funds, Memorandum of Understanding, Certification of Consistency with the Consolidated Plan, etc.). Your facsimile machine should provide you with a record of whether your transmission was received by HUD. If you get a negative response or a transmission error, you should resubmit the document until you confirm that HUD has received your transmission. HUD will not acknowledge that a fax was received successfully. HUD will electronically receive the fax, read it with an optical character reader, and attach it to the application submitted via grants.gov. Electronic facsimile transmissions may be sent at any time before the application submission date. HUD will store the information and attach it to the electronic application when HUD receives it from grants.gov.

e. Customer Support. The grants.gov Web site provides customer support via (800) 518-GRANTS (this is a toll-free number) or through e-mail at support@grants.gov. The customer support center is open from 7 a.m. to 9 p.m. eastern time, Monday through Friday, except federal holidays, to address grants.gov technology issues. For technical assistance on program-related questions, contact the number listed in Section VII.B. of this NOFA.

f. Internet Connections, Time-outs and Submission Errors.

(1) HUD highly suggests that the applicant use broadband Internet connections to submit the application, as opposed to dial-up service. Broadband connections may be ISDN, DSL, Cable, T1, etc. Submission problems are likely to decrease as the speed of the applicant's broadband connection increases. If the applicant organization does not have a broadband connection, the PureEdge program and the application may be copied to a CD, transferred to a computer that has such a connection, and submitted from that computer. Libraries and office support stores (Kinko's, etc.) are likely to have broadband connections.

(2) If the actual submission of your application, i.e., uploading to grants.gov, exceeds one hour, the

applicant should request "second-level" help at the above grants.gov support line. On a dial-up connection, after an hour has gone by, it is likely that the applicant's Internet Service Provider (ISP) has timed out and cut the applicant's Internet connection.

(3) If the applicant's browser states that an MEC error has occurred, the applicant should request second-level help from grants.gov.

g. *Grants.gov Tips and Tools*. Tips on applying through grants.gov and Frequently Asked Questions concerning grants.gov may be found at HUD's HOPE VI Web site, <http://www.hud.gov/offices/pih/programs/ph/hope6/>, and HUD's Grants Administration Web sites, <http://www.hud.gov/offices/adm/grants/egrants/grantsgovfaqs.pdf> and <http://www.hud.gov/offices/adm/grants/egrants/faqs52305.pdf>. Applicants also may consult the FAQ link at the top of the Grants.gov Web page. Additionally, on the "Apply for Grants" section of the Grants.gov Web site (<http://www.grants.gov/Apply>), links to tips on application submission ("Application Submission Tips") and error messages ("Application Error Tips") are posted on the left-hand side of the webpage under the header "Tips and Tools." Please note the additional helpful information posted here such as "Convert Documents to PDF" and "Download PureEdge Viewer." Applicants should also review any alerts posted under the "Alerts" header, which is also found on the left-hand side of the page.

4. *Waiver of Electronic Submission Requirement*. During FY2005, HUD will require electronic applications to be submitted through www.grants.gov unless the applicant has received a waiver from the Department. HUD regulations at 24 CFR 5.110 permit waivers of regulatory requirements to be granted for cause. If you are unable to submit your application electronically, you may, in writing, request a waiver from this requirement. Your waiver request must state the basis for the request and explain why electronic submission is not possible. The basis for waivers for cause may include but are not limited to: (a) Lack of available Internet access in the geographic location in which the applicant is located or, (b) a physical disability of the applicant prevents the applicant from accessing or responding to the electronic application.

The waiver request should also include an e-mail and/or name and mailing address where responses can be directed. Applicants must submit waiver requests to the Assistant Secretary for Public and Indian Housing, who is responsible for the

program under which you are seeking funding. To ensure time for processing, the waiver request must be submitted to HUD in writing at least 5 days prior to the application submission date.

To avoid a delay in the process, waiver requests should be sent by United States Postal Service Express Mail. You, the applicant, should retain a receipt for the mailing showing the date submitted to the Postal Service. Via e-mail, HUD will acknowledge receipt of the waiver request, if an e-mail address is provided, or will do so via United States Postal Service Express Mail or other means available. HUD will not make determinations or respond to waiver requests via the telephone. Each waiver request will be reviewed and a determination made to the applicant that indicates whether or not the waiver has been granted. In the event a waiver is granted, the due date for the mailed application delivery shall not be later than the due date for electronic applications. Applicants receiving a waiver will be expected to follow the submission instructions immediately below.

a. *Submission Instructions for Applicants Receiving Waiver of Electronic Submission*. Applicants receiving a waiver of the electronic submission requirements must submit their complete applications in paper copy as follows:

(1) *Submission Using the United States Postal Service*. Beginning in FY 2005, HUD will no longer accept hand deliveries of applications. Applicants who receive a waiver and are therefore allowed to submit paper applications must submit them via the United States Postal Service using Express Mail.

5. *Timely Receipt Requirements and Proof of Timely Submission*.

a. *Electronic Submission*. All applications must be fully received by <http://www.grants.gov> by 11:59:59 p.m. eastern time on the due date established for each program NOFA.

Proof of timely submission is automatically recorded by grants.gov. An electronic time stamp is generated within the system when the application is successfully received by grants.gov. The applicant will receive an acknowledgement of receipt and a tracking number from grants.gov with the successful transmission of the application. Applicants should print this receipt and save it, along with facsimile receipts for information provided by fax, as proof of timely submission. When HUD successfully retrieves the application from grants.gov, HUD will provide an electronic acknowledgment of receipt to the e-mail address provided on the SF-

424. Proof of Timely Submission shall be the date and time that grants.gov receives your application submittal and the date HUD receives those portions of your application submitted by fax. All fax transmissions must be received by the application submission date and time.

