

contentions and the legal and factual issues raised.

b. **Withdrawal of Services by a Representative:** When the appellant's representative withdraws from a case, both the appellant and the BVA must be informed so that the appellant's rights may be adequately protected and so that the BVA may meet its statutory obligations to provide notice to the current representative.

c. **Filing of Representative's Fee Agreements and Motions for Review of Such Agreements:** Agreements for fees charged by individuals or organizations for representing claimants and appellants before VA are filed with, and reviewed by, the Board of Veterans' Appeals. The information is used to determine whether such fees are excessive or unreasonable.

d. **Motion for Review of Representative's Charges for Expenses:** Expense reimbursements claimed by individuals and organizations for representing claimants and appellants before VA have been monitored for fairness for many years. The information is used to review changes by claimants' representatives for expenses to afford protection to such claimants from overreaching by unscrupulous representatives and is useful in monitoring fees charged by representatives and to ensure that fee limitations are not avoided by mischaracterizing fees as expenses.

e. **Request for Changes in Hearing Date:** VA provides hearings to appellants and their representatives, as required by basic Constitutional due-process and by Title 38 U.S.C. 7107(b). From time to time, hearing dates and/or times are changed, hearing requests withdrawn and new hearings requested after failure to appear at a scheduled hearing. The information is used to comply with the appellants' or their representatives' requests.

f. **Motion for Reconsideration:** Decisions by BVA are final unless the Chairman orders reconsideration of the decision either on the Chairman's initiative, or upon motion of a claimant. The Board Chairman, or his designee, uses the information provided in deciding whether reconsideration of a Board decision should be granted.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.