Applications received by grants.gov, after the established due date for the program, will be considered late and will not be considered for funding by HUD. Similarly, applications will be considered late if information submitted by facsimile as part of the application is not received by HUD by the established due date. Please take into account the transmission time required for submitting your application via the Internet and the time required to submit any related documents via electronic facsimile. HUD suggests that applicants submit their applications during the operating hours of the grants.gov Support Desk, so that if there are questions concerning transmission, operators will be available to walk you through the process. Submitting your application during the Support Desk hours will also ensure that you have sufficient time for the application to complete its transmission prior to the application deadline.

Applicants using dial-up connections should be aware that transmission should take some time before grants.gov receives it. Grants.gov will provide either an error or a successfully received transmission message. The grants.gov Support Desk reports that some applicants abort the transmission because they think that nothing is occurring during the transmission process. Please be patient and give the system time to process the application. Uploading and transmitting many files, particularly electronic forms with associated XML schemas, will take some time to be processed.

b. *Applications Receiving Waivers to Submit a Paper Copy Application*.

Applicants granted a waiver to the electronic submission requirement must use the United States Postal Service (USPS) Express Mail to submit their applications to HUD. Applicants must take their application to a Post Office to get a receipt of mailing that provides the date and time the package was submitted to the USPS. The due date and time is the same for paper copies as for electronic copies. The USPS no longer allows large packages to be dropped in a mailbox. USPS rules now require that large packages be brought to the postal facility for mailing. The USPS, in many areas, has made a practice of returning large packages to the sender that have been dropped in a

mail collection box. Packages submitted by due date and time and received by HUD no later than five days from the established due date will receive funding consideration. If the USPS does not have a digital time stamp to record the submission time, HUD will accept a receipt that has been obtained from the USPS with a postmark or dates receipt showing receipt by the Postal Service no later than the application submission date. Applicants will not receive funding consideration if their applications are determined to be late, and who cannot furnish HUD with a receipt from the USPS that verifies the package was submitted to the USPS prior to the deadline date and time.

c. Late applications. Late applications, whether received electronically or in hard copy, will not receive funding consideration. HUD will not be responsible for directing or forwarding applications to the appropriate location. Applicants should pay close attention to these submission and timely receipt instructions as they can make a difference in whether HUD will accept your application for funding consideration.

d. No Facsimiles of Entire Application. HUD will not accept fax transmissions from applicants who receive a waiver to submit a paper copy application. Paper applications must be complete and submitted in their entirety, via USPS Express Mail.

6. General Section References. The following sub-sections of Section IV of the General Section are hereby incorporated by reference:

- a. Addresses to Request Application Package;
- b. Application Kits;
- c. Guidebook and Further Information
- d. Forms. The following HUD standard forms are not required as part of the application for this NOFA:
 - (1) Grant Application Detailed Budget (HUD-424-CB);
 - (2) Grant Application Detailed Budget Worksheet (HUD-424-CBW);
- e. Certifications and Assurances;
- f. Submission Dates and Times;

V. Application Review Information

A. Selection Criteria (Rating Factors)

1. Rating Factor 1: Capacity (up to 30 points).

That is, the applicant's team has developed or rehabilitated more than 2 affordable housing projects and 1 Historic Register or traditional architecture projects over the past three years.

(3) The applicant will earn a maximum of 6 points if the applicant demonstrates that the applicant team has extensive experience, gained over the past three years, of affordable housing development and historic preservation requirements, but is behind schedule in implementing the Main Street Master Plan.

(4) The applicant will earn a maximum of 3 points if the applicant demonstrates that the applicant team has adequate experience, gained over the past three years, of housing development and historic preservation requirements, but is behind schedule in implementing the Main Street Master Plan.

(5) The applicant will earn a maximum of 0 points if the applicant cannot demonstrate that its team has at least adequate experience of housing development and historic preservation requirements, whether implementation of the Main Street Master Plan is on schedule or not.

c. Tracking and Reporting System for Production Milestones (up to 5 points).

(1) The applicant will earn a maximum of 5 points if the applicant demonstrates that a tracking and reporting system for key production milestones has existed and has been in use continuously for the Main Street Area rejuvenation effort, and the applicant demonstrates how the tracking and reporting system will be used to implement a grant awarded through this NOFA.

(2) The applicant will earn a maximum of 3 points if a tracking and reporting system exists as of the application submission date (*i.e.*, was developed as a result of this NOFA), but has not been used on the Main Street Area rejuvenation effort, provided that the applicant demonstrates how it will be used to implement a grant awarded through this NOFA.

(3) The applicant will earn a maximum of 1 point if a tracking and reporting system does not exist, and has not existed in the past, as of the application submission date, but the applicant demonstrates how such a system will be used to implement a grant awarded through this NOFA.

(4) The applicant will receive 0 points if:

(a) A tracking and reporting system does not exist; or

(b) The applicant does not demonstrate how one will be used to implement a grant awarded through this NOFA.

2. Rating Factor 2: Need for Affordable Housing (up to 10 points).

a. For the applicant's PMSA/MSA or nonmetropolitan county/parish, if the ratio of the maximum affordable rent for a 4-person family to the FMR of a 3-bedroom size unit (affordable rent divided by FMR) is equal to or less than 0.4, the applicant will receive 10 points.

b. For the applicant's PMSA/MSA or nonmetropolitan county/parish, if the ratio of the maximum affordable rent for a 4-person family to the FMR of a 3-bedroom unit (affordable rent divided by FMR) is greater than 0.4, and is equal to or less than 0.6, the applicant will receive 7 points.

c. For the applicant's PMSA/MSA or nonmetropolitan county/parish, if the ratio of the maximum affordable rent for a 4-person family to the FMR of a 3-bedroom size unit (affordable rent divided by FMR) is greater than 0.6, but is equal to or less than 0.8, the applicant will receive 4 points.

d. For the applicant's PMSA/MSA or nonmetropolitan county/parish, if the ratio of the maximum affordable rent for a 4-person family to the FMR of a 3-bedroom size unit (affordable rent divided by FMR) is greater than 0.8, the applicant will receive 0 points.

3. *Rating Factor 3: Appropriateness of the Main Street Master Plan (up to 20 points).*

a. *Master Plan Requirements (up to 6 points).*

(1) The applicant will receive 6 points if the application demonstrates that the Master Plan includes all 6 elements required, as listed below. One point will be deducted from the maximum of 6 points for each element that is not included in the Master Plan. The applicant should evidence this by making specific references to pages in the Master Plan. The Master Plan must at a minimum:

(a) Have been prepared by an architect, land planner, or qualified planning professional for the applicant or its recognized developer entity.

a. Description.

(1) HUD's Notice, "America's Affordable Communities Initiative, HUD's Initiative on Removal of Regulatory Barriers: Announcement of Incentive Criteria on Barrier Removal in HUD's FY 2004 Competitive Funding

Allocations," **Federal Register** Docket Number FR-4882-N-03, published on March 22, 2004, provides that most HUD competitive NOFAs will include an incentive for local and state governments to decrease their regulatory barriers to the development of affordable housing.

(2) Form HUD-27300 contains questions that explore the applicant's efforts to decrease regulatory barriers.

b. Scoring.

(1) If the applicant is considered a local unit of government with land use and building regulatory authority, an agency or department of a local unit of government, a nonprofit organization, or other qualified applicant applying for funding for a project located in the jurisdiction of the local unit of government, the applicant is invited to answer the 20 questions in Part A of form HUD-27300. For those applications in which regulatory authority is split between jurisdictions (*e.g.*, county/parish and town), the applicant should answer the question for that jurisdiction that has regulatory authority over the issue at question.

(a) If the applicant checked Column 2 for five to ten questions from Part A, the applicant will receive 1 point in the NOFA evaluation.

(b) If the applicant checked Column 2 for 11 or more questions from Part A, the applicant will receive 2 points in the NOFA evaluation.

(2) Part B of the form is for an applicant that is considered to be a state government or an agency or department of a state government. State governments are not eligible to apply for this NOFA and, as such, Part B of the form is not applicable.

(3) In no case will an applicant receive greater than two points for barrier removal activities. An applicant must submit the documentation requested in the questionnaire or provide a Web site address (URL) where the documentation can be readily found, to receive the bonus points for this policy priority.

7. Rating Factor 7: RC/EZ/EC-IIs—(up to 2 points).

a. RC/EZ/EC-IIs. This NOFA provides for the award of two bonus points for eligible activities/projects that the applicant proposes to locate in federally designated Empowerment Zones (EZs), Renewal Communities (RCs), or Enterprise Communities, designated by the United States Department of Agriculture in round II (EC-IIs), that are intended to serve the residents of these areas, and that are certified to be consistent with the area's strategic plan or RC Tax Incentive Utilization Plan (TIUP). (For ease of reference in this

notice, all of the federally designated areas are collectively referred to as "RC/EZ/EC—II's" and residents of any of these federally designated areas as "RC/EZ/EC—II residents.") This NOFA contains a certification, "Certification of Consistency with RC/EZ/EC Strategic Plan" (form HUD-2990), that must be completed for the applicant to be considered for RC/EZ/EC—II bonus points. A list of RC/EZ/EC—II's can be obtained from HUD's Web page at <http://www.hud.gov/cr>. Applicants can determine if their program/project activities are located in one of these designated areas by using the locator on HUD's Web site at <http://www.hud.gov/crlocator>.

B. Review and Selection Process

1. HUD's selection process is designed to ensure that grants are awarded to eligible local governments with the most meritorious applications.

2. Application Screening.

a. HUD will screen each application to determine if:

(1) It meets the threshold criteria listed in Section III.C of this NOFA; and
(2) It is deficient, *i.e.*, contains any technical deficiencies.

b. *Corrections to Deficient Applications.* The subsection entitled, "Corrections to Deficient Applications," in Section V.B of the General Section applies, except that clarifications or corrections of technical deficiencies in accordance with the information provided by HUD must be submitted within 5 calendar days of the date of receipt of the HUD notification, not 14 days.

c. *Applications that will not be rated or ranked.*

(1) HUD will not rate or rank applications that are deficient at the end of a 5 calendar day cure period, as described in Section V.B.2.b. of this NOFA.

(2) HUD will not rate or rank applications that have not met the thresholds described in Section III.C. of this NOFA. Such applications will not be eligible for funding.

3. Preliminary Rating and Ranking.

a. Rating.

(1) HUD staff will preliminarily rate each eligible application, SOLELY on the basis of the rating factors described in Section V.A of this NOFA.

(2) When rating applications, HUD reviewers will not use any information included in any application submitted for another NOFA.

(3) HUD will assign a preliminary score for each rating factor and a preliminary total score for each eligible application.

(4) The maximum number of points for each application is 102.

(5) *Minimum Score.* Applications that do not have a preliminary score of at least 50 will not be eligible for funding.

b. Ranking.
(1) After preliminary review, applications with a minimum score of 50 or above will be ranked in score order.

4. Final Panel Review.

a. A Final Review Panel made up of HUD staff will:

(1) Review the Preliminary Rating and Ranking documentation to:

(a) Ensure that any inconsistencies between preliminary reviewers have been identified and rectified; and
(b) Ensure that the Preliminary Rating and Ranking documentation accurately reflects the contents of the application.

(2) Assign a final score to each application; and

(3) Recommend for selection the most highly rated applications, subject to the amount of available funding, in accordance with the allocation of funds described in Section II of this NOFA.

5. HUD reserves the right to make reductions in funding for any ineligible items included in an applicant's proposed budget.

6. In accordance with the FY 2004 HOPE VI appropriation, HUD may not use HOPE VI funds to grant competitive advantage in awards to settle litigation or pay judgments.

7. *Tie Scores.* If two or more applications have the same score and there are insufficient funds to select all of them, HUD will select for funding the application(s) with the highest score for the Master Plan Qualities Rating Factor. If a tie remains, HUD will select for funding the application(s) with the highest score for the Capacity Rating Factor. HUD will select further tied applications with the highest score for the Need Rating Factor.

8. Remaining Funds.

a. HUD reserves the right to reallocate remaining funds from this NOFA to other eligible activities under Section 24 of the Act.

(1) If the total amount of funds requested by all applications found eligible for funding under Section V.B. of this NOFA is less than the amount of funds available from this NOFA, all eligible applications will be funded and those funds in excess of the total requested amount will be considered remaining funds.

(2) If the total amount of funds requested by all applications found eligible for funding under Section V.B. of this NOFA is greater than the amount of funds available from this NOFA, eligible applications will be funded until the amount of non-awarded funds is less than the amount required to

feasibly fund the next eligible application. In this case, the funds that have not been awarded will be considered remaining funds.

9. The following sub-sections of Section V. of the General Section are hereby incorporated by reference:

- a. HUD's Strategic Goals;
- b. Policy Priorities;
- c. Threshold Compliance;
- d. Corrections to Deficient Applications;

VI. Award Administration Information

A. Award Notices

1. *Initial Announcement.* The HUD Reform Act prohibits HUD from notifying the applicant as to whether or not the applicant has been selected to receive a grant until HUD has announced all grant recipients. HUD will provide written notification to all applicants, whether or not they have been selected for funding.

HOPE VI BUDGET GUIDANCE

I. GENERAL BUDGET GUIDANCE

A. Introduction

This document provides detailed information for HOPE VI Grantees to use when developing and revising their program budgets. All guidance is applicable to Revitalization, Demolition, Neighborhood Networks and Main Street HOPE VI grants unless specific other instructions are provided. Included are examples of costs and where they should be placed in the budget; however, none of the lists of activities are meant to be exclusive. Also, some of the examples may be allowable only under the Revitalization grant and not under Demolition, Neighborhood Networks, or Main Street grants. If a particular activity cost is not listed, if an expense is unclear, or if there is a question as to whether the activity cost is allowable for a specific type of grant, Grantees should request assistance from their HOPE VI Grant Manager.

B. HOPE VI Budget Form

HOPE VI program budgets are submitted on Form HUD-52825-A, Parts I and II. The blank form, and an Excel workbook that will assist in filling out the form, can be obtained over the Internet from HUDClips at http://www.hudclips.org/cgi/index_cliphome.com

The HOPE VI grant amount is divided into Budget Line Items (BLIs), as provided on Part I of the Budget Form. On Part II, those BLIs are broken down into specific costs or work items, in accordance with these guidelines and the Chart of Accounts, as detailed below.

C. HOPE VI Program Area

The original name of the HOPE VI Program, as created in FY 1993, was the Urban Revitalization Demonstration, aka URD. Grantees will find the initials URD in their HOPE VI grant numbers. However, the Program Area in LOCCS is URP, for Urban Revitalization Program.

D. Chart of Accounts

This Budget Guidance supplements the HOPE VI Budget Guidance chapter in the HOPE VI Guidebook, dated October 2000, and the Public and Indian Housing Low-Rent Technical Accounting Guide, HUD Guidebook Number 7510.1, issued on May 7, 1996. Where this guidance is inconsistent with the Accounting Guide, use the HOPE VI guidance when preparing your budget. The Accounting Guide explains financial management standards, identifies the types of financial information Grantees must maintain, and provides a **Chart of**

Accounts that describes the eligible expenses for each BLI. Pages IV-28 through IV-50 of the Accounting Guide are posted to the HOPE VI Website for the convenience of Grantees. Each grantee is encouraged to obtain a copy of the Accounting Guide, as it provides assistance in preparing all HUD public housing program budgets.

E. Community and Supportive Services (CSS) in HOPE VI Revitalization Grants

Although funds budgeted and expended under most BLIs may be moved to another BLI as the need arises, CSS funds may only be used for CSS purposes. In order to differentiate between capital cost, including PHA administration, and CSS budgeting and expenditures, all CSS services budget information should be included in BLI 1408, Management Improvements. Physical improvement costs necessary to provide facilities primarily intended for the delivery of CSS programs and economic development opportunities for residents of the targeted development are NOT included in the CSS cost cap and not included in BLI 1408. CSS cost limits are:

1. FY 1993 - 1996 Grantees may use not more than 20 percent of their grant for CSS programs and related administrative expenses.
2. FY 1997 Grantees are limited to no more than \$5,000 per unit for CSS programs and related administrative expenses, based on the higher of:
 - a. the number of currently occupied units in the project to be revitalized, or
 - b. the number of Replacement Units after revitalization, as defined in Section II.K.3 of the FY 1997 NOFA.
3. FY 1998 Grantees are limited to no more than \$5,000 per unit for CSS programs, based on:
 - a. the number of households in occupied units in the project to be revitalized at the time of application submission, and
 - b. the estimated number of new households that are expected to occupy replacement units after revitalization.
 - c. For Elderly grants, \$5,000 per household for human services programs to address quality of life and other social needs, particularly as related to aging in place and assisted living.
4. FY 1999 to the present Grantees may budget up to 15 percent of the total HOPE VI grant amount to pay the costs of CSS programs.

This means that CSS costs must be allocated between two Budget Line Items on the budget form, as follows:

Budget Line Item		
1408	Management Improvements/ Community and Supportive Services	All "soft" CSS costs, regardless of whether activities will be carried out by Grantee staff or by a partner or contractor. All costs related to Management Improvements
1470	Non-Dwelling Structures	Construction or rehabilitation of structures to be used for CSS programs

II. STEPS IN THE BUDGET PROCESS**A. Revitalization Budget**

Each selected Revitalization application included a budget, submitted on Form HUD-52825-A, for the full amount requested. To reflect changes resulting from TDC calculations, grant reductions, and other changes in the project during post-award review, each Grantee must provide a revised budget in its Supplemental Submissions.

B. Demolition Budget

Demolition Grantees are sent approved budgets when they are first notified of selection. In most cases, all grant funds are made available to the Grantee as soon as the Grant Agreement is executed. Exceptions include:

1. If the application was funded for an amount less than the amount requested, the budget may indicate the HUD-approved total amount only. The Grantee must submit a revised budget to its Field Office reflecting the revised amount.
2. If an application was approved based on a Section 202 Conversion Plan that was submitted to HUD but not yet approved, funds will not be made available to the Grantee until the Conversion Plan is approved.

C. Main Street Budget

Each selected Main Street application included a budget, submitted on Form HUD-52825-A, for the full amount requested. To reflect changes resulting from TDC calculations, grant reductions, and other changes in the project during post-award review, each Grantee must provide a revised budget when it submits its signed Grant Agreement, shortly after award.

1. The Grantee should use the HOPE VI Budget Revision Workbook version of the form HUD-52825-A, which can be obtained from HUDClips at http://www.hudclips.org/sub_nonhud/html/forms.htm.

D. Neighborhood Networks and CSS

The Neighborhood Networks grants do not include a CSS cap. The amount spent on CSS related services and hardware the other BLIs is determined by the Grantee, with HUD's Budget approval.

E. BLI 2000 and Requests for Funds

Although each HOPE VI Revitalization grant has a budget that shows the entire amount of the grant by BLI, those individual amounts are not automatically made available to the Grantee. Instead, when a HOPE VI Grant Agreement is first executed, the entire amount of the grant is placed into BLI 2000, which is a special "holding" account where funds remain unavailable to

the Grantee until HUD authorizes their expenditure and distributes, or "spreads", them into the applicable BLIs. Grant funds are placed into BLI 2000 so that HUD can control the amount of funds that Grantees have access to and to ensure that major expenditures have been approved before they are disbursed.

BLI 2000 is rarely used for Demolition grants, but HUD may place grant funds into BLI 2000 to restrict drawdowns pending resolution of particular issues.

F. Predevelopment Budget

By definition, Predevelopment costs are incurred by the Grantee before the first phase's financial closing. Once this closing occurs, development has started. For this reason, Predevelopment Budgets apply only to Revitalization grants. There are no pre-development budgets.

The Revitalization Grant Agreement provides that a Grantee may submit a predevelopment budget to request grant funds for specific eligible predevelopment costs before the grantee has completed its first phase financial closing. The predevelopment budget, also submitted on Form HUD-52825-A and clearly marked as a Predevelopment Budget, will include the Grantees request to HUD to spread ONLY the predevelopment costs requested, not the total amount of the grant. The eligible predevelopment costs are listed in the Grant Agreement. HUD will generally approve predevelopment budgets that request funds for expenses anticipated over the next six months.

In accordance with the Grant Agreement, predevelopment funds may be requested for costs incurred after the notification of grant award and before Grant Agreement execution. Changes or corrections may be negotiated between the Grantee and HUD. The CEO of the Grantee must sign and date the predevelopment budget. When approvable, HUD will sign the approved predevelopment budget and return a copy to the Grantee. HUD will spread the amounts on the predevelopment budget into the appropriate BLIs from BLI 2000, thus making them available for the Grantee to draw down. No further HUD approval will be required unless a particular drawdown triggers an edit (see Grantee Financial Instructions) or the grant is put on manual review.

G. Neighborhood Networks and Main Street Allowable Expenditures from Award Notice

In accordance with the Grant Agreement, predevelopment funds may be requested for costs incurred after the notification of grant award and before Grant Agreement execution. The grant award date is stated in HUD's notification to the Grantee that it has received an award. The date is also stated in the Grant Agreement. Although allowable expenses may be charged to the grant from the date of award, HUD will not spread funds until after the Grant Agreement is fully executed. After Grant Agreement execution, the Grantee may submit a detailed budget on the HOPE VI Budget form (HUD-52825A) asking HUD to spread the total amount of the grant funds.

H. Revitalization Grant Mixed-Finance Release of Funds

Grant funds needed for a project or phase of a project are detailed in Exhibit F of the ACC Amendment for that project or phase. When the proposal is approved and the ACC Amendment is executed at the time of phase closing, HUD will spread the funds detailed in Exhibit F into LOCCS and make them available to the Grantee for the activities specified in the approved proposal. This process is repeated for each phase of the project. Grantees may submit interim spread requests at times other than phase closing for costs that are not directly associated with phase development, e.g., Administration, Demolition, Relocation, etc.

I. Budget and Grant Term

Costs may be included in the HOPE VI Budget for the active period of the grant only. That is, if it will take two years for the Grantee to accomplish its proposed demolition, rehabilitation/new construction, and full lease-up, funds may be budgeted to provide staff salaries, supportive services, etc. for only a two year period, even if the term of the grant as stated in the Grant Agreement is for longer than that amount of time. This is consistent with the general rule that any funds drawn from the Federal Treasury must be disbursed by the Grantee to the payee within three working days.

The only exception is in the case of a CSS Endowment Trust. Section 24 of the U.S. Housing Act authorized Grantees awarded Revitalization grants in FY 2000 and beyond to use CSS funds to set up Endowment Trust funds. The Trust is a mechanism that allows Grantees to use HOPE VI funds for CSS activities after the physical development stage is completed. Details of the Trust are included in the Grant Agreement.

Grant funds that are in reserve accounts that are allowable under the grant are considered expended when they are deposited into the reserve account.

III. SPECIFIC BUDGET LINE ITEM GUIDANCE

BLI 1408 - MANAGEMENT IMPROVEMENTS / COMMUNITY AND SUPPORTIVE SERVICES

Costs applicable to BLI 1408 are those related to management improvement activities and community and supportive services programs. Although this section discusses costs for management improvements and CSS programs separately, both types of costs must be included in 1408. Please note that a hard edit has been placed on BLI 1408 in LOCCS. This means that Grantees may only request funds up to 100 percent of the amount entered in LOCCS for BLI 1408 instead of the 110 percent established for other BLIs.

A. Management Improvements

Management improvements are the costs of improvements to PHA management systems that are made in conjunction with HOPE VI grant-related revitalization efforts. All management improvements costs must be placed in the "Capital Costs" column. Note that regardless of whether costs for management improvements are to be incurred by PHA staff or contractors, all such costs must be included in BLI 1408. On Part II of the budget form, differentiate between those costs incurred by the PHA and those by contractors.

Specific Eligible Management Improvements Costs

- PHA staff time, contractors, and materials used to revise:

B. Community and Supportive Services Programs / Neighborhood Networks

All "soft" costs for CSS programs, regardless of whether activities will be carried out by Grantee staff or by a partner or contractor, must be placed under BLI 1408.

All staff costs for Neighborhood Networks grants, regardless of whether activities will be carried out by Grantee staff or by a partner or contractor, must also be placed under BLI 1408.

On Part II of the budget, differentiate between costs that will be incurred by PHA staff and costs incurred by contractors.

Specific Eligible CSS Program Costs

- PHA staff time and materials used to develop performance measures to monitor success of CSS programs.

In accordance with Section 24(d)(2) of the Housing Act of 1937, FY 2000 and beyond Grantees only may deposit up to 15 percent of the HOPE VI grant amount (the maximum amount of the grant allowable for CSS programs) in an endowment trust to provide community and supportive services over such period of time as the Grantee determines. The amount requested will be provided by HUD in a lump sum. Funds must be invested in a wise and prudent manner, i.e., funds may be invested in deposits, certificates of deposit, and other types of securities that are deposited in an account insured by the United States of America. Endowment funds (together with any interest earned) may only be used for eligible and necessary CSS program costs. Endowment funds may be used in conjunction with other amounts donated or otherwise made available to the fund for similar purposes.

Specific Eligible Neighborhood Networks Program Costs

BLI 1410 - ADMINISTRATION

BLI 1410 is intended for costs associated with the general, overall administration of the HOPE VI grant by the Grantee. Any administrative expenses on the part of the Grantee that are charged to the HOPE VI budget must be prorated in accordance with the time spent on HOPE VI grant-related activities. The Grantee must itemize its personnel that will be working on the project, the percentage of time for each person, and the amount of salary billed to HOPE VI. This proration should be consistent with the Staffing and Time Allocation information submitted by the Grantee and approved by HUD.

A hard edit has been placed on BLI 1410 in LOCCS. This means that Grantees may only request funds up to 100 percent of the amount entered in LOCCS for BLI 1410, instead of the 110 percent established for other BLIs.

Note that all costs related to management improvements or CSS programs, and staff costs related to Neighborhood Networks, must be included in BLI 1408 (Management Improvements), and NOT under 1410.

Specific Eligible Costs

BLI 1430 - FEES AND COSTS

Fees and Costs generally are expenditures made to entities that are contracted by the Grantee to perform specific services. They do not include the salaries of employees of the Grantee. Exceptions to this rule are as follows:

- CSS, Neighborhood Networks staffing, and management improvement costs must be charged to BLI 1408, regardless of whether those activities will be carried out by Grantee staff or contractors.
- Fees and costs associated with acquisition of real estate should be charged to BLI 1440 (Site Acquisition), including appraisals, broker fees, closing costs, recording fees, surveys, etc.
- A&E or other fees and costs associated with hazard abatement/remediation and demolition must be charged to BLI 1485.
- Relocation contractors must be charged to BLI 1495.

On Part II of the Budget form, Fees and Costs must be described in adequate detail to determine costs for associated BLIs. For example, if a Grantee is using HOPE VI funds to build a self-sufficiency or Neighborhood Networks service center, the costs to physically build the center belong in BLI 1470 (Non-Dwelling space) and the soft costs, such as A&E, belong in BLI 1430. Part II of the budget must be itemized in enough detail to determine the entire cost of the activity, including both the hard and soft costs.

All site acquisition, whether the site is intended for dwelling structures, nondwelling structures, recreation areas, or other uses, are applicable under BLI 1440. If subsequent construction will be performed on the site, site improvements are those that make it a buildable site and include the cost of site infrastructure required to support the development of housing units. If the site will be used as a park or recreation area with no construction, site improvements may include such activities as grading, landscaping, and lighting. Any budget amount over \$10,000 per unit must be justified in detail. The description on Part II of the budget must distinguish between costs related to existing public housing property and costs related to acquisition of a new public housing site. <p>3. Does your zoning ordinance and map, development and subdivision regulations or other land use controls conform to the jurisdiction's comprehensive plan regarding housing needs by providing: a) sufficient land use and density categories (multifamily housing, duplexes, small lot homes and other similar elements); and, b) sufficient land zoned or mapped "as of right" in these categories, that can permit the building of affordable housing addressing the needs identified in the plan? (For purposes of this notice, "as-of-right," as applied to zoning, means uses and development standards that are determined in advance and specifically authorized by the zoning ordinance. The ordinance is largely self-enforcing because little or no discretion occurs in its administration.). <p>8. Has your jurisdiction adopted specific building code language regarding housing rehabilitation that encourages such rehabilitation through graduated regulatory requirements applicable as different levels of work are performed in existing buildings? Such code language increases regulatory requirements (the additional improvements required as a matter of regulatory policy) in proportion to the extent of rehabilitation that an owner/developer chooses to do on a voluntary basis. For further information see HUD publication: "<i>Smart Codes in Your Community: A Guide to Building Rehabilitation Codes</i>" (www.huduser.org/publications/destech/smartcodes.html)</p>	<input type="checkbox"/> No	<input type="checkbox"/> Yes

12. Within the past five years, has the jurisdiction initiated major regulatory reforms either as a result of the above study or as a result of information identified in the barrier component of the jurisdiction's "HUD Consolidated Plan?" 19. Does your jurisdiction have an explicit policy that adjusts or waives existing parking requirements for all affordable housing developments?	<input type="checkbox"/> No	<input type="checkbox"/> Yes

Responses to rating factor five should be in this format. Your response should be in bullet format rather than narrative. Please read each NOFA carefully to ensure the performance measures requested for this factor are reflected on the logic model form.

Program Name: The HUD funding program under which you are applying. If you are applying for a component of a program please include the Program Name as well as the Component Name.

Component Name: The HUD funding program under which you are applying.

Column 1: HUD's Strategic Goals: Indicate in this column **the number** of the goal(s) that your proposed service or activity is designed to achieve. HUD's strategic goals are:

1. Increase homeownership opportunities.
2. Promote decent affordable housing.
3. Strengthen communities.
4. Ensure equal opportunity in housing.
5. Embrace high standards of ethics, management, and accountability.
6. Promote participation of grass-roots faith-based and other community-based organizations.

Policy Priority: Indicate in this column **the number** of the HUD Policy Priority(ies), if any, your proposed service or activity promotes. Applicants are encouraged to undertake specific activities that will assist the Department in implementing its Policy Priorities. HUD's Policy Priorities are:

1. Provide Increased Homeownership and Rental Opportunities for Low- and Moderate-Income Persons, Persons with Disabilities, the Elderly, Minorities, and Families with Limited English Proficiency.
2. Improving our Nation's Communities.

5. Participation of Minority-Serving Institutions in HUD Programs
6. Ending Chronic Homelessness.
7. Removal of Barriers to Affordable Housing.
8. Participation in Energy Star.

Column 2: Problem, Need, or Situation: Provide a general statement of need that provides the rationale for the proposed service or activity.

Column 3: Service or Activity: Identify the activities or services that you are undertaking in your work plan, which are crucial to the success of your program. Not every activity or service yields a direct outcome.

Column 4 and Column 5: Benchmarks: These columns ask you to identify benchmarks that will be used in measuring the progress of your services or activities. **Column 4** asks for specific interim or final products (called outputs) that you establish for your program's services or activities. **Column 5** should identify the results associated with the product or output. These may be numerical measures characterizing the results of a program activity, service or intervention and are used to measure performance. These outputs should lead to targets for achievement of outcomes. Results should be represented by both the actual # and % of the goal achieved.

Column 4: Benchmarks/Output Goal: Set quantifiable output goals, including timeframes. These should be products or interim products, which will allow you and HUD to monitor and assess your progress in achieving your program workplan.

Column 5: Benchmark/ Output Result: Report actual result of your benchmarks. The actual result could be number of housing units developed or rehabilitated, jobs created, or number of persons assisted. Outputs may be short, intermediate or long-term. *(Do not fill out this section with the application)*

Column 6 and Column 7: Outcomes: **Column 6 and Column 7** ask you to report on your expected and actual outcomes – the ultimate impact you hope to achieve. **Column 6** asks you to identify outcomes in terms of the impact on the community, people's lives, changes in economic or social status, etc. **Column 7** asks for the actual result of the outcome measure listed in Column 6, which should be updated as applicable.

Column 6: Outcomes/ Goals: Identify the outcomes that resulted in broader impacts for individuals, families/households, and/or the community. For example, the program may seek to improve the environmental conditions in a neighborhood, increase affordable housing, increase the assets of a low-income family, or improve self-sufficiency.

Proxy Outcome(s): Often direct measurement of the intended outcome is difficult or even impossible -- to measure. In these cases, applicants/grantees should use a proxy or surrogate measure that corresponds with the desired outcome. For example, improving quality of life in a neighborhood could be measured by a proxy indicator such as increases in home prices or decreases in crime. Training programs could be measured by the participant's increased wages or reading skills. The person receiving the service must meet eligibility requirements of the program.

Column 7: Outcomes/Actual Result: Identify specific achievements of outcomes listed in Column 6. *(Do not fill out this section with the application)*

Column 8: Measurement Reporting Tools: (a) List the tools used to track output or outcome information (e.g., survey instrument; attendance log; case report; pre-post test; waiting list; etc); (b) Identify the place where data is maintained, e.g. central database; individual case records; specialized access database, tax assessor database; local precinct; other; (c) Identify the location, e.g. on-site; subcontractor; other; (d) Indicate how often data is required to be collected, who will collect it and how often data is reported to HUD; and (e) Describe methods for retrieving data, e.g. data from case records is retrieved manually, data is maintained in an automated database. This tool will be available for HUD review and monitoring and should be used in submitting reporting information.

Column 9: Evaluation Process: Identify the methodology you will periodically use to assess your success in meeting your benchmark output goals and output results, outcomes associated to the achievement of the purposes of the program, as well as the impact that the work has made on the individuals assisted, the community, and the strategic goals of the Department. If you are not meeting the goals and results projected for your performance period, the evaluation process should be used as a tool to ensure that you can adjust schedules, timing, or business practices to ensure that goals are met within your performance period.

Instructions for the Race and Ethnic Data Reporting form (HUD-27061)

A. General Instructions:

This form is intended to be used by two categories of respondents: (1) applicants requesting funding from the Department of Housing and Urban Development (HUD); and (2) organizations who receive HUD Federal financial assistance that are required to report race and ethnic information.

In compliance with OMB direction to revise the standards for collection of racial data, HUD has revised its standards as depicted on this form. The revised standards are designed to acknowledge the growing diversity of the U.S. population. Using the revised standards, HUD offers organizations that are responding to HUD data requests for racial information, the option of selecting one or more of nine racial categories to identify the racial demographics of the individuals and/or the communities they serve, or are proposing to serve. HUD's collection of racial data treats ethnicity as a separate category from race and has changed the terminology for certain racial and ethnic groups from the way it has been requested in the past using two distinct ethnic categories. The revised definitions of ethnicity and race have been standardized across the Federal government and are provided below.

1. The two ethnic categories as revised by the Office of Management and Budget (OMB) are defined below.

Hispanic or Latino. A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term "Spanish origin" can be used in addition to "Hispanic" or "Latino."

Not Hispanic or Latino. A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

2. The five racial categories as revised by the Office of Management and Budget are defined below:

American Indian or Alaska Native. A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian. A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American. A person having origins in any of the black racial groups of Africa. Terms such as "Haitian" or "Negro" can be used in addition to "Black" or "African American."

Native Hawaiian or Other Pacific Islander. A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White. A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

Note: The information required to be reported may be collected and submitted to HUD via the use of this form or by other means, such as summary reports or via electronic reporting mechanisms. The primary goal to be achieved is the provision of the summary racial and ethnic data of the population(s) proposed to be served or that is being served by your organization in a consistent manner across all HUD programs.

B. Specific Instructions for Completing the Form:

Organizations using this form should collect the individual responses from the community of individuals you intend to serve or those that you are serving, as applicable. After the individual collections are gathered, you should report (via this form or by the use of other means such as electronic reports that provide the summary data required by this form) the aggregate totals of the racial and ethnic data that you collect via the applicable categories as described below:

Total Number of Racial Responses: Under this column you should indicate the total number of responses collected in the blocks next to the applicable categories.

Total Number of Hispanic or Latino Responses: Under this column you should indicate the total number of responses collected in the blocks next to the applicable racial categories (e.g., you would enter the total number of Asian respondents that indicated they are Hispanic or Latino). When collecting this information from beneficiaries of the Federal financial assistance all respondents should be required to indicate their ethnic category, which requires either a “yes” or “no” response.

Other Multiple Race Combinations: Next to this racial category, indicate all racial categories (if any) identified by respondents that do not fit one of the five single race categories or four double race combinations above, and which have a total count that exceeds one percent of the total population being reported. You must identify each such racial combination, including the actual count, the percentage of the total population (in parenthesis), and the actual Hispanic or Latino count.

For example, if you obtain data that indicates that the total population being served is 200 and includes 10 Native Hawaiian or Other Pacific Islander *and* White and 12 Native Hawaiian or Other Pacific Islander *and* Asian, and those numbers (of Native Hawaiian or Other Pacific Islander *and* White and Native Hawaiian or Other Pacific Islander *and* Asian) each equates to more than one percent of the total population being served, and 2 of the Native Hawaiian or Other Pacific Islander *and* White indicate they belong to the Hispanic/Latino ethnic category and 3 of the Native Hawaiian or Other Pacific Islander *and* Asian indicate they belong to the Hispanic/Latino ethnic category, you should complete the form as follows:

Racial Categories	Total Number of Race Responses	Total Number of Hispanic or Latino Responses
* Other multiple race combinations: [Per the form instruction, write in a description using the box on the right]	Native Hawaiian or Other Pacific Islander AND White 10 (5%) Native Hawaiian or Other Pacific Islander AND Asian 12 (6%)	2 3

How the percentage should be applied will vary by program depending on whether the program is required to provide data on the total community, or on the beneficiaries/individuals that are being served or that are proposed to be served.

Balance of individuals reporting more than one race: This block is intended to capture the balance of any racial categories that are not included in the list of nine above, and are not included under “**Other multiple race combinations greater than one percent.**” Indicate the total number of all racial categories reported that do not fit the nine racial categories above, and do not equate to one percent of the total population being reported. Be sure to also indicate the total number of all related Hispanic or Latino responses.

Total: On the last row of the form you should indicate the aggregate totals of all the information you have gathered including the total of all racial categories and the total of all the Hispanic or Latino categories.

Public reporting burden for this collection of information is estimated to average 2.0 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

Privacy Act Statement. Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is optional. The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235, approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally three years in the case of other applications. Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. §552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under Section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR §4.38.

Note: This form only covers assistance made available by the Department. States and units of general local government that carry out responsibilities under Sections 102(b) and (c) of the Reform Act must develop their own procedures for complying with the Act.

Part I. Threshold Determinations - Applicants Only

Part I contains information to help the applicant determine whether the remainder of the form must be completed. **Recipients filing Update Reports should not complete this Part.**

If the answer to *either* questions 1 or 2 is No, the applicant need not complete Parts II and III of the report, but must sign the certification at the end of the form.

Part II. Other Government Assistance and Expected Sources and Uses of Funds.

A. Other Government Assistance. This Part is to be completed by both applicants and recipients for assistance and recipients filing update reports. Applicants and recipients must report any other government assistance involved in the project or activity for which assistance is sought. Applicants and recipients must report any other government assistance involved in the project or activity. Other government assistance is defined in note 4 on the last page. For purposes of this definition, other government assistance is expected to be made available if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the assistance will be forthcoming.

Both applicant and recipient disclosures must include all other government assistance involved with the HUD assistance, as well as any other government assistance that was made available before the request, but that has continuing vitality at the time of the request. Examples of this latter category include tax credits that provide for a number of years of tax benefits, and grant assistance that continues to benefit the project at the time of the assistance request.

The following information must be provided:

1. Enter the name and address, city, State, and zip code of the government agency making the assistance available.
 2. State the type of other government assistance (e.g., loan, grant, loan insurance).

- B. Non-Government Assistance. Note that the applicant and recipient disclosure report must specify all expected sources and uses of funds - both from HUD **and any other source** - that have been or are to be, made available for the project or activity. Non-government sources of

funds typically include (but are not limited to) foundations and private contributors.

Residency of an individual in housing for which assistance is being sought is not, by itself, considered a covered financial interest.

The information required below must be provided.

1. Enter the full names and addresses. If the person is an entity, the listing must include the full name and address of the entity as well as the CEO. Please list all names alphabetically.
2. Entry of the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed is optional.

(It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.)
